Five Priorities for Success

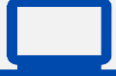

Guiding Principles

- Health and Safety
- Quality Instruction
- Student and Staff Support
- Efficient and Safe Operations
- Effective Communications

Academic Expectations: Hybrid Model

	Monday	Tuesday	Wednesday	Thursday	Friday
Cohort A	On-site In-Person Learning 	On-site In-Person Learning 	At-Home Remote Learning 	At-Home Remote Learning 	At-Home Remote Learning 
Cohort B	At-Home Remote Learning 	At-Home Remote Learning 	At-Home Remote Learning 	On-site In-Person Learning 	On-site In-Person Learning 
Cohort C (Full Virtual)	At-Home Remote Learning 	At-Home Remote Learning 	At-Home Remote Learning 	At-Home Remote Learning 	At-Home Remote Learning 

Academic Expectations: Core Instruction

- MPS Standard of Care
- Maximize Small Group Instruction
- In-person/Virtual Instruction
- Formative and Summative Assessments
- Grading/Credit Attainment

Academic Expectations: Technology

- Ensuring schools have a Chromebook available for each student so devices do not need to be brought to and from school.
- Continuing to process connectivity requests for hotspots.
- Testing various camera solutions for instruction.
- Purchasing additional touchscreen Chromebooks for younger student use in school.
- Continuing to create support documentation and training opportunities on virtual tools for teachers.

Academic Expectations: Parent Support

- Phase 2 Learning Modules
- Diverse Family Support
- Parent Survey
- CLC/Camps - Learning Labs

Health and Safety

- Physical Distancing
- Masks/Face Covering
- Cleaning and Disinfecting
- Hygiene Practices
- Symptomatic Individuals

CENTERS FOR DISEASE
CONTROL AND PREVENTION

WISCONSIN DEPARTMENT
of HEALTH SERVICES

CITY OF MILWAUKEE
HEALTH DEPARTMENT

Health and Safety: Transportation

- Limited Capacity
- Assigned Seating
- Required Masks
- Safety Precautions

To accomplishing social distancing to allow for one student per seat, every other seat, the following number of students will be able to ride the bus:

Rated Capacity	Number of Students
34	6
52	9
66	11
70-74	12
78	13
84	14

Decreasing social distancing to allow for one student per seat, not skipping any seats, the following number of students will be able to ride the bus:

Rated Capacity	Number of Students
34	12
52	18
66	22
70-72	24
78	26
84	28

Neither of these scenarios account for sharing of seats for family members who reside in the same household. Households would and should share seating - up to three students in the respective seat - thereby slightly increasing the average capacity for student transportation.

Health and Safety: School Nutrition

- Meal sites continue to support students
- Individually packaged meals when possible
- Meals served in the classroom
- Safety measures in place

Health and Safety: Building Readiness

- All sites checked and ready to open
- Cleanliness and ventilation
- Signage for safe practices
- PPE/Sanitation Stations
- Deep cleaning every Wednesday

Classroom and School-wide Supports

Social Emotional Learning

- Embedded teaching of social emotional skills
- Community building
- Re-introduction to the physical building
- Support staff
- Self care and mental health

Classroom and School-wide Supports

Special Populations

- Students with disabilities
- English language learners
- Newcomers

Classroom and School-wide Supports

Extracurricular Activities

- Athletics
- School Clubs
- Student Groups

Estimated Financial Implications

● Technology purchases	\$26,367,272
● Personal protection equipment and sanitation	\$14,020,222
● Additional staff coverage	\$7,953,659
● Translation, interpretation, advertising, and signage	\$2,500,000
	<u>Total Estimated Cost:</u>
	\$50,841,153

Thank you.

Dr. Keith P. Posley, *Superintendent*
