

REPORT OF THE BOARD'S DELEGATE TO CESA #1

September 27, 2018

Submitted by Director Terry Falk

CESA #1's Board of Control met on Tuesday, September 18, 2018.

A couple of major changes in key staff members have taken place: Brenda Vogds is the new director of the Institute for Individualized Learning. Cindy Rabbitt is the new finance director, who is taking over because of the retirement of her predecessor.

CESA #1's action plan was presented. It will be voted on next month.

I would like to highlight the following school-safety events:

- **School Resource Officers Network.** The network, which meets five times a year, brings together SROs from around the local school districts to learn together, to receive updates, to study case examples, to network to share successes and to solve challenges, and to model and to share district programs.
- **School Psychologist — Counselor Professional Development Series.** Several meetings are scheduled.
- **Trauma-sensitive Schools.** Several programs are scheduled.
- **Crisis Prevention and Intervention.** Several training sessions are scheduled.
- **Creating a Trauma-sensitive School.** Series begins November 12, 2018.
- **DOJ Threat-assessment Training.** January & May, 2019.
- **Restorative Practices.** March 6-7, 2019
- **DOJ Adolescent Mental Health Training.** June & July, 2019

Several other safety programs are scheduled.

Much of the funding for these programs comes from federal and state funds to improve school safety. One of the advantages of these programs for MPS is that we get to connect with our counterparts from suburban school districts in our area.

Other workshops possibilities are:

- Library Media Network
- Wisconsin Standards for Social Studies: The Foundational Work
- Wisconsin Standards for Science Training
