**MILWAUKEE BOARD OF SCHOOL DIRECTORS
PROFESSIONAL SERVICES CONTRACT EXTENSION & MODIFICATION**

On July 1 2015, the Milwaukee Board of School Directors and Compass Learning, Inc. entered into Professional Services Contract number C023739 with a term of July 1, 2015 through June 30, 2016. The parties now mutually agree to extend the term of that Contract.

In accordance with ¶ 19 of the Contract, the parties modify those terms and conditions identified below.

MODIFIED TERMS:

1. Paragraph 1 is deleted in its entirety and replaced with the following: "Contractor shall provide technical support and maintenance for "Odyssey" intervention products for Reading/ELA and Math in accordance to Contractor's "Price Quote, Quote #SO-268723, 301756, 301765," dated May 6, 2016, attached as Exhibit A and herein incorporated as reference. Any additional terms contained within Exhibit A are not applicable.

Services and items shall be delivered according to the terms and conditions of this Contract, RFP 788 and Contractor's Response to 788. Use of Software shall be guided by Contractor's "End User License Agreement (EULA)" as submitted in Contractor's Response to RFP 788. To the extent that any terms of this Contract conflict with EULA, the terms of this Contract shall govern.

Any and all (i) third party intellectual property; (ii) pre-existing Vendor intellectual property that is delivered to MPS as part of the services to be provided by Contractor hereunder or are imbedded in any Work Product to be delivered to MPS by the Contractor hereunder and (iii) any pre-existing Vendor intellectual property that is modified during the course of this Agreement and delivered to MPS as part of the Services shall remain sole property of Contractor.

Contractor shall provide, at its own expenses, all personnel required to perform the services under this Contract."

2. Paragraph 2 is modified as follows: "This Contract shall be in effect from July 1, 2015 to June 30, 2016" is replaced with "This Contract shall be in effect from July 1, 2016 through June 30, 2017. Upon written mutual agreement, this Contract may be extended for one additional one-year term."
3. Paragraph 3 is modified as follows: "Total Compensation under this Contract shall not exceed \$481,260.00" is replaced with "Total Compensation under this Contract shall not exceed \$564,820.00". "Ronald Nowak" is replaced with "Melanie Stewart."
4. Paragraph 5 of the Contract is deleted in its entirety and replaced with the following:

"In the performance of work under this Contract, Contractor shall not discriminate in any way against any employee or applicant for employment on the basis of a person's sex, race, age, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, disability, or socio-economic status. This prohibition includes but is not limited to employment; promotions, demotions and transfers; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and

selection for training, including apprenticeships. Contractor is required to include a similar provision in all subcontracts to this Contract.

If MPS determines Contractor has violated this non-discrimination policy, MPS may terminate this Contract without liability for undelivered services or materials. MPS may also deem the Contractor ineligible to participate in future contracts with MPS."

5. Paragraph 7 of the Contract is deleted in its entirety and replaced with the following:

"Contractor will conduct, at Contractor's expense, a criminal information records background check, (hereinafter referred to as "background check"), through the Wisconsin Department of Justice and other appropriate states' agencies, on all current and potential administrators, board members, officers, and employees who have, or who are anticipated to have, "direct, unsupervised contract" with MPS students in the performance of this Contract.

An out of state background check should be completed in the state(s) in which the individual resided for at least six months within the last two years and was eighteen years or older at the time.

Contractor will submit to MPS's Department of Employment Relations (DER), (via mail to Milwaukee Public Schools Background Checks, Attn: Department of Employment Relations, Room 116, 5225 West Vliet Street, Milwaukee, WI 53208, or via email at 564@milwaukee.k12.wi.us), all completed background checks. Such records will be reviewed and MPS will notify Contractor of any individual(s) who, based on MPS standards, are unfit and should not have contact with MPS students. All determinations made by MPS with regards to whether an individual is fit to provide services pursuant to this Contract are made in MPS's sole discretion.

The following will each be a material failure to comply with the terms of this Contract and cause for immediate termination of this Contract by MPS: failure to perform background checks as outlined in this Section 7; failure to submit background checks to MPS as outlined in this Section 7; allowing services to be provided by an individual who has not been subjected to a background check; and allowing services to be performed by an individual who has been determined to be unfit by MPS as outlined in this Section 7."

6. Paragraph 16(C) of the Contract is deleted in its entirety and replaced with the following: Contractor shall comply with, and ensure its subcontractors performing work under this Contract comply with, Milwaukee Board of School Directors' Administrative Policy 3.09(17), which requires that employees be paid a "living wage."
