DRAFT Summer 2020 Plans

June Session - Virtual Summer Academy (June 1, 2020 – June 26, 2020)

Area	June Virtual	July Virtual	Original Proposal
Applications	Have an online Smartsheet application that has been approved by the City Attorney. Mail paper applications to homes and available at Grab and Go sites. School counselors to assist with selecting classes for high school students.	Same	Same
Infinite Campus	Register all students, teachers, and courses to 1 site already set-up in IC (site does not have to be the same as the site teachers report to). We will utilize existing 12-month staff for registering/enrolling students.	Register all students, teachers, and courses to 2 sites already set-up in IC. We will utilize existing 12-month staff for registering/ enrolling students.	Hire additional staff to manage applications across multiple sites. Support will be needed to adjust the sections offered at HS site during the first two weeks
Courses Offerings	All virtual courses utilizing Edgenuity online curriculum and Proximity for world languages. Credit recovery and acceleration for high school. Grade 8 - Edgenuity grade 8, semester 2, English and math.	All virtual courses utilizing Edgenuity online curriculum and Proximity for world languages. Credit recovery and acceleration for high school. Grades 6-8 - Edgenuity grade 6-8, semester 2, English and math (Science and Social Studies for grade 8 students that attended in July). Grades K5-5 - Utilize current district online resources and Google classroom lessons that are integrated, and theme based (literacy and math embedded within the themes).	Credit recovery and acceleration for high school. Grade 8 - Edgenuity grade 8, semester 2, English and math. K5-7 - Online Defined Learning curriculum integrated lessons for two-weeks and two weeks of literacy and math integrated within science.

Area	June Virtual	July Virtual	Original Proposal

Staffing	Teachers selected to teach in June given the option to continue in a virtual setting. Offers for some non-teaching positions were withdrawn I.e. Site- coordinators, Para, CHA, Clerical, and Safety. Course offerings and total sections depend on the number of teachers hired with the appropriate licenses and number of students enrolled.	Teachers selected to teach in July given the option to continue in a virtual setting. Offers for some teaching and non-teaching positions were withdrawn I.e. Site-coordinators, Para, CHA, Clerical, and Safety. Course offerings and total sections depend on the number of teachers hired with the appropriate licenses and number of students enrolled.	Course offerings and total sections depend on the number of teachers hired with the appropriate licenses and number of students enrolled. Summer positions are tentative based on funding, student attendance, and sanctioned program continuation
Instruction	Google Classroom and Google Meets used for daily interaction with students. Edgenuity online curriculum and Proximity Learning will also be used. ELL, bilingual, and special education supports can be provided virtually with paras for first language support, ESL teachers, and special education resource teachers along with built in Edgenuity supports.	Google Classroom and Google Meets used for daily interaction with students. Edgenuity online curriculum and Proximity Learning will also be used. ELL, bilingual, and special education supports can be provided virtually with paras for first language support, ESL teachers, and special education resource teachers along with built in Edgenuity supports. Community partners provide virtual field trips	Face-to-Face instruction in grades K5-8. Combination of Face-to-Face instruction and online instruction in grades 9-12. Community partners provide in-class support and field trips.

Area	June Virtual	July Virtual	Original Proposal
Monitoring	Staff report to Golda Meir to teach online each day. Staff can sign-in and maintain proper social distance (assign one or two to a classroom). Lil SIS may be used by summer academy administrators to monitor teacher activity on Google classroom along with Edgenuity reports. Connect summer administrators to classes to check in on what is being posted and followed up on. Administrator monitors staff sign-in for payroll and class activities. 12-month secretaries shifted to site during school hours. One administrator assigned to physical location.	Staff report to Golda Meir and WCLL (overflow if needed) to teach online each day. Staff can sign-in and maintain proper social distance (assign one or two to a classroom). Lil SIS may be used by summer academy administrators to monitor teacher activity on Google classroom along with Edgenuity reports. Connect summer administrators to classes to check in on what is being posted and followed up on. Administrator monitors staff sign-in for payroll and class activities. 12-month secretaries shifted to site during school hours. One administrator assigned to each physical location.	Administrators assigned to each location - 2 HS sites and 18 elementary sites.
Public Relations	Social Media, auto dialer, web page posting of summer information and registration – news feed story on June session.	Social Media, auto dialer, web page posting of summer information and registration – news feed story on July session.	Social Media, auto dialer, webpage posting of summer information and registration – news feed story on June and July session.

Area	June Virtual	July Virtual	Original Proposal
Technology	Teachers will be assigned computers with cameras and microphones with the possibility of headsets if they share rooms. Students will need devices that meet the requirements for Google, Edgenuity, and Proximity. Students sign-out Chromebooks from home school and return them following the summer session.	Teachers will be assigned computers with cameras and microphones with the possibility of headsets if they share rooms. Students will need devices that meet the requirements for Google, Edgenuity, and Proximity. Students sign-out Chromebooks from home school and return them following the summer session.	Use Chromebooks and SmartBoards at each school site.
PD	Train teachers on Edgenuity and Google Classroom and Google Meets IC training on Attendance and Gradebook. Administrators trained on Lil SIS. 8 hours of PD and organization time available.	Train teachers on Edgenuity and Google Classroom and Google Meets IC training on Attendance and Gradebook. Administrators trained on Lil SIS. 8 hours of PD and organization time available.	Edgenuity will provide virtual PD. Additional website videos on Edgenuity web site will provide additional program features and functions. Face to Face instruction K5-8 Combination of Face to Face on online for grades 9-12 8 hours of PD and organization time available.

Area	June Virtual	July Virtual	Original Proposal
Attendance	For students in grades 8-12 that are utilizing the Edgenuity online curriculum, a student completing 5% a day or 25% for the week of the curriculum, would be considered present for the course and would have 100% attendance for that course for that week. If the student does not complete at least 25% of the curriculum, the student would have partial attendance for the week. The summer program will enter daily attendance for the student throughout the week, correcting any entries at the end of the week, depending on percent, rounded to the nearest 5%, of the Edgenuity curriculum was completed. For students not utilizing the Edgenuity curriculum, a student's attendance would be based on teacher contact and/or completed assignments. The student will need to have virtual contact (examples include Google meet, email exchange, phone call) with the teacher in order for the student to be considered present for the day. On days there is no student contact, students would need to complete the specified task(s) or assignment(s) from the teacher to be considered present for that day.
