Dear Ms. Schock:

We are writing under section I.N (Facilities) of the Charter School Contract between the Milwaukee Board of School Directors (the “Board”) and Hmong American Peace Academy, Ltd. (“HAPA”) and dated June 28, 2018 (the “Contract”). This letter serves as notice to the Board of the relocation of several grades from HAPA’s primary campus at 4601 North 84th Street in Milwaukee to a supporting campus at 8200 West Denver Avenue in Milwaukee for the upcoming 2019-2020 school year. For purposes of clarification, this is a partial relocation to a supporting campus only, and is not a relocation of HAPA from its primary campus.

HAPA will ensure that the Denver Avenue facility meets all of the safety codes and standards required by the Contract, including the requirement of a City of Milwaukee occupancy permit, in accordance with applicable timelines. We also invite you and your staff to view Denver Avenue facility to ensure that it meets all applicable standards and requirements.

We sincerely appreciate your time and efforts relative to our partial relocation. Your efforts and professionalism have been an integral part of HAPA’s continued growth and success, and we look forward to working with you and your staff.

We will provide additional information as the partial relocation progresses. In the interim, if you have any questions, please do not hesitate to contact me. Thank you.

Forever Forward,

Chris Her-Xiong
Founder/Executive Director
