RFP 929 Authorization to Extend Contracts with Three Contractors for Tier 2 and Tier 3 Interventions

The Administration is requesting authorization to extend contracts with Pearson Education, Inc. NCS Pearson, Inc., and Achieve 3000, Inc., to continue to provide evidence-based interventions for Tier 2 and Tier 3 instruction for students in grades K5 through 12 as part of its Response to Intervention (Rtl).

Students need to have access to Tier 2 and 3 interventions. The District also needs to provide a second level of intervention if the student does not respond after increased intensity and individualization of the initial intervention. These contracts will help MPS provide interventions in the below mentioned areas for the first time and will help provide a different intervention for students that do not successfully respond to their initial intervention.

The interventions will support English written expression (language and physical mechanics of writing) – for both students in need of support and acceleration - for students in grades 4 through 12 (NCS Pearson, Inc.), English reading comprehension for students in grades K5 through 3 (Achieve 3000, Inc.), and English language learners for language acquisition for students in grades 3 through 12 (Pearson Education, Inc.).

These contractors were chosen pursuant to RFP 929. Each original contract provided for two one-year options to extend if certain performance metrics were met. Each contractor met the performance metrics codified in its contract; therefore, MPS is exercising the first option year for the contracts.

These contract extensions will each run from May 1, 2018 through April 30, 2019. The total cost of the Pearson Education, Inc., contract in this extension year will not exceed \$210,000. The total cost of the NCS Pearson, Inc., contract in this extension year will not exceed \$149,625. The total cost of the Achieve 3000, Inc., contract in this extension year will not exceed \$174,000.

RFP 950 Authorization to Extend a Contract with Houghton Mifflin Harcourt Publishing Company for a Universal Screener for Gifted and Talented Students

The Administration is requesting authorization to extend a contract with Houghton Mifflin Harcourt Publishing Company (“HMH”) for a universal screener for gifted and talented students. HMH will deliver the “CogAT” screener to identify gifted and talented students in second grade within the District.
