Parent Coordinators

Phase One Essentials

- Align district goals with relevant activities to support families
- Communicate updates and concerns
- Host virtual family meetings
- Technology support and safety protocols
- Contact students who are not engaged or have attendance issues

District Advisory Council (DAC)

The purpose of the DAC is to assist in improving educational programs for the children in MPS by doing the following:

- Provide opportunities for families to serve as leaders
- Offer input on current issues facing MPS
- Inform families and the community about policies and practices at MPS
- FACE team support for the DAC
