Complete the Cost Proposal Worksheet as provided by MPS. Service Provider must include all costs it will attempt to charge MPS, including mandatory regulatory fees, allowable taxes, etc. Note that MPS will not pay pass-thrus for which it is exempt, such as Federal Excise and Wisconsin Sales Taxes or non-mandatory pass-thrus such as Regulatory Cost Recovery Fees. Costs for services plus any mandatory regulatory fees and/or allowable taxes must be fully set forth on the Cost Proposal Worksheet such that they are reflected in the total cost. The basis for or the assumptions underlying any mandatory regulatory fees and/or allowable taxes must be fully explained.

Failure to fill this form out completely may result in rejection of the RFP Proposal. If the Cost Proposal Worksheet form is insufficient to fully set forth the Service Provider's total cost, the Service Provider may raise questions using the Communications/Questions process as set forth in Section 5.1.

Spectrum Enterprise Response:

Spectrum Enterprise acknowledges and complies.
