Funder	Proposal	Total Awarded	Abstract
Compeer Financial	Fund for Rural America (Vincent)	5,000	This grant request will provide support for a collaboration between Vincent High School of Agricultural Sciences and the Chicago High School for Agricultural Sciences and professional development. Administration and staff from both schools will partner and learn from each others work. Together they will share pedagogical best practices, and plan and implement opportunities to improve urban student instruction and experiences related to the agricultural sciences.
Tractor Supply Company	Grants for Growing (Vincent)	5,000	Milwaukee Vincent FFA is motivating urban agriculture students to engage with livestock through the Animal Science Pathway. Students will work directly with cattle to foster 21st century skills in order to show at the Wisconsin State Fair.
		10,000
