MPS will base its decision on whether to extend on the following performance metrics to be rated by MPS personnel. A minimum score of 90 points must be met for consideration of any future one-year extensions but a score of 90 does not guarantee any extension.

Performance Metrics	Points
Provision of items within the specified timeframe	25
Quality of items furnished	25
Ability to meet the demand of requests	20
Client satisfaction per survey data	10
Accuracy of invoicing for MPS District orders	10
Reporting of product usage and inventory recommendations	10
Total	100

No work shall commence before a Contractor receives a fully executed Contract and has been given approval to proceed. Any work performed by the Contractor prior to obtaining a fully-executed Contract with approval to proceed shall not be compensated pursuant to this Contract. Any continuation of the Contract beyond this term must be set forth in writing and signed by the authorized signatories of each party.

3. COMPENSATION

Total compensation under this Contract shall not exceed \$400,000.00 in the Initial Term.

MPS reserves the right to determine in its sole discretion whether services have been adequately and fully delivered; to withhold payment until services are fully and adequately delivered; or to disallow a pro rata share of payments for services not fully and adequately delivered.

Milwaukee Public Schools does not pay in advance for services. No payment shall be made until a properly submitted invoice is approved. Invoices shall be submitted to:

Milwaukee Public Schools
ATTN: John Hill
5225 W. Vliet Street
Milwaukee, WI 53208

A properly submitted invoice must include a detailed description of the dates and times worked, and the tasks performed. As a matter of practice, MPS attempts to pay all invoices in 30 days. It is mutually agreed that State Prompt pay law does not apply to this Contract.

Unless otherwise specified, MPS shall not pay invoices submitted more than 60 days after actual work. In the case of grant funding, no payments shall be made after grant close out. Final invoices must be marked as such.

4. NON APPROPRIATION OF FUNDS

This Contract is contingent upon the appropriation of sufficient funds by appropriate MPS officials. If funds are not appropriated, Contractor agrees to take back any commodities furnished under the Contract, terminate any services supplied to MPS under the Contract, and relieve MPS of any further obligations under the Contract.

5. NON-DISCRIMINATION

In the performance of work under this Contract, Contractor shall not discriminate in any way against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, marital status, age (over 40) or sex. This prohibition includes but is not limited to employment; promotions, demotions and transfers; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. Contractor is required to include a similar provision in all subcontracts to this Contract.

If MPS determines Contractor has violated this non-discrimination policy, MPS may terminate this Contract without liability for undelivered services or materials. MPS may also deem the Contractor ineligible to participate in future contracts with MPS.

6. INDEMNITY

Notwithstanding any references to the contrary, Contractor assumes full liability for all of its acts or omissions in the performance of this Contract, as well as the acts or omissions of its subcontractors. Contractor shall indemnify and hold harmless MPS, its agents, officers and employees against all third-party liabilities, losses, judgments, decrees, costs, and expenses that may be claimed against MPS as a result of granting of this Contract to said Contractor, or that may result from the carelessness or neglect of said Contractor, its agents, or employees. If judgment is recovered against MPS in suits of law or equity found by a finding of Contractor's responsibility, including by reason of the carelessness, negligence, or acts or omissions of the Contractor, against such persons, firms or corporations carrying out the provisions of the Contract for the Contractor, the Contractor assumes full liability to the extent of Contractor's responsibility found by the ruling body for such judgment, not only as to any monetary award, but also as to the costs, attorneys fees or other expenses resulting therefrom.

In accordance with applicable laws, MPS shall be responsible for defending and paying judgments on behalf of its officers, employees and agents while acting within the scope of their employment or agency for any claims that may arise out of MPS' negligence for acts, policies, or directives that affect the activities covered by this Contract.

7. BACKGROUND CHECKS

A criminal information background check is required for all persons providing services under this Contract, including volunteers, that: (1) provide services in MPS facility(ies) on a regular and ongoing basis or more than 5 hours per week; and (2) come into contact with or have access to MPS students with or without the presence of an MPS teacher or MPS supervisor.

The purpose of this check is to ensure there is nothing that would render the person(s) unfit to perform services under this Contract where there is contact and or access to MPS students. MPS will, in its sole discretion, determine whether there is anything in a background check that would render a person unfit to work in an MPS facility with contact or access to MPS students. MPS shall perform background checks in the state(s) in which the individual resided for at least 6 months in the last 5 years, and was 18 years old or older at the time.

Contractor may perform its own criminal background checks through the Wisconsin Department of Justice Crime Information Bureau ("CIB"). Contractor shall provide the completed criminal background checks at least 10 days prior to any services being performed pursuant to this Contract.

MPS will perform the necessary background investigation at the rate of \$10.00 per person. In the event Contractor chooses this option, Contractor may contact the Office of Classified Staffing at 475-8157 to obtain the necessary forms. Please note that all forms must be filled out and submitted at least 30 days prior to the commencement of the services.

All background checks must be completed prior to the commencement of services under this Contract. MPS will NOT be responsible for the payment of any services rendered by Contractor before the completion of these criminal information background checks.

8. INSURANCE AND PROOF OF FINANCIAL RESPONSIBILITY

Contractor understands and agrees that financial responsibility for claims or damages to any person, or to Contractor's employees and agents, shall rest with the Contractor. Contractor and its subcontractors shall effect and maintain any insurance coverage, including, but not limited to, Workers' Compensation, Employers' Liability, General Liability, Contractual Liability, Automobile Liability and Umbrella Liability to support such financial obligations. The indemnification obligation, however, shall not be reduced in any way by existence or non-existence, limitation, amount or type of damages, compensation, or benefits payable under Workers' Compensation laws or other insurance provisions.

The minimum limits of insurance required of the Contractor by MPS shall be:

Workers' Compensation	Statutory Limits
Employers' Liability	\$100,000 per occurrence
General Liability	\$1,000,000 per occurrence/\$2,000,000 aggregate
Auto Liability	\$1,000,000 per occurrence
Umbrella (excess) Liability	\$1,000,000 per occurrence

MPS shall be named as an additional insured under Contractor's and subcontractors' general liability insurance and umbrella liability insurance. Evidence of all required insurances of Contractor shall be given to MPS. The certificate of insurance or policies of insurance evidencing all coverages shall include a statement that MPS shall be afforded a thirty (30) day written notice of cancellation or non-renewal by any of Contractor's insurers providing the coverages required by MPS for the duration of this Contract.

9. SHIPPING/TAXES

MPS is exempt from Federal Excise and Wisconsin Sales Taxes. In accordance with the terms of the RFP, the price of all materials purchased pursuant to this Contract shall include delivery FOB to the MPS location receiving the goods and freight must be prepaid. Any freight, shipping, processing, handling or like charges must be part of the unit price and any separate line items for freight, shipping, processing, handling or like charges listed on an invoice will be deleted and not paid.

MPS reserves the right to reject any items that are non-conforming. All return freight charges associated with the rejected materials shall be borne by Contractor.

10. IRREPARABLE HARM

It is mutually agreed the breach of this Contract on Contractor's part shall result in irreparable and continuing damage to MPS for which money damages may not provide adequate relief. Therefore, the breach of this Contract on Contractor's part shall entitle MPS to both preliminary and permanent injunctive relief and money damages insofar as they can be determined under the circumstances.

11. TERMINATION BY CONTRACTOR

Contractor may, at its option, terminate this Contract upon the failure of MPS to pay any amount, which may become due hereunder for a period of sixty (60) days following submission of appropriate billing and supporting documentation. Upon said termination, Contractor shall be paid the compensation due for all services rendered through the date of termination including any retainage.

12. TERMINATION BY MPS - BREACH BY CONTRACTOR

If Contractor fails to fulfill its obligations under this Contract in a timely or proper manner, or violates any of its provisions, MPS shall thereupon have the right to terminate it by giving 30 days written notice before the effective date of termination of the Contract, specifying the alleged violations, and effective date of termination. The Contract shall not be terminated if, upon receipt of the notice, Contractor promptly cures the alleged violation with 10 days. In the event of termination, MPS will only be liable for services rendered through the date of termination and not for the uncompleted portion, or for any materials or services purchased or paid for by Contractor for use in completing the Contract.

13. TERMINATION BY MPS

MPS further reserves the right to terminate this Contract at any time for any reason by giving Contractor written notice by Registered or Certified Mail of such termination. MPS will attempt to give Contractor 30 days notice, but reserves the right to give only as much notice as is reasonably possible given the circumstances. If in the event of said termination, Contractor shall reduce its activities hereunder, as mutually agreed to, upon receipt of said notice. Upon said termination, Contractor shall be paid for all services rendered through the date of termination, including any retainage. This section also applies should the Milwaukee Board of School Directors fail to appropriate additional monies required for the completion of the Contract.

14. INDEPENDENT CONTRACTOR

Contractor agrees and stipulates that in performing this Contract, it is acting as an Independent Contractor, and that no relationship of employer and employee, partnership or joint venture is created by this Contract. Contractor has exclusive control over work hours, location, and other details of such services, and MPS' sole interest is to ensure that said service shall be performed and rendered in a competent, safe, efficient, timely and satisfactory manner in accordance with the terms of this Contract.

Contractor has the sole obligation to provide for and pay any contribution or taxes required by federal, state or local authorities imposed on or measured by income. Contractor specifically covenant not to file any complaint, charge, or claim with any local, state or federal agency or court in which Contractor claims to be or to have been an employee of MPS during the period of time covered by this Contract and that if any such agency or court assumes jurisdiction of any complaint, charge or claim against MPS on Contractor's behalf, Contractor will request such agency or court to dismiss such matter. MPS shall not be charged any obligation or responsibility whatsoever of extending any fringe benefits which may be extended to MPS employees, including any insurance, or pension plans.

Contractor further agrees that MPS is not to be charged with the obligation or responsibility of extending any fringe benefits such as hospital, medical and life insurance, or pension plans which may be extended to employees of MPS from time-to-time and further agree to indemnify and hold harmless MPS and all its employees, officers and agents from any liability for personal injuries, including death, or for damage to or loss of personal property, which might occur as a result of the performance of the services provided for under this Contract.

15. ASSIGNMENT LIMITATION

This Contract shall be binding upon and inure to the benefit of the parties and their successors and assigns; provided, however, that neither party shall assign its obligations hereunder without the prior written consent of the other. Notwithstanding the foregoing, Contractor may assign this Contract to an entity controlled by, controlling or under common control with Contractor without MPS's prior consent.

- C. MPS has a Livable Wage policy that requires anyone having a contract with MPS must pay all of their employees a livable wage in accordance with City of Milwaukee Ordinance 310-13. The current livable wage rate can be found at the City of Milwaukee website <http://city.milwaukee.gov/ImageLibrary/Groups/daoPurchasing/forms/livingWageTable.docx>

17. NOTICES

Notices to either party provided for in this Contract shall be sufficient if sent by Certified or Registered mail, postage prepaid, addressed to the signatories on this Contract, or to their designees.

18. WAIVER

The waiver or failure of either Party to exercise in any respect any rights provided for in this Contract shall not be deemed a waiver of any further right under this Contract.

19. INTEGRATION/SEVERABILITY

This Contract and its addenda, if any, RFP 893 and Contractor's Response to RFP 893 constitute the entire Contract among the Parties with respect to the subject matter hereof and supersede all prior proposals, negotiations, conversations, discussions and Contracts among the Parties concerning the subject matter hereof. The District shall not be bound by any terms and conditions included in of Contractor's packaging, service catalog, brochure, technical data sheet or other document which attempts to impose any conditions at variance with or in addition to the terms and conditions contained herein.

Absent prior written consent of the person listed in Section 3 or his/her designee, Contractor shall not: (1) disclose, publish, or disseminate any information, not a matter of public record, that is received by reason of this Contract, regardless of whether the Contractor is or is not under contract at the time of the disclosure; or (2) disclose, publish, or disseminate any information developed for MPS under this Contract.
