12. ENVIRONMENTAL POLLUTANTS: (a) Lessee shall not (either with or without negligence) cause or permit the escape, unlawful disposal or release beyond lawful limits of any Hazardous Materials (as hereinafter defined). (b) Lessee shall develop and implement a safety plan for all chemicals Lessee may bring on to the Property. As part of the plan, Lessee agrees to develop and maintain an inventory of all chemicals stored on site, and a complete file of Material Safety Data Sheets pertaining thereof. Prior to occupancy, a completed plan must be codified and fully implemented. Lessee agrees to submit to MPS a complete copy of the safety plan. MPS reserves the right to exclude from the site chemicals which are deemed to be detrimental to the welfare of the occupants.

(c) If any governmental agency shall ever, in its reasonable discretion, require testing to ascertain whether or not there has been any release of Hazardous Materials by Lessee, then all of the reasonable costs thereof shall be reimbursed by the Lessee to the Board upon demand. Lessee shall execute affidavits, representations and the like from time to time at

Board's request concerning Lessee's best knowledge and belief regarding the presence of Hazardous Materials on the Premises.

(d) Lessee shall unconditionally indemnify and hold harmless the Board, its officers, employees, agents, successors, and assigns from and against any and all losses, claims, damages, penalties, liabilities, costs, and expenses, (including reasonable attorneys' fees and court costs), fines, injuries, penalties, response costs (including the cost of any required or necessary investigation, testing, monitoring, repair cleanup detoxification, preparation of any closure or other required plans, or other removal, response or remedial action at or relating to the Property) (collectively, the "Claims and Costs"), with respect to, as a direct or indirect result of, or arising out of any of the following: (i) any legal requirements, lawsuit (brought or threatened), reasonable settlement, or requirement of any insurer, relating to the generation, presence, management, disposal, release (or threatened release), escape, seepage, leakage, or cleanup of any Hazardous Materials at, on, from or under all or a portion of the Leased Premises for which the Lessee, its agents, contractors, or invitees are responsible, or (ii) the migration of Hazardous Materials caused by Lessee from the Leased premises to any other property or onto the school property, of (iii) the treatment, disposal or storage of Hazardous Materials or the transportation of Hazardous Materials from the Leased Premises by Lessee, its agents, contractor or invitees; or (iv) the incorporation by the Center of any Hazardous Materials in the Leased Premises.

(e) The foregoing indemnification shall survive the expiration or earlier termination of this Lease.

13. ALTERATIONS: Lessee shall make no alterations to said premises. Should the Lessee desire changes to the facility all such work will either; (a) be designed and completed by the Board on a reimbursed basis; or (b) be designed and completed by Lessee in accordance with the Board's guide specs, after Lessee receives the Board's prior written approval. Lessee shall be allowed to provide interior signage for installation by the Board. Installation of exterior signage will not be allowed except that Lessee shall be allowed to place a decal or similar signage on the downstairs outside door. Lessee agrees to provide the Board with a copy of such signage for approval. Lessee shall be responsible for obtaining any required approvals from the City of Milwaukee for such signage. At the end of the expiration of the term, the Board may at its discretion direct the Lessee to return the premises to the condition prior to occupancy. All such changes will be at the Lessee's expense. All other alterations to said premises shall remain for the benefit of the Board.

14. REPAIRS AND VANDALISM: The Board shall take good care of the premises and, at its own cost and expense, make all repairs thereto, including structural repairs or replacements unless the need therefore was caused by the Lessee, the Lessee's agents, employees, contractors, students, invitees or licensees, in which case the Lessee would reimburse the Board for such repairs. At the end of the expiration of the term, Lessee shall deliver up the premises in good order, reasonable wear and tear excepted. General maintenance of building will be the responsibility of the Board. The Board will not be responsible for the maintenance or repair of any improvements installed or caused to be installed by the Lessee.

The Lessee shall be responsible for cost of repairs for any vandalism that occurs on the premises.
