

**REPORT OF THE BOARD'S DELEGATE TO
COOPERATIVE EDUCATIONAL SERVICE AGENCY (CESA) #1**

February 28, 2019

Submitted by Director Terry Falk

CESA #1's Board of Control met briefly on Tuesday, February 19, 2019.

(1) It was reported that, during the previous month, several workshops and visitations had to be restructured, cancelled, or rescheduled because of storms or cold weather.

(2) The Program and Services catalogue for 2019-2020 was approved at the meeting. This included the pricing structure. Because we are in a budget year, we do not know how much money either this CESA or school districts will receive from the state. The hope is for an increase. Programs and services may be adjusted once the state budget is approved.
