---------	---------	----------------------------	-------------------	----------	------	------	----------

Casa Romero Renewal Center (Contractor) shall conduct Arts Internship - Earn to Learn program. Contractor shall recruit, interview, hire, and provide training, administrative support, and a supervisor for each high school age Arts Intern hired under this contract. Contractor is responsible for paying interns a minimum of \$9.00 per hour for the number of hours outlined in the Contractor's proposal to host interns. Milwaukee Recreation will assist with intern recruitment by distributing information about the program, including descriptions of the available positions, and managing the online application process. Milwaukee Recreation will coordinate one Supervisor Orientation, one intern training

session, a series of intern reflection assignments, and one Final Showcase. These will be facilitated virtually. Contractor shall ensure that each internship: A.Spans a total of at least 40 hours (maximum 400 hours) between June and August, and takes place during after-school, weekends and/or summer hours. B.Provides a minimum of 75% of total hours in direct contact with art media and/or training (a maximum of 25% of hours are allowable for other administrative duties), unless the internship is intentionally planned around arts administration or arts education. C.Addresses the following objectives: 1) Student interns become more prepared for future work experience. 2) Student interns will gain confidence in applying for future jobs. 3) Student interns will learn new skills and abilities in the focus area of their internship. 4) Student interns will gain a deeper understanding of the production and work that goes into completing a work of art or project in the focus area of their inter

---------	---------	------------------------	-------------------	----------	------	------	----------

Darcy Luoma Coaching & Consulting, LLC (DLCC) (Contractor) shall provide the following Twilight Centers Staff Training: -- Team Assessment: The assessment provides the team with a safe space to share their thoughts and concerns. The process starts with gathering information through an online survey tool. Contractor will then prepare a written feedback report outlining the key themes that arose around what is working well with team dynamics as well as what is getting in the way of being high performing. -- Retreat: The results from the assessment will be used to custom-design a full-day retreat. The agenda will allow the team to increase their awareness of what will help them work better together and develop an action plan and
