Charter School shall, at a minimum, follow the same promotion and graduation measures as all MPS non-contracted schools. Charter School shall issue diplomas consistent with the attainment of the graduation measures as identified in Appendix A. Charter School explicitly agrees to comply with the accountability and assessment provisions in accordance with state and federal Adequate Yearly Progress (AYP) requirements as contained in No Child Left Behind Act, 20 U.S.C. § 6301 *et seq.*, as they are made applicable to MPS Charter School.

If Charter School chooses to implement an assessment plan that includes unique local learning or performance standards and additional assessments to measure pupil achievement, the standards must be measurable and assessed annually and the assessment results must indicate if a pupil Meets or Does Not Meet the standard(s). In addition, Charter School shall document the growth and trend data for pupil performance as related to the standard(s). Charter School's decision to implement unique standards and assessments shall not affect Charter School's obligation to comply with the Wisconsin Model Academic Standards, the Common Core Standards, federal, state, and district assessment measures.

Charter School may: (1) define the local curricular, learning or performance goals and the methods employed for determining pupil growth at Charter School; (2) establish a method for determining the baseline of pupil performance against which pupil achievement and growth will be measured; and (3) define the method for determining whether or not these goals have been met. Charter School may report all such data regarding local performance indicators in their annual pupil academic achievement report.

Charter School shall annually administer at each grade level all State assessments following the State guidelines.

Charter School shall annually administer the Wisconsin Knowledge and Concepts Exam – Criterion Referenced Test (WKCE-CRT) as well as the Wisconsin Alternate Assessment (WAA) for eligible students with special needs and for eligible English Language Learners (ELLs) in the same manner, time frame, and at the same grade levels as the MPS non-contracted schools.

Charter School shall, at a minimum, report the results of mandated assessments in the same format as MPS non-contracted schools. Assessments shall be administered and reported in

accordance with the MPS Annual Assessment Calendar attached hereto as Appendix C and incorporated herein by reference for each school year of this Contract.

All pupils will be included in the assessment process, with reasonable accommodations for pupils being made if necessary. Charter School shall include children with disabilities and ELLs in all federal, state, district, and local educational assessments, with appropriate modifications where necessary, or in alternative assessments for those children who cannot participate in federal, statewide, district-wide or required local educational agency-wide assessments.

Charter School shall pay all costs associated with assessments administered to Charter School's pupils. Such costs shall not exceed the rate paid for such assessments administered by non-contracted MPS schools. The only exception to this obligation to pay for costs is for federal or state-required tests that are supplied at no cost to public schools.

Charter School shall develop and submit an annual pupil academic achievement report to MPS within 30 days of the receipt of the data. Such academic achievement report shall, at a minimum, include all related school assessment data, in the format provided by MPS, for each of the following applicable performance criteria. Criteria 1, 2, and 3 shall be required only for early childhood only schools.

1. Achieve a percentage of pupils in Charter School scoring proficient or advanced on the District's early literacy reading assessment that is the same as, or higher than, the percentage of pupils scoring proficient or advanced in corresponding grades (five-year-old kindergarten, grade one, and grade two) in all MPS schools as recorded on the Student Promotion System (SPS); and
2. Achieve a percentage of pupils in Charter School scoring proficient or advanced on the District's early literacy writing assessment that is the same as, or higher than, the percentage of pupils scoring proficient or advanced in corresponding grades (five-year-old kindergarten, grade one, and grade two) in all MPS schools as recorded on SPS; and

6. Achieve a percentage of pupils in Charter School scoring proficient or advanced on the Wisconsin Knowledge and Concepts Exam - Criterion Referenced Test (WKCE-CRT) in science that is the same as, or higher than, the percentage of pupils scoring proficient or advanced in corresponding grades in all MPS schools; and
7. Achieve a percentage of pupils in Charter School scoring proficient or advanced on the Wisconsin Knowledge and Concepts Exam - Criterion Referenced Test (WKCE-CRT) in social studies that is the same as, or higher than, the percentage of pupils scoring proficient or advanced in corresponding grades in all MPS schools; and
8. Demonstrate achievement growth using the MPS value-added data in reading and mathematics that is greater than, or equal to, the district-wide average pupil growth for pupils in corresponding grades in all MPS schools.

Listed above are 8 criteria. Some of the performance criteria listed above may not apply to Charter School because of the grade levels of the students served at Charter School. Charter School pupils shall be deemed by the Board to have made sufficient progress toward attaining the educational goals under Wis. Stat. § 118.01, or the academic performance criteria established by the Board, if Charter School meets at least 75% of the applicable performance items listed above that apply to Charter School.

#### **A. Term.**

The term of this Contract is five school year(s) commencing with the 2015-2016 school year and ending on the last regularly scheduled school day of the 2019-2020 school year. This Contract is contingent upon the approval of the Board. This Contract shall become effective upon approval by the Board and execution by all appropriate persons.

This Contract is contingent upon annual appropriation of appropriate funds for the performance of this Contract. In the event the Board fails to appropriate funds for the continued performance of this Contract, this Contract shall become void.

#### **B. Modification.**

This Contract represents the entire agreement between the parties. This contract may be modified upon mutual agreements between the parties reduced to writing. If either party wishes to modify any of the terms of this Contract, that party shall put the proposed modification in writing and submit it to the other party.

If, in the judgment of MPS, the proposed modification made by either the Charter School or the Board is not a significant change to this Contract, MPS is authorized to act on behalf of the Board. If, however, the MPS Office of Contracted School Services determines that the proposed modification is a significant change to this Contract, then any such proposed modification shall be presented to the Board for action.

Both parties agree to negotiate in good faith regarding proposed modifications to the updated language in the negotiated and approved model contract and neither party shall withhold its approval unreasonably. In the event Charter School and the Board are unable to come to an agreement with respect to the modifications of contract provisions, which are proposed due to updated language in the mutually agreed upon model contract, the Board has the authority to declare this Contract terminated in accordance with the provisions of paragraph III.C.6. The Board shall not exercise this authority unreasonably.

#### **C. Termination.**

This Contract may be terminated before expiration of its term upon any of the following grounds:

BY BOTH PARTIES:

1. Both parties agree in writing to the termination.

BY BOARD:

2. Board determines that Charter School violated this Contract; or

3. Board determines that pupils enrolled in Charter School have failed to make sufficient progress toward attaining the educational goals under Wis. Stat. § 118.01 or the academic performance criteria established by the Board; or
4. Board determines that Charter School has failed to comply with state and federal guidelines and with generally accepted accounting principles and standards, including applicable categorical and/or grant guidelines, financial standards; or
5. Board determines that Charter School has violated Wis. Stat. § 118.40; or
6. Board determines that Charter School does not agree to modifications and/or amendments based on a revised model contract as required by the Board to this Contract.

BY CHARTER SCHOOL:

7. Charter School has become insolvent or has been adjudged bankrupt.

If this Contract is terminated under the first ground (because both parties agree in writing to the termination) the termination shall become effective on a date agreed to by the parties. If this Contract is terminated under the second through sixth grounds (because of a determination on the part of the Board) the termination of this Contract shall not become effective until, at a minimum, 30 days, in which notice of termination is given, unless, in the discretion of the Board, termination should become effective sooner.

MPS shall report and may recommend to the Board that this Contract be terminated under the third ground (because pupils have failed to make sufficient progress) if Charter School fails to meet at least 75% of the following performance criteria that apply to Charter School as detailed herein at Section I.E. on pages 5 and 6

Failure to meet criteria 9, 10 or 11 as detailed in Section I.E. on page 6 of this Contract, alone shall not be grounds for termination of this Contract, but Charter School shall comply with any inquiries made by MPS in an effort to determine the cause of Charter School's failure to meet these criteria.

Failure on the part of the Board to exercise its right to terminate this Contract under any ground listed above shall not be deemed to constitute an amendment to the terms of this Contract or to constitute a waiver of the right of the Board to terminate this Contract at a later date under that ground.

In the event of termination of this Contract, advance written notice by certified or registered mail, return receipt requested, shall be provided which shall list the reason(s) for termination and the effective date of the termination. Upon termination of this Contract, MPS shall recover funds advanced to Charter School under this Contract to which Charter School is not entitled. Charter School shall update all student record and transcript information and provide MPS with cumulative records and reports. The decision of the Board shall be final.

**D. Legal status upon termination.**

Upon revocation of this Contract, all legal associations between the Board and Charter School shall be severed.

In the event of termination of this Contract, MPS shall be entitled to be reimbursed for any and all funds advanced to Charter School under this Contract to which Charter School is not entitled. The decision of the Board regarding the amount to be reimbursed shall be final.

**IV. CONTRACT ADMINISTRATION, NOTICE AND PROVIDING OF INFORMATION**

Unless specified otherwise in this Contract, any acts of discretion including, but not limited to, any approval required under this Contract or determination to terminate this Contract, are to be made by the MPS Board of School Directors.
