#### 8. DEFENSE OF SUITS

In the event any court action or administrative proceeding is brought against MPS or any of its officers, agents, or employees, for Contractor or its subcontractors' acts or failure in whole or in part to perform any acts required by this Contract, MPS shall tender its defense of any claim or action at law or equity to Contractor or Contractor's insurer, and upon such tender it shall be the duty of Contractor and Contractor's insurer to defend such claim or action without cost or expense to MPS, its officers, agents or employees. Contractor shall be solely responsible for the conduct and performance of the services performed under this Contract.

#### 9. BACKGROUND CHECKS

Criminal background checks are required as set forth in G-36 of the Specifications.

Contractor understands and agrees that financial responsibility for claims or damages to any person, or to Contractor's employees and agents, shall rest with Contractor. Contractor and its subcontractors shall effect and maintain the insurance coverage set forth in G-40 of the Specifications. #### **11. IRREPARABLE HARM**

It is mutually agreed the breach of this Contract on Contractor's part shall result in irreparable and continuing damage to MPS for which money damages may not provide adequate relief. Therefore, the breach of this Contract on Contractor's part shall entitle MPS to both preliminary and permanent injunctive relief and money damages insofar as they can be determined under the circumstances. Provisions for Liquidated Damages are found in G-28 of the Specifications.

#### **12. TERMINATION**

For violations of or failure to adequately fulfill a contract, the Board may, within its sole discretion, terminate said Contract as set forth herein. When feasible, MPS must give 30 days' notice of the breach. The Contract shall not be terminated if, upon receipt of the notice, Contractor promptly cures the alleged violation within ten (10) days. In the event of termination, MPS will only be liable for the services rendered through the date of termination and not the uncompleted portion, or for any materials or services Purchased or paid for by Contractor for use in completing the Contract. Additionally, it is understood that strict adherence to the provisions of this Contract, including, but not limited to, starting points, destinations and times of departure and arrival, are necessary to adequately fulfill this Contract. For violations of or failure to adequately fulfill a contract, the Board may, within its sole discretion, terminate this Contract. Failure to terminate shall not constitute a waiver of the Board's right to terminate for subsequent violations of or failure to adequately fulfill the Contract.

MPS further reserves the right to terminate this Contract without liability if it determines to bring transportation services in-house.

In lieu of terminating the entire Contract for a breach of contract, MPS may, in its sole discretion, reassign buses from Contractor to another contractor with available buses.

#### **13. COMPLIANCE WITH APPLICABLE LAWS**

Contractor shall comply with any and all applicable federal, state or local laws, rules and regulations, including such policies as may be enacted from time to time by MPS. Such statutes, rules and regulations of the federal government, the State of Wisconsin, and policies of MPS are incorporated herein by reference the same as if set out verbatim. Contractor has the sole obligation to provide for and pay any contribution or taxes required by federal, state or local authorities imposed on or measured by income. Contractor specifically covenant not to file any complaint, charge, or claim with any local, state or federal agency or court in which Contractor claims to be or to have been an employee of MPS during the period of time covered by this Contract and that if any such agency or court assumes jurisdiction of any complaint, charge or claim against MPS on Contractor's behalf, Contractor will request such agency or court to dismiss such matter. MPS shall not be charged any obligation or responsibility whatsoever of extending any fringe benefits which may be extended to MPS employees, including any insurance, or pension plans.

Contractor further agrees that MPS is not to be charged with the obligation or responsibility of extending any fringe benefits such as hospital, medical and life insurance, or pension plans which may be extended to employees of MPS from time-to-time and further agree to indemnify and hold harmless MPS and all its employees, officers and agents from any liability for personal injuries, including death, or for damage to or loss of personal property, which might occur as a result of the performance of the services provided for under this Contract.
