Bridget,

DeShanda and I have now met with Diana and shared with her the difficult decision we find ourselves needing to make to not renew our contract with MPS for the upcoming school year set to begin July 1st.

We will be meeting with our SEC team throughout this afternoon to advise them of this decision and to ask for their assistance and support as we bring the current school year to an end and work with MPS on completing a final and complete close out of the current contract.

I appreciate the patience and understanding you and your team have demonstrated over the last month as this decision has been exceptionally difficult given our long-standing commitment to our scholars, families, and our partnership with MPS following our acquisition of SEC in 2012. My Executive Leadership Team and Board of Directors have been an integral part of our decision-making process as we explored efforts to continue this work - and ultimately to this decision to not enter into a contract for the 2024-25 school year.

We will begin informing our key community partners and stakeholders as early as tomorrow of our decision. Notice to our full staff will also be issued once we complete our SEC team member meetings.

If you are available and would like to discuss our decision more directly, I have cleared my schedule for most of tomorrow afternoon and can be reached between noon and 4pm if you would like to give me a call on my cellphone 414-840-1611.

Thank you, Bridget.
