Contractor shall provide each participant with instructional tools, subject area content, standards-based assessments, and the alignment to the Common Core State Standards (CCSS) to ensure that all participants are able to implement SpringBoard as the curriculum in English Language Arts (ELA) and Mathematics at participating Milwaukee Public Schools.

Contractor will provide SpringBoard teacher and student materials to participating middle and high schools in the Milwaukee Public Schools with free licenses to access SpringBoard digital. SpringBoard English Language Arts and Mathematics materials aligned to standards will be provided for grades 6 through 12. Milwaukee Public Schools will determine the quantities needed at each school requesting the SpringBoard Program.

Contractor will also provide professional development to teachers and administrators participating in the SpringBoard program. The professional development will include the Initial Institute, Quick Start Institute, and/or Initial Institute Follow-up Workshop to launch and/or sustain a successful implementation of the program. The professional development will occur during mutually agreed upon dates, times, and locations. MPS may cancel or reschedule a workshop upon a thirty (30) days' notice.

The scope of services shall be in accordance with the attached College Board SpringBoard Rider attached hereto as "Attachment A" and incorporated herein by reference.

Contractor shall provide, at its own expense, all personnel required to perform the services under this Contract.

2. TERM

This Contract shall be in effect from July 1, 2019 through June 30, 2019 ("Initial Term") with the option to extend for two additional one-year periods.

No work shall commence before a Contractor receives a fully executed Contract and has been given approval to proceed. Any work performed by the Contractor prior to obtaining a fully-executed Contract with approval to proceed shall not be compensated pursuant to this Contract. Any continuation of the Contract beyond this term must be set forth in writing and signed by the original signatories to the Contract.

3. COMPENSATION

Total compensation under this Contract shall not exceed \$600,000.00 in the Initial Term. Prices shall be pursuant to Contractor's list prices attached hereto as "Attachment B" and incorporated herein by reference.

MPS reserves the right to determine in its sole discretion whether services have been adequately and fully delivered; to withhold payment until services are fully and adequately delivered; or to disallow a pro rata share of payments for services not fully and adequately delivered.

Milwaukee Public Schools does not pay in advance for services. No payment shall be made until a properly submitted invoice is approved. Invoices shall be submitted to:

Milwaukee Public Schools
Attn: Vickie Brown-Gurley, Senior Director
Office of Curriculum & Instruction
5225 W Vliet Street
Milwaukee, WI 53208

A properly submitted invoice must include a detailed description of the dates and times worked, and the tasks performed. As a matter of practice, MPS attempts to pay all invoices in 30 days. It is mutually agreed that State Prompt pay law does not apply to this Contract.

Unless otherwise specified, MPS shall not pay invoices submitted more than 60 days after actual work. In the case of grant funding, no payments shall be made after grant close out. Final invoices must be marked as such.

4. NON APPROPRIATION OF FUNDS

This Contract is contingent upon the appropriation of sufficient funds by appropriate MPS officials. If funds are not appropriated, Contractor agrees to take back any commodities furnished under the Contract, terminate any services supplied to MPS under the Contract, and relieve MPS of any further obligations under the Contract.

5. NON-DISCRIMINATION

In the performance of work under this Contract, Contractor shall not discriminate in any way against any employee or applicant for employment on the basis of a person's sex, race, age, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, disability, or socio-economic status. This prohibition includes but is not limited to employment; promotions, demotions and transfers; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. Contractor is required to include a similar provision in all subcontracts to this Contract.

If MPS determines Contractor has violated this non-discrimination policy, MPS may terminate this Contract without liability for undelivered services or materials. MPS may also deem the Contractor ineligible to participate in future contracts with MPS.

6. INDEMNITY

Notwithstanding any references to the contrary, Contractor assumes full liability for all of its acts or omissions in the performance of this Contract, as well as the acts or omissions of its subcontractors. Contractor shall indemnify and hold harmless MPS, its agents, officers and employees against all liabilities, losses, judgments, decrees, costs, and expenses that may be claimed against MPS as a result of granting of this Contract to said Contractor, or that may result from the carelessness or neglect of said Contractor, its agents, or employees. If judgment is recovered against MPS in suits of law or equity for any reason, including by reason of the carelessness, negligence, or acts or omissions of the Contractor, against such persons, firms or corporations carrying out the provisions of the Contract for the Contractor, the Contractor assumes full liability for such judgment, not only as to any monetary award, but also as to the costs, attorneys' fees or other expenses resulting therefrom.

In accordance with applicable laws, MPS shall be responsible for defending and paying judgments on behalf of its officers, employees and agents while acting within the scope of their employment or agency for any claims that may arise out of MPS's negligence for acts, policies, or directives that affect the activities covered by this Contract.

7. BACKGROUND CHECKS

Contractor will conduct, at Contractor's expense, a criminal information records background check, (hereinafter referred to as "background check"), through the Wisconsin Department of Justice and other appropriate states' agencies, on all current and potential administrators, board members, officers, and employees who have, or who are anticipated to have, "direct, unsupervised contact" with MPS students in the performance of this Contract.

An out of state background check should be completed in the state(s) in which the individual resided for at least six months within the last two years and was eighteen years or older at the time.

Contractor will submit to MPS's Department of Employment Relations (DER), (via mail to Milwaukee Public Schools Background Checks, Attn: Department of Employment Relations, Room 116, 5225 West Vliet Street, Milwaukee, WI 53208, or via email at 564@milwaukee.k12.wi.us), all completed background checks. Such records will be reviewed and MPS will notify Contractor of any individual(s) who, based on MPS standards, are unfit and should not have contact with MPS students. All determinations made by MPS with regards to whether an individual is fit to provide services pursuant to this Contract are made in MPS's sole discretion.

The following will each be a material failure to comply with the terms of this Contract and cause for immediate termination of this Contract by MPS: failure to perform background checks as outlined in this Section 7; failure to submit background checks to MPS as outlined in this Section 7; allowing services to be provided by an individual who has not been subjected to a background check; and allowing services to be performed by an individual who has been determined to be unfit by MPS as outlined in this Section 7.

8. INSURANCE AND PROOF OF FINANCIAL RESPONSIBILITY

Contractor understands and agrees that financial responsibility for claims or damages to any person, or to Contractor's employees and agents, shall rest with the Contractor. Contractor and its subcontractors shall effect and maintain any insurance coverage,

including, but not limited to, Workers' Compensation, Employers' Liability, General Liability, Contractual Liability, Automobile Liability and Umbrella Liability to support such financial obligations. The indemnification obligation, however, shall not be reduced in any way by existence or non-existence, limitation, amount or type of damages, compensation, or benefits payable under Workers' Compensation laws or other insurance provisions.

The minimum limits of insurance required of the Contractor by MPS shall be:

Workers' Compensation	Statutory Limits
Employers' Liability	\$100,000 per occurrence
General Liability	\$1,000,000 per occurrence/\$2,000,000 aggregate
Auto Liability	\$1,000,000 per occurrence
Umbrella (excess) Liability	\$1,000,000 per occurrence

The Milwaukee Board of School Directors shall be named as an additional insured under Contractor's and subcontractors' general liability insurance and umbrella liability insurance. Evidence of all required insurances of Contractor shall be submitted electronically to MPS via its third party vendor, EXIGIS Risk Management Services. Waivers and exceptions to the above limits will be in the sole discretion of MPS and shall be recorded in the EXIGIS system, which records are incorporated into this Contract by reference. The certificate of insurance or policies of insurance evidencing all coverages shall include a statement that MPS shall be afforded a thirty (30) day written notice of cancellation, non-renewal or material change by any of Contractor's insurers providing the coverages required by MPS for the duration of this Contract.

9. SHIPPING /TAXES

If goods are provided pursuant to this Contract, please note that MPS is exempt from Federal Excise and Wisconsin Sales Taxes. All vendor quotes, bids and invoices must include delivery FOB destination to the MPS location receiving the goods and freight must be prepaid. This means any freight, shipping, processing, handling or like charges must be part of a unit price. Any separate line items for freight, shipping, processing, handling or like charges listed on an invoice will be deleted and NOT PAID.

All textbook purchases shall be governed by the terms and conditions in the Milwaukee Board of School Directors' Textbook Contract, which provides that textbooks shipped to MPS or its schools must be done at no additional charge to MPS or its schools.

MPS reserves the right to reject any items that do not conform to the bid, quote or Purchase Order. All return freight charges associated with the rejected materials shall be borne by the vendor.

10. IRREPARABLE HARM

It is mutually agreed the breach of this Contract on Contractor's part shall result in irreparable and continuing damage to MPS for which money damages may not provide adequate relief. Therefore, the breach of this Contract on Contractor's part shall entitle MPS to both preliminary and permanent injunctive relief and money damages insofar as they can be determined under the circumstances.

11. TERMINATION BY CONTRACTOR

Contractor may, at its option, terminate this Contract upon the failure of MPS to pay any amount, which may become due hereunder for a period of sixty (60) days following submission of appropriate billing and supporting documentation. Upon said termination, Contractor shall be paid the compensation due for all services rendered through the date of termination including any retainage.

12. TERMINATION BY MPS - BREACH BY CONTRACTOR

If Contractor fails to fulfill its obligations under this Contract in a timely or proper manner, or violates any of its provisions, MPS shall thereupon have the right to terminate it by giving five (5) days written notice before the effective date of termination of the Contract, specifying the alleged violations, and effective date of termination. The Contract shall not be terminated if, upon receipt of the notice, Contractor promptly cures the alleged violation with five (5) days. In the event of termination, MPS will only be liable for services rendered through the date of termination and not for the uncompleted portion, or for any materials or services purchased or paid for by Contractor for use in completing the Contract.

13. TERMINATION BY MPS

MPS further reserves the right to terminate this Contract at any time for any reason by giving Contractor written notice by Registered or Certified Mail of such termination. MPS will attempt to give Contractor 20 days' notice, but reserves the right to give immediate notice. In the event of said termination, Contractor shall reduce its activities hereunder, as mutually agreed to,

upon receipt of said notice. Upon said termination, Contractor shall be paid for all services rendered through the date of termination, including any retainage. This section also applies should the Milwaukee Board of School Directors fail to appropriate additional monies required for the completion of the Contract.

14. INDEPENDENT CONTRACTOR

Contractor agrees and stipulates that in performing this Contract, it is acting as an Independent Contractor, and that no relationship of employer and employee, partnership or joint venture is created by this Contract. Contractor has exclusive control over work hours, location, and other details of such services, and MPS's sole interest is to ensure that said service shall be performed and rendered in a competent, safe, efficient, timely and satisfactory manner in accordance with the terms of this Contract.

Contractor has the sole obligation to provide for and pay any contribution or taxes required by federal, state or local authorities imposed on or measured by income. Contractor specifically covenant not to file any complaint, charge, or claim with any local, state or federal agency or court in which Contractor claims to be or to have been an employee of MPS during the period of time covered by this Contract and that if any such agency or court assumes jurisdiction of any complaint, charge or claim against MPS on Contractor's behalf, Contractor will request such agency or court to dismiss such matter. MPS shall not be charged any obligation or responsibility whatsoever of extending any fringe benefits which may be extended to MPS employees, including any insurance, or pension plans.

Contractor further agrees that MPS is not to be charged with the obligation or responsibility of extending any fringe benefits such as hospital, medical and life insurance, or pension plans which may be extended to employees of MPS from time-to-time and further agree to indemnify and hold harmless MPS and all its employees, officers and agents from any liability for personal injuries, including death, or for damage to or loss of personal property, which might occur as a result of the performance of the services provided for under this Contract.

6.2.1 If during the term of this Agreement Client determines that they have an annual increase in needed volume of Student Editions/Licenses that is less than 5%, then the additional Student Editions/Licenses ordered will be provided at the price indicated in this Agreement.

6.2.2 If, during the term of this Agreement, Client determines that they needed additional Student Editions/Licenses that is greater than 5% of their projected volumes, then Client may either: amend this Agreement to reflect the revised volumes; or purchase the additional Student Editions/Licenses at the College Board's then-current price.

6.2.4 If, during the term of this Agreement, Client determines that they have an annual decrease in needed Student Editions/Licenses volumes that is greater than 5% of their projected volumes, then the parties will amend this Agreement to reflect the revised volumes.

7. **Client Representations and Warranties.** Client represents and warrants to the College Board that:

7.1 Client has designated as 'directory information' for purposes of FERPA, a student's name, grade level, the most recent educational agency or institution attended, and the other items specifically identified as directory information in 34 C.F.R. 99.3. To the extent the Registration Information includes only such directory information, the College Board may redisclose the Registration Information in accordance with the Privacy Policy without the consent of the parent or student eighteen (18) years of age or older.

7.2 To the extent that the Registration Information or other personally identifiable information from education records of students disclosed by Client to the College Board includes information other than directory information, for purposes of FERPA the College Board and its employees and independent contractors are 'school officials' whom Client has determined to have 'legitimate educational interests', and Client may disclose such non-directory information to the College Board consistent with FERPA and other applicable law and policy.

8. **Rights After Termination.** If this Agreement is terminated for any reason, all rights granted to Client hereunder shall cease, and Client shall immediately notify all teachers and students participating in the SpringBoard Program that they may no longer use SpringBoard Digital. Upon termination of this Agreement, the College Board shall terminate Client's access to SpringBoard Digital, and any and all other systems to which Client has access under this Agreement.

Upon termination, Client shall promptly pay to the College Board all Fees and other amounts due and owing under this Agreement for the Services performed, Products furnished, and Licenses granted through the effective date of termination. If this Agreement is terminated during the Initial Term or any Renewal Term, Client shall not be entitled to a refund of any Fee paid with respect to such Initial Term or Renewal Term.

9. **Confidentiality and Data Protection.**

9.1 **Confidentiality.** All information exchanged hereunder to which either party shall have access in connection with this Agreement, including the terms of this Agreement, is confidential ("Confidential Information"), and except as otherwise expressly provided in this Agreement, neither party will authorize or permit the other party's Confidential Information to be conveyed or in any manner communicated to or made available to any third party or to be physically duplicated or reproduced or used by or for the benefit of any third party, in whole or in part; provided, however, that Confidential Information shall exclude any data or information that: (a) is publicly disclosed or expressly approved for public disclosure by the act of an authorized agent of either party; (b) becomes publicly known without breach of any confidentiality obligation; or (c) is required to be disclosed pursuant to any applicable law or regulation, government authority or duly authorized subpoena or court order, provided that the disclosing party in such event shall provide the other party with notice of such requirement as soon as practicable after such requirement becomes known to the disclosing party (and in any event before any such Confidential Information is disclosed).

9.2 **Data Protection.** The College Board shall take actions to ensure the security and confidentiality of Confidential Information. The College Board assures that personally identifiable data is secured and protected in a manner consistent with industry standards. The College Board shall maintain the Registration Information (defined in Section 3.1) that may be obtained pursuant to this Agreement in a secure computer environment and not copy, reproduce or transmit such data except as necessary to fulfill the purpose of the original request. The College Board has security measures in place designed to help protect against loss, misuse and alteration of the data under the College Board's control. College Board shall develop, implement, maintain and use reasonably appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all stored, managed, retained, accessed or used student records received from or on behalf of Client, State, Parents or Adult Students as determined by College Board. The College Board shall host content on SpringBoard Digital in a secure server environment that uses a firewall and other advanced technology designed to prevent interference or access from outside intruders. Where applicable, SpringBoard Digital will require unique account identifiers, usernames and passwords that must be entered each time a client or user signs on.

College Board warrants that all student records will be encrypted in transmission and storage where technically feasible and when designed as being appropriate by the College Board. If not, other security controls may be implemented to reduce risk, mitigate risk, or otherwise protect the data as determined solely by the College Board. When SpringBoard Digital is accessed using a supported web browser, Secure Socket Layer ('SSL') or equivalent technology protects information while in transit, using both server authentication and data encryption to help ensure that data are safe, secure and available to only authorized users.

The College Board may use de-identified data: to improve the SpringBoard Program, to demonstrate the effectiveness of the SpringBoard Program, and for research or other purposes related to developing and improving the SpringBoard Program. The College Board will share de-identified data with a third-party organization Adobe for the purpose of site analytics data. The College Board's use of such de-identified data will survive termination of this Agreement.

9.2.1 Security Measures. To ensure the security and confidentiality of confidential records the College Board shall designate an employee responsible for the training and compliance of all College Board employees, agents, and assigns on compliance with security and confidentiality provisions detailed in this Agreement. The College Board shall not disclose student records, except as specified under the terms of the Agreement, an Amendment or as required by law. The College Board warrants that all confidentiality requirements and security measures identified in this Agreement will be extended by contract to any and all subcontractors used by College Board, if any, to execute the terms of this Agreement. The College Board will use appropriate and reliable storage media, regularly backup student records and retain such backup copies for the duration of this Agreement as defined by the College Board. The College Board acknowledges that the College Board utilizes cloud hosting service providers throughout its infrastructure. The College Board warrants that all student records will be stored in the United States where technically feasible and reasonable as determined solely by the College Board. Client acknowledges that in some cases the College Board may not be able to restrict the location of data due to limitations within the cloud hosting service provider capabilities.

9.2.2 Notice. In the event of an unauthorized disclosure of student records which have been distributed or received in connection with this Agreement, the following process will be implemented: Client and College Board agree to notify the other party, fully investigate the incident and fully cooperate with any investigation of the incident, implement remedial measures and respond in a timely manner. Such notification shall be promptly performed as information becomes available but not greater than thirty (30) calendar days immediately upon becoming aware of: (a) a confirmed compromise of these student records, or of (b) circumstances that could have reasonably resulted in an unauthorized access to or disclosure of these student records. Both Client and College Board acknowledge that in the event of an unauthorized disclosure computer forensics teams may require many days, weeks or even months to fully ascertain the details surrounding the disclosure which may delay prompt notification within the 30-calendar day requirement.

Where information is available, parent or adult student will be immediately notified of: (1) the nature of the unauthorized use or disclosure (e.g., security breach, nonconsensual re-disclosure, etc.); (2) the specific student records that were used or disclosed without authorization where possible; (3) what the College Board and Client have done or will do to mitigate any effects of the unauthorized use or disclosure; and (4) what corrective action the College Board and Client have taken or will take to prevent future occurrences. Except as otherwise required by law, the College Board will not provide notice of the incident directly to the parent or adult student whose student records were involved, regulatory agencies, or other entities, without prior written permission from Client.
