2008 Enterprise Banking Services Contract

This 2008 Enterprise Banking Services Contract (the "Contract") is made and entered into as of the 1st day of July, 2008, by and among the State of Wisconsin Depository Selection Board (the "Board"), and U.S. Bank National Association (the "Contractor").

Whereas, the Board, on behalf of the State of Wisconsin and its departments and agencies (collectively, the "State"), has requested official sealed proposals pursuant to Request for Proposal for Enterprise Banking Services #27889-CE (the "RFP"); and

Whereas the Contractor, on behalf of itself and its wholly owned subsidiary, Elavon, Inc., has submitted its proposal dated November 7, 2007 (the "Proposal"); and

Whereas, the Board has determined that the Contractor's Proposal received the highest score from the evaluation committee,

Now, therefore, in consideration of the mutual covenants contained herein, the parties mutually agree as follows:

A.   **Incorporation by Reference.** The RFP (including all appendices, exhibits and addendums), the Proposal, and the U.S. Bank Additional Terms and Conditions (consisting of (i) U.S. Bank Treasury Management Terms and Conditions, (ii) Elavon's Terms of Service, (iii) Elavon's Bill Payment Addendum to the Terms of Service, and (iii) Elavon's PIN-Based, Online Debit Card Addendum to the Terms of Service) are hereby incorporated herein by reference as if they were set forth in full herein and are hereby made a part of this Contract. In the event of any conflict among the provisions of the Proposal as accepted by the Board, the RFP, the U.S. Bank Additional Terms and Conditions and this Contract, the provisions of this Contract govern those of the RFP, the Proposal as accepted by the Board and the U.S. Bank Additional Terms and Conditions; the provisions of the U.S. Bank Additional Terms and Conditions control the Proposal and the RFP, and the provisions of the Proposal as accepted by the Board govern those of the RFP. The enterprise banking services described in the RFP and the Proposal are hereafter referred to as the "Services" and includes the Merchant Acquiring and Card Transaction Processing Services described in the RFP and the Proposal, which are hereafter referred to as the "Merchant Services."

B.   **Term.** This Contract shall commence on July 1, 2008, and shall continue, unless terminated sooner by the Board or the Contractor, until June 30, 2014. In addition, the Depository Selection Board may, at its discretion, extend the Contract for two (2) additional two (2) year terms until June 30, 2016, and June 30, 2018, respectively.

C.   **Termination.** The Board may terminate this Contract at any time in its sole discretion by delivering at least 180 days written notice to the Contractor. Upon termination, the Board's liability shall be limited to the pro rata cost of the services performed as of the date of termination. For Merchant Services, the Board remains liable for all chargebacks, returns, adjustments, fees, fines and penalties occurring post-termination related to Transactions processed prior to termination. The Contractor may terminate this Contract at any time in its sole discretion by delivering at least 24 months written notice to the Board except that for Merchant Services, the Contractor may terminate such Merchant Services as set forth in Elavon's Terms of Service. Upon such termination, the Contractor shall refund to the Board, within 30 days of such termination, all payments made hereunder by the Board to the Contractor for work not completed or not accepted by the Board.

D.   **Cancellation.** The Board reserves the right to cancel this Contract in whole or in part without penalty due to nonappropriation of funds by the State or for failure of the Contractor to comply with the terms, conditions, and specifications of this Contract (subject to the progressive contract administration actions outlined in Section 13.3 of the RFP). For Merchant Services, the Board may

cancel the Merchant Services portion of the Contract in accordance with Section B(15)(b) of Elavon's Terms of Service.

E. **Subletting or Assignment of Contract, Intermediaries.** The State must approve in writing, any subcontractor that will perform services under this Contract. In addition, the Contractor shall remove a subcontractor from performing services under this Contract if the subcontractor has been placed on the ineligible list for state contracts per sec. 16.765 (8) Wis. Stats. The Contractor shall promptly notify the Contract Administrators in the event it intends to change the intermediaries, subcontractors or payment systems used in providing the services under this Contract. In no event will any subcontractor of Contractor, as of the date hereof and in the future, be knowingly debarred from providing services to the Board. Notwithstanding anything to the contrary herein, this section E shall not apply to subcontractors, if any, which Contractor may have already contracted with to provide certain operational aspects of banking services or Merchant Services to all its customers, nor does it apply to those Merchant Services provided by Contractor's wholly-owned subsidiary, Elavon, Inc. The Contractor and the State shall determine a mutually acceptable lead-time that is sufficient for the State to complete any work necessary to implement the change. Contractor may provide any Service using any payment system or intermediary it reasonably selects. The Contractor's performance of Services is subject to the rules and regulations of any such system or organization. The State shall comply with all laws, rules and regulations in connection with said Services. The State may choose Services to which the rules of the National Automated Clearing House Association (NACHA) are applicable. The State agrees to be bound by such rules, and agrees that no entries which violate United States law may be initiated.

F. **Additional Services and Pricing.** The Contractor shall not charge for services not identified in the Cost Proposal Worksheet provided in response to Section 12.2 of the RFP, and the additional cost items listed in Appendix 3 of this Contract. The Board reserves the right to negotiate with the Contractor reasonable fees for services that did not exist at the time of the awarding of the Contract. Upon failure to arrive at a negotiated fee schedule for these services that is satisfactory to both parties, the State may, at its option, contract for them separately.

G. **Service Quality.** The State shall continually monitor the quality of the Services delivered under this Contract. State agencies shall be instructed to report all service delivery problems to the Contract Administrator. In addition, the Contractor shall immediately report service delivery problems, including delays in lockbox processing, to the Contract Administrators and to the effected state agencies. The State shall promptly notify the Contractor in writing of any error in connection with any Service and any discrepancies between any records maintained by the State and any notice the State receives from the Contractor with respect to any Service, and shall provide the Contractor with any information it may reasonably request in connection therewith.

H. **Visits to the Contractor.** The Board or any one or more of the persons who serve as its staff or advise it shall have the right to, upon 24 hours advance notice, visit the Contractor at any time to observe and inspect the operations in providing service under this Contract. With respect to Merchant Services, any visits to Contractor must occur within normal business hours, with ten days advance written notice, at the Board's expense, and in compliance with Contractor's security procedures.

I. **Legislative Audit Bureau or Outside Auditors.** The Contractor shall cooperate with and, upon 24 hours advance notice, make space available for auditors from the Wisconsin Legislative Audit Bureau, federal agencies or any outside auditors employed by the Board. For Merchant Services, Contractor will, with at least ten days prior written notice, at the Board's expense, and in compliance with Contractor's security procedures, supply the Board with records and information pertaining to Transactions processed under the Contract.

J. **Computer Programs and Other Software.** All computer programs and other software which are developed by the Contractor solely for the operations contemplated under this Contract shall belong to and upon request shall be delivered both in written and electronic form to the State 24 months prior to the termination of this Contract (except for Merchant Services, as no computer programs or software will be developed solely for use by the State). The Contractor shall provide to the State upon

request all lockbox procedures and related documentation. If the Contractor is not awarded the next Enterprise Banking Services Contract, it shall reasonably assist the State and the successor throughout the conversion process. If any Service requires equipment or software to be operated by the State, the provision of the Service by Contractor shall be conditional on the proper use and maintenance of such equipment or software by the State. If the Contractor supplies equipment or software (other than software developed solely for the State), the Contractor shall remain the owner of such equipment or software, and the State shall insure it, use it solely in the manner specified by the Contractor and in connection with the relevant Service, not remove or modify any name or identifying mark on it, and return it to the Contractor upon termination of the Service.

       K.   **Contract Administration.** The Wisconsin Department of Administration - State Controller's Office shall oversee the contract administration for day to day operational issues and overall performance. The initial Contract Administrator for the Wisconsin Department of Administration - State Controller's Office shall be Jeff Anderson, Asset Management Supervisor. The initial Contract Administrator for the Contractor shall be James Spredemann, Vice President and Relationship Manager. The Contract Administrator for Merchant Services issues will be Janet Swanson, Client Executive.

       L.   **Indemnification and Hold Harmless.** The Contractor shall indemnify and hold harmless the State and all of its officers, agents, and employees from all suits, actions, or claims of any character brought for or on account of any injuries received by any person or property resulting from the negligent or willful operations of the Contractor or of any of its employees or agents in performing work under this Contract, except to the extent such suit, action or claim is caused by the negligence or willful misconduct of the State, its officers, employees or agents. For Merchant Services, Contractor's indemnification is limited to those suits, actions or claims resulting from the negligent or willful operations of the Contractor.

       M.   **Standard of Care, Limitation of Liability.** Contractor shall exercise ordinary care in providing Services and will be responsible for any loss sustained by the State only to the extent such loss is caused by Contractor's negligence or misconduct. The Contractor and the State acknowledge that damages may be incurred by the State due to nonperformance of Contract specifications. In no event shall the Contractor be responsible for any liability, loss or damage resulting from any delay in or failure of performance which is caused by any act of God or other catastrophe beyond the reasonable control of the Contractor. Notwithstanding the foregoing, with respect to Merchant Services, Contractor will not be responsible for any alleged damage due to additional costs to procure alternate Merchant Services, and further the provisions of Section B(8)(c) of Elavon's Terms of Service apply.

       N.   **Security Procedures and Communications.** Commercially reasonable procedures, including the use of identification codes, encryption, passwords, logon identifications, personal or location identification numbers, repetitive codes, tokens (including SecurID® Tokens) and other security devices, systems and software (the "Security Procedures"), designed to verify the origination (but not errors in transmission or content) of instructions, orders and other communications (each, a "Communication") sent by the Contractor and the State may be used in connection with Services. Contractor must provide commercially reasonable security measures. The Contractor shall not be obligated to act on a Communication not transmitted in accordance with the Security Procedures and may refuse to act on any Communication where the Contractor reasonably doubts its authorization, contents, origination or compliance with the Security Procedures. The Contractor shall have no duty to discover, and shall not be liable for, errors or omissions by the State. If Contractor complies with the Security Procedures in respect of a Communication, Contractor shall be entitled to act on that Communication and shall not be obligated to verify the content of such Communication, establish the identity of the person giving it, or await any confirmation thereof, and Contractor shall not be liable for acting on, any Communication sent in the name of State. Contractor reserves the right to issue new Security Procedures and/or to cancel or change any Security Procedures from time to time. Whenever the Security Procedures include the assuming by State of any confidential password, logon identification, identification code, personal or location identification number, repetitive code, token or similar security device, State shall not disclose such security device except to employees or agents authorized to act for State in connection with Services to the extent allowed by law. State shall implement such safeguards as are reasonably necessary to ensure the confidentiality and integrity of such Security devices, and shall immediately notify

Contractor if the confidentiality or integrity of any such security device is breached or threatened. The State shall be solely responsible for the safekeeping of such security devices and assumes all risk of accidental disclosure or inadvertent use of such security devices by any party whatsoever, whether such disclosure or use is on account of the State's negligence or deliberate acts or otherwise, Contractor shall not be liable for any loss or damage resulting from fraudulent, unauthorized or otherwise improper use of any security devices by the State.

      O.   **Severability and Headings.** If any provision of this Contract shall be found to be in violation of law, such provisions shall be considered to be a separate part of this Contract and shall be considered deleted, and the remainder of this Contract shall remain in full force and effect during the entire term of this Contract. Headings in this Contract are not to be considered a part of this Contract but are placed herein only for the convenience of the reader.

      P.   **Code of Ethics.** The Contractor shall not engage directly or indirectly in any financial or other transaction with any state official or employee which would violate the Wisconsin Code of Ethics for Public Officials and Employees, as set forth in Subchapter III of Chapter 19 of the Wisconsin Statutes, or Chapter ER-MRS 24 of the Wisconsin Administrative Code. The Contractor shall not offer any state officers or employees access to luxury boxes, corporate tents, special seating at sporting, concert or other entertainment events, or any other thing of value.

      Q.   **Dispute Resolution.** In the event that Contractor fails to provide the Services in material accordance with the Contract, the following escalation procedures shall be followed:

1. Contractor shall be immediately informed of the problem and shall contact the Board representative via telephone no later than five (5) business days after notification of the problem to discuss the resolution of the matter in dispute; and

Further the Board representative may request a meeting at the Board's offices between the Board representative and such next level executive of Contractor in five (5) business day(s) from receipt of such request to resolve the problem.

APPENDIX 1: PRIVACY AND CONFIDENTIAL INFORMATION

Definitions

"Confidential Information" means all tangible and intangible information and materials, including all Personally Identifiable Information, being disclosed in connection with this Agreement, in any form or medium (and without regard to whether the information is owned by the State or by a third party), that satisfy at least one of the following criteria: (i) Personally Identifiable Information; (ii) non-public information related to the State's employees, customers, technology (including data bases, data processing and communications networking systems), schematics, specifications, and all information or materials derived therefrom or based thereon; or (iii) information designated as confidential in writing by the State.

"*Personally Identifiable Information*" means an individual's last name and the individual's first name or first initial, in combination with and linked to any of the following elements, if the element is not publicly available information and is not encrypted, redacted, or altered in any manner that renders the element unreadable: (a) the individual's Social Security number; (b) the individual's driver's license number or state identification number; (c) the individual's date of birth; (d) the number of the individual's financial account, including a credit or debit card account number, or any security code, access code, or password that would permit access to the individual's financial account; (e) the individual's DNA profile; or (f) the individual's unique biometric data, including fingerprint, voice print, retina or iris image, or any other unique physical characteristic.

"Corrective Action Plan" means a plan communicated by the State to the Contractor for the Contractor to follow in the event of any threatened or actual use or disclosure of any Confidential Information that is not specifically authorized by this Agreement, or in the event that any Confidential Information is lost or cannot be accounted for by the Contractor.

Duty of Non-Disclosure and Security Precautions

Contractor shall not use Confidential Information for any purpose other than the limited purposes set forth in the Agreement. Contractor shall hold the Confidential Information in confidence, and shall not disclose such Confidential Information to any persons other than those directors, officers, employees, and agents (*"Representatives"*) who have a business-related need to have access to such Confidential Information in furtherance of the limited purposes of this Agreement and who have been apprised of, and agree to maintain, the confidential nature of such information in accordance with the terms of this Agreement. Contractor shall be responsible for the breach of this Agreement by any of its Representatives.

Contractor shall institute and/or maintain such procedures as are reasonably required to maintain the confidentiality of the Confidential Information, and shall apply the same level of care as it employs to protect its own confidential information of like nature.

Contractor shall ensure that all indications of confidentiality contained on or included in any item of Confidential Information shall be reproduced by Contractor on any reproduction, modification, or translation of such Confidential Information. If requested by the State, Contractor shall make a reasonable effort to add a proprietary notice or indication of confidentiality to any tangible materials within its possession that contain Confidential Information of the State, as directed.

If requested by the State, Contractor shall return or destroy all Personally Identifiable Information it holds upon termination of this Agreement.

Limitations on Obligations

The obligations of confidentiality assumed by Contractor pursuant to this Agreement shall not apply to the extent Contractor can demonstrate that such information:

(i)	is part of the public domain without any breach of this Agreement by Contractor;
(ii)	is or becomes generally known on a non-confidential basis, through no wrongful act of Contractor;
(iii)	was known by Contractor prior to disclosure hereunder without any obligation to keep it confidential;
(iv)	was disclosed to it by a third party which, to the best of Contractor's knowledge, is not required to maintain its confidentiality;
(v)	was independently developed by Contractor; or
(vi)	is the subject of a written agreement whereby the State consents to the disclosure of such Confidential Information by Contractor on a non-confidential basis.

Legal Disclosure

If Contractor or any of its Representatives shall be under a legal obligation in any administrative, regulatory or judicial circumstance to disclose any Confidential Information, Contractor shall give the State prompt notice thereof (unless it has a legal obligation to the contrary) so that the State may seek a protective order or other appropriate remedy. In the event that such protective order is not obtained, Contractor and its Representatives shall furnish only that portion of the information that is legally required and shall disclose the Confidential Information in a manner reasonably designed to preserve its confidential nature.

Unauthorized Use, Disclosure, or Loss

If Contractor becomes aware of any threatened or actual use or disclosure of any Confidential Information that is not specifically authorized by this Agreement, or if any Confidential Information is lost or cannot be accounted for, Contractor shall notify the State's (Contract Manager/Contact-Liaison/Privacy Officer) within the same business day the Contractor becomes aware of such use, disclosure, or loss. Such notice shall include, to the best of the Contractor's knowledge at that time, the persons affected, their identities, and the Confidential Information disclosed.

The Contractor shall take immediate steps to mitigate any harmful effects of the unauthorized use, disclosure, or loss. The Contractor shall reasonably cooperate with the State's efforts to seek appropriate injunctive relief or otherwise prevent or curtail such threatened or actual breach, or to recover its Confidential Information, including complying with a reasonable Corrective Action Plan.

If the unauthorized use, disclosure, or loss is of Personally Identifiable Information, or reasonably could otherwise identify individuals, Contractor shall, at its own cost, take such narrowly-tailored measures as may be reasonably directed by the State as part of a Corrective Action Plan, which may include notice and support, including credit monitoring, customer service hotlines, or other reasonable measures, to affected individuals in order to limit their exposure to loss, and to restore their credit rating.

Equitable Relief; Indemnification

Indemnification: In the event of a breach of this Section by Contractor, Contractor shall indemnify and hold harmless the State of Wisconsin and any of its officers, employees, or agents from any claims arising from the acts or omissions of the Contractor, and its subcontractors, employees and agents, in violation of this Section, including but not limited to costs of monitoring the credit of all persons whose Confidential Information was disclosed, disallowances or penalties from

federal oversight agencies, and any court costs, expenses, and reasonable attorney fees, incurred by the State in the enforcement of this Section.

Equitable Relief: The Contractor acknowledges and agrees that the unauthorized use, disclosure, or loss of Confidential Information may cause immediate and irreparable injury to the individuals whose information is disclosed and to the State, which injury will not be compensable by money damages and for which there is not an adequate remedy available at law. Accordingly, the parties specifically agree that the State, on its own behalf or on behalf of the affected individuals, may seek injunctive or other equitable relief to prevent or curtail any such breach, threatened or actual, without posting security and without prejudice to such other rights as may be available under this Agreement or under applicable law.

Compliance Reviews

The State may conduct a compliance review of the Contractor's security procedures to protect Confidential Information under Section I of this Agreement.

Survival

This Section shall survive the termination of the Agreement.

Application to Merchant Services

Notwithstanding any of the foregoing, with respect to Merchant Services (defined as the Merchant Acquiring and Card Transaction Processing Services described in the RFP and the Proposal), the State and each Participating Merchant agrees that it will not supply Contractor with Personally Identifiable Information in conjunction with Transaction processing. Therefore, in the event of a threatened or actual use or disclosure of any Confidential Information pertaining to Merchant Services, which disclosure is not authorized by the Agreement including the Elavon Terms of Service, Contractor's only obligation will be to notify the Payment Networks in accordance with the Payment Network Regulations.

For the E-Payment services, Contractor agrees that it will remain responsible for protecting Personally Identifiable Information to the extent such information is received through the E-Payment system.

Amendment Addressing Immediate Payment of a Fixed Amount by Contractor Following Contractor's Unauthorized Use or Disclosure of Confidential Information

The parties further agree to negotiate, within sixty (60) calendar days of the Effective Date of this Contract, a reasonable sum made payable by Contractor immediately following any unauthorized use or disclosure of Confidential Information by Contractor. Such agreed-upon amount (if any) shall be reduced to writing and attached to this Contract as an addendum. Failure to reach a mutually satisfactory agreement on this fixed amount within sixty [60] calendar days shall render this Contract void without further notice and without penalty to either party. The parties hereto agree that any fixed sum payable by Contractor will serve as a credit toward any damages awarded by a court of competent jurisdiction or otherwise agreed to by the parties. Similarly, if the amount awarded by a court of competent jurisdiction or otherwise agreed to by the parties is less than the fixed amount to be agreed upon by the parties, State agrees to immediately refund the difference to Contractor.

Table of Contents

1.0 GENERAL OVERVIEW OF SERVICES

The Contractor shall provide services related to the processing of incoming electronic payments (hereafter referred to as "Electronic Payment Gateway Services"). The services to be provided are described in this contract appendix. The Contractor shall provide a gateway system that accepts credit card, debit card, pin-less debit card and Automated Clearing House (ACH) Electronic Payment Gateway Services for payments made through the Internet and through Interactive Voice Response (IVR).

2.0 TECHNICAL MODEL FOR INTERNET PAYMENTS

Definitions

<u>Authentication</u> - the process by which a web user submits identifying data (e.g. userID and password) and by which that data is corroborated against pre-existing, verified data.

<u>Authorization</u>
- <u>For ACH payments</u>: the process by which the Payer agrees to the Biller's terms and conditions to allow payments to be withdrawn from a Payer's account. ·

- <u>For credit/debit card payments</u>: the process by which the available card balance is compared to the payment amount. If the card balance is sufficient, a "hold" is placed upon the Payer's card balance for the amount of the payment.

<u>Biller</u> – A Wisconsin state agency or local government.

<u>Payer</u> - A customer of the Biller's application that chooses to enter into a payment transaction.

<u>Real-time</u> - the quality that a process occurs synchronously and on-demand as opposed to a process occurring some time after the "demand", or request, when other conditions traditionally must be met, such as in "batch" processing.

<u>Registration</u> - the process by which a web user creates a "record" or collection of information that contains payment account data such as credit card or checking numbers.

Communication Protocols

<u>Payer to Contractor</u>
Communication of data between the Payer and the Contractor must be supported over https, strongly encrypted.

<u>Biller to Contractor</u>
The Contractor shall support the following file transfer protocols:

- sftp (secure ftp) via SSH;
- download via https on the administration site.

The Contractor shall support strongly-encrypted https for inbound and outbound communications.

The communication protocols shall apply whether the Contractor initiates contact with the Biller or vice versa. The protocol support must be configurable at the level of the Biller application. Some applications may require simultaneous support of multiple protocols.

The Contractor shall provide the following technical model for Internet Receipts:

2.1 **Electronic Payment Gateway Technical Model**
The Contractor shall provide a technical model where the Biller hosts the storefront pages and the Contractor hosts the payment page(s). The technical steps in this model are as follows:

1) Payer may be authenticated at the Biller's Website;
2) Payer enters appropriate information on Biller-hosted storefront pages in preparation for making a payment attempt;
3) Biller responds to Payer with a page containing session variables (e.g. invoice/order #, Biller ID, etc.) that may be transmitted by Payer to Contractor;
4) Payer requests the Contractor-hosted payment page(s), transmitting the session variables in the request. If this is the Payer's first payment attempt at the Contractor's Electronic Payments Website, the Payer may be required to provide registration data and select a User Name and password. This registration requirement must be configurable at the level of the Biller application.
5) The Payer shall also have the option to enter their User Name and password if they have registered previously;
6) Once the Payer's credit/debit card or bank account information has been entered, it shall be passed to the Nova Network for authorization or the bank RTN shall be validated;
7) Authorization/RTN results are received by the Contractor;
8) Payer is presented with a confirmation number or a transaction failure message. Contractor also presents access (links and/or buttons), as necessary, back to Biller's site. The access is provided by the EXIT button on the pages that directs the Payer to the Biller specified URL.
9) The Biller may elect to receive Real Time Payment Confirmation (RTPC) or Real Time Nonpayment Notification (RTNN) messages. If the payment is confirmed, an RTPC message shall be passed from the Contractor to the Biller's application or database in real-time. If the payment is not confirmed, a RTNN message shall be passed from the Contractor to the Biller's application or database in real-time. RTPC and RTNN messages will be sent via http or https in XML or URL encoded formats.

3.0 FUNCTIONAL AND TECHNICAL REQUIREMENTS FOR CREDIT/DEBIT CARD PAYMENTS RECEIVED THROUGH THE INTERNET

3.1 **Credit/debit card payment pages**
The Contractor shall provide a set of standard payment page templates for registration, authorization, payment scheduling and confirmation. The Biller shall be able to place customized text messages on the payment pages and shall be able to include the State's e-payment top banner on each page. Real-time communications shall be used for authentication, enrollment, authorization, payment scheduling and confirmation of each transaction. All payment screens must provide a URL link that shall allow the Payer to view the Biller's privacy policy. The Contractor-hosted credit/debit card payment pages shall accept data from the Biller's Web application. The Contractor shall allow the Biller to push up to 10 custom data elements to the Epayment Gateway System through Session Transfer Variables and XML. Session Transfer Variables shall be passed in an encrypted https POST method from the Biller Website to the Contractor's payment site. The Biller shall have the option of displaying all or none of the custom data elements on the payment pages.

The Contractor's credit/debit card payment pages shall collect the appropriate information from the Payer to create the authorization request to NOVA. The Biller may choose whether to invoke Address Verification Service (AVS) or Card Verification

Data (CVD), where data entry for zip code and the CVD digits shall appear on the page.

3.2 **Payer authentication**
The Biller shall have the option to pass any Payer authentication information collected by the Biller to the Contractor's Electronic Payment Gateway Service through a Session Transfer Variable or XML along with the payment amount and due date.

3.3 **Initiate authorization request into the NOVA Network**
After collecting the necessary payment information, an authorization request shall be sent to NOVA. Authorization request or failure with the appropriate failure code shall be received back from NOVA.

3.4 **Real-time return of payment results to Biller Web application**
The Contractor shall return the confirmation data below to the Biller. The Biller shall have the option to receive the authorization results through a real-time XML or URL-encoded file upon the event of the Payer clicking the confirm button for the payment. At a minimum, the following data shall be included in the file:

- Transaction confirmation id
- Biller product code
- Payment amount
- Convenience fee
- Payment effective date
- Amount due

In addition, a customizable, 500-character instruction field shall be available near the top of the confirmation page. The field shall be customizable at the application level to include additional Payer instructions.

3.7 **Response time**
The Contractor shall release a payment success or failure response from its Web server within an average of 3 seconds from the time the payment authorization request is received by the Contractor to the time the response is released by the contractor (excluding delays caused by NOVA). In the event the Contractor's server complex is unable to successfully support this response time, the Contractor shall be responsible for re-engineering and upgrading its server complex to meet the standard.

3.8 Duplicate payments and payment statuses

The Contractor shall provide safeguards that prevent duplicate payments from occurring. Clicking the "Back" or "Submit" buttons inappropriately and other similar scenarios that might produce a duplicate payment shall be eliminated. The Contractor shall track all payments that are initiated but the authorization is denied, along with the reason code.

The Contractor shall allow the Biller to push up to 10 custom data elements to the Electronic Payment Gateway System through Session Transfer Variables and XML. Session Transfer Variables shall be passed in an encrypted https POST method from the Biller Website to the Contractor's payment site. The Biller shall have the option of displaying all or none of the custom data elements on the payment pages.

Once the required payment information has been entered, NACHA regulations require the Payer to accept the terms and conditions including authorization of the payment transaction via the ACH network. Once the terms and conditions are accepted, the Payer is taken to the "Payment Verification" page where they shall be required to confirm the payment information prior to processing.

The Payer also has the opportunity to cancel the payment prior to processing, lessening the risk of payment errors. If the Payer wishes to cancel the payment, he or she shall be able to do so by selecting the cancel payment button. If the Payer elects to cancel the payment, the Main Menu is displayed.

If a Payer attempts to make a payment and the RTN comes back invalid, the Payer is transferred to the "Make a Payment" page where an error message is displayed indicating that the correct bank account information must be entered.

Authorization shall be displayed for the Payer during payment initiation and the Payer must authorize the transaction by clicking the Accept button before a payment can be processed.

4.4   Recurring payments
The Contractor must support user authorization of online recurring payments by requiring the authenticated Payer to accept the online Terms and Conditions. Authorization shall be displayed for the Payer during payment initiation and the Payer must authorize the transaction by clicking the Accept button before a payment can be processed.

The Contractor shall help Billers handle returned items. ACH return items are matched on a combination of the trace number, receiving financial institution routing/transit number, credit versus debit trancode, dollar amount and account number. If one of these fields does not match, the Contractor's return item reporting shall provide the return as received and the originated information that differs from the return. Any unmatched returns shall be reviewed and settled to the Biller's settlement account. The Contractor shall provide a report of all unresolved returns.

To facilitate the matching process, originated transactions shall automatically be kept on file for ten days following the effective date.

4.8 **Fraudulent transaction detection methods**
The Payer shall be authenticated at the Contractor's Website. The Payer must enter their Payer Authenticator to proceed. If it does not match, they shall receive an error message. Once a Payer registers, on subsequent visits, the Payer Authentication sent during the session transfer is verified against the Payer Authentication saved in Payer's registration.

The Contractor shall provide the ability for the Biller to regularly transmit authentication data (i.e. User ID's and Passwords) for loading into the Electronic Payment Gateway System, so that Payer's may be automatically logged in.

4.9 **Validating a Payer's account number structure and routing numbers**
The Contractor shall verify the Payer's routing number at the time it is entered into the payment transaction. The routing numbers shall be verified by a mod 10 check and Thompson check. In this technical model, the Contractor hosts the IVR and authenticates the Payer through a real-time read of the Biller's data base. The technical steps in this model are as follows:

1) The Payer calls the IVR hosted by the Contractor;
2) The Payer enters the authentication information into the IVR;
3) The Contractor sends a real-time request to the Biller's database to verify the Payer's authentication information;
4) If the Payer's authentication information does not match the Biller's database, the IVR responds with a message that the Payer is not eligible and who to contact;
5) It the Payer's authentication information does match the Biller's database, the IVR requests the necessary payment information;
6) The payment information provided by the Payer is read back to the Payer and they are provided a choice to make changes or confirm the payment;
7) If the Payer chooses to confirm the payment, the Contractor shall forward an authorization request through NOVA or shall verify the bank Routing Transit Number (RTN).
8) If the authorization/RTN verification fails, the Payer shall receive a prompt to re-enter the payment information or choose a different card/account.
9) If the authorization/RTN verification is successful, the Payer is provided with a confirmation number.

Registered Payers can use account management functionality that enables them to choose the account from which they shall make a payment. The system shall store multiple bank accounts and credit card accounts for each registered Payer. Registered Payers may also schedule recurring payments indicating the amount of payment to be made, the payment account from which payment is to be made, the frequency of the payment and when payments are to begin.

All Payers can schedule, edit, and cancel future-dated payments. Payers specify the settlement date on the "Make a Payment" page and edit or cancel payments up until the cutoff time for the day prior to settlement.

Unregistered Payers must input payment account information each time they make a payment. Payers who have not registered can access future dated payments only via the payment confirmation number.

Registered Payers shall also be able to view their payment history and gain access to vital payment information such as: the date payment initiated, date processed, account number from which payment was made, payment amount or return amount and payment confirmation number. Returned payments shall be indicated in the Payment history.

Registered Payers shall access their account information online. They shall be able to selected View Payment History which shall allow them to view and print a history of their transactions across all Biller applications. One of the first steps to prevent an attacker from gaining control over the traffic destined for the Biller's Website is to prevent the changing of DNS entries to re-direct traffic to a rogue Website.
3) Digital certificates for fully qualified domain names are obtained for the Contractor's Electronic Receipting Service. Only the domain owner can request certificates for the Contractor's registered domains. Certificates can only be issued to specific individuals at the Contractor. Once a certificate is obtained for the Website, the client browser checks the authenticity of the certificate against the domain. If the domain is "spoofed", the client shall receive a message on their browser indicating that the domain does not match the certificate.
4) Use of firewalls capable of detecting and preventing "spoofing" shall be deployed. The firewalls shall be capable of rejecting traffic that appears to originate from trusted zones but in reality is originated from untrusted sources. The firewalls shall also be capable of protecting against "TCP SYN" flooding attacks.

The Contractor shall utilize application monitoring to detect suspicious events and activity on the Biller's applications. These suspicious events and activities include repeated Shared Secret guessing attempts, repeated submission of malformed data to the application, or long-idle sessions. These suspicious activities shall be identified and captured for examination by security specialists. The Contractor's Electronic Payment Gateway Service shall have an automated response capability to freeze/block user accounts that appear to be the target of unauthorized access attempts. The freezing or blocking of a user account generally occurs when an authentication validation (Shared Secret) for the payment application fails three times in a row.

15.0   Service Levels

Contract Section	Contract Language	Service Level Standard
Appendix 1, Section 7.4	The daily Cash Receipt Remittance Files shall be available on both the Administrative Website and on the Contractor's secured FTP server no later than 8:00 a.m. Central Time. If the files are delayed, the Contractor shall notify the State no later than 8:00 a.m. Central Time. Included in the notification shall be an estimate of when the files will be available.	The State has automated file transmission scripts that are run each day based on a 7:00 a.m. availability of the cash receipt remittance files. If the files are delayed without adequate notification, the State has to perform research to determine why the file transfers were not successful. The estimated out of pocket cost for this research is $300. Therefore, the Contractor shall reimburse the State $300 for each instance that the remittance files are not available by 8:00 a.m. Central Time and the Contractor has not notified the State of the delay by that time.
Appendix 1, Section 11.2	The Contractor's Electronic Receipting Service shall be available 99.50 percent of the time during the hours of 6:00 a.m. CT and 12:00 a.m. CT during any calendar month.	The Service Level Standard shall be calculated monthly. In order to meet the standard, outages cannot exceed 223 minutes in a calendar month. Prolonged outages that exceed 60 minutes in a calendar day shall be considered an "Out of Service Condition". An Out of Service Condition will occur if within the hours of 6:00 a.m. and 12:00 a.m. the combined outage time for the following Electronic Payment Gateway Services is 60 minutes or more: • Web Payment Channel • IVR Payment Channel • Real Time Payment Confirmations • Real Time Eligibility Lookups A system outage that affects multiple channels will only be counted once. U.S. Bank shall provide the State with an Out of Service Credit for each Out of Service Condition. The amount of the Out of Service Credit shall equal the Electronic Payment Gateway Service transaction processing fees for that day (does not include interchange, association and authorization fees paid to NOVA). All Out of Service Credits shall be credited to the State's Consolidated Analysis Statement during the month following the Out of Service Condition.
Appendix 1, Section	The Contractor shall notify the Biller via e-mail within 30	U.S. Bank shall notify the State via email within 30 minutes of the start of an

11.6	minutes of the start of an outage or functional problem within any of the following Electronic Payment Gateway Service components: • Payment Website • Administrative Website • IVR • Real Time Payment Conformation • Real Time Eligibility Lookup	unplanned outage within any of the following e-payment services: • Web Payment Channel • IVR Payment Channel • Real Time Payment Confirmations • Real-Time Eligibility Look-Ups If the State is not notified of an unplanned outage, agency staff will spend time troubleshooting their applications. The approximate service level failure cost incurred by an agency to perform this troubleshooting is $150/application. Therefore, for each failure to notify the State timely of an unplanned outage, U.S. Bank shall pay the State $450 as reimbursement for agency staff time spent troubleshooting the problem.
Appendix 1, Section 11.7	For functional problems that may be preventing Payers from successfully completing a payment, the Contractor shall respond to the State with an acknowledgement of the problem and an estimated time for resolution, or the time for the next status update, no later than 2 hours after the problem is first reported. For other problems that do not affect Payers, the Contractor shall respond to the State with an acknowledgement of the problem and an estimated time for resolution no later than one business day after the problem is first reported.	Functional problems that affect the Payer's ability to successfully complete a payment result in customer service calls to the state agency. The approximate service level failure cost incurred by an agency each day there is an e-payment functional problem affecting Payer's is $250. Therefore, for each e-payment application that experiences a functional problem affecting the Payer's ability to successfully complete a payment, the Contractor shall reimburse the State $250 per day, excluding the day the problem was reported, until the Contractor provides an estimated date/time of resolution.

II. TERMS APPLICABLE TO ALL TREASURY MANAGEMENT SERVICES

1. Services

Bank may provide Services that are not specifically included in the Services section of this Agreement. By accepting and using any Service, Customer agrees that the Service will be governed by this Agreement. Certain Services included in this Agreement may not be available or may not be provided in certain market areas. Customer shall not be bound by the specific terms and conditions for the Services described in the Services section of this Agreement to the extent Customer is not using such Service(s).

2. Proprietary Information

4. INTENTIONALLY OMITTED

5. INTENTIONALLY OMITTED

6. Deposit Accounts

Most treasury management services require that Customer maintain one or more deposit accounts with Bank. All checks, wire transfers, ACH payments and other items deposited into such accounts are provisionally credited and taken subject to later verification by Bank and Bank's receipt of final settlement. Deposited items that are deposited and later returned unpaid will be charged against the account without prior notice. Customer agrees to pay Bank for any overdraft or overpayment in any of Customer's accounts.

7. Security Interest

Customer grants to Bank a consensual possessory security interest in Customer's deposit accounts maintained with Bank and the funds held therein to secure payment of all of Customer's obligations under this Agreement.

8. Information Sharing

Subject to Appendix 1 of the 2008 Enterprise Banking Services Contract (Privacy and Confidential Information), Customer agrees that Bank may share information: (a) with Bank's affiliates (i.e. entities related to Bank by common control or ownership) that offer financial products and other services, including those identified in this Agreement and with our administrative or service units that perform these functions; (b) with non-affiliated entities that assist Bank in providing services to Customer.

9. Authorized Signers and Users

Customer shall appoint certain Authorized Signer(s) in the U.S. Bank Treasury Management Service Agreement or in such other format as may be agreed by Bank. Customer agrees that Authorized Signers shall be authorized to act on behalf of Customer in all actions taken under this Agreement and may enter into all transactions contemplated in this Agreement, including, without limitation, selecting Services for the benefit of Customer, appointing Agents to act on behalf of Customer in the delivery of Services, signing additional documentation that may be necessary to implement Services and giving Customer's instructions

with regard to any Service, including, without limitation, wire transfers, ACH transfers and other electronic or paper transfers from or to any account Customer maintains with Bank. The Authorized Signer(s) designated in the U.S. Bank Treasury Management Service Agreement shall appoint Agents to use the Services provided for the benefit of Customer ("Authorized Users"). Authorized Users may act on behalf of Customer for a particular Service in accordance with the relevant Implementation Documents or other document(s) establishing the Authorized Users' responsibilities. Customer may revoke the authority of or change the Authorized Signers or Authorized Users at any time upon prior written notice and execution of additional documentation required by Bank. Such change or revocation shall not be binding upon Bank until it has received the required written notice and has had a reasonable opportunity to act thereon. In any event, Bank may act on instructions that it believes in good faith were provided by an Authorized Signer or Authorized User, or anyone purporting to be an Authorized Signer or Authorized User.

10. Check Samples, Forms Approval and Service Implementation

Bank reserves the right to approve the form of Customer's checks, drafts, deposit slips and similar documentation. Prior to initiating a new account or Service, or at any other necessary time, Customer agrees to provide all information and conduct any test that Bank may reasonably request, including, without limitation, Implementation Documents, signature cards, test tapes, transmissions, corporate resolutions and other documents. Bank may also request samples of Customer's checks, drafts, deposit slips and similar items to ensure, in Bank's sole discretion, whether such items meet Bank's quality control and processing standards.

In the event that Bank determines that any item or test does not meet its specifications, Bank will so advise Customer. Customer acknowledges that Services will not commence or continue until such time as an approved item or test is provided to Bank and determined by Bank to be satisfactory. Customer shall be responsible for initial product installation, whether or not Bank provides telephone or on-site installation support.

11. Security Procedures

a. Introduction. Bank shall provide Customer with one or more commercially reasonable security procedures that must be used by Bank and Customer in connection with certain Service(s). Customer agrees that such security procedures are commercially reasonable. Customer agrees to be bound by any payment order, transaction or service change order that is acted upon by Bank in accordance with such security procedure. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of information controlled by Customer. If Customer selects certain security procedures to use in connection with a Service and those security procedures provide less protection against unauthorized transactions or activity than other security procedures offered by Bank in connection with such Service, the security procedures selected by Customer shall be deemed commercially reasonable to the same extent as the security procedures offered by Bank that provide greater protection. Bank reserves the right to issue new security procedures and/or to cancel or change any security procedures from time to time.

b. Access. Customer shall be solely responsible for designating individuals authorized to access Services. Access to Services will be controlled through the use of Customer IDs, user IDs, passwords, private keys or other security devices. Customer is solely responsible for maintaining its own internal security and agrees to use the utmost care in selecting any company or individual given access to use one or more of the Services. Customer shall not disclose any information regarding the Services that an unauthorized user would find helpful to obtain access to all or part of any Service.

c. Confidentiality. Customer and Bank represent, warrant and mutually agree that all confidential information concerning the other party or parties that comes into its possession in connection with any of the Services, including, without limitation, security procedures or any security codes, keys, personal identification numbers, digital certificates/signatures or template numbers ("Codes"), will be maintained in strictest confidence and shall not be used or divulged to any other

party except as may be necessary or advisable for the due performance of any of the Services or as required by applicable law. Bank shall maintain physical, electronic, and procedural safeguards to keep Customer's confidential information secure. Customer is solely responsible for the procedures to assure the internal confidentiality of its own security procedures, security devices and codes and assumes all risk of accidental disclosure or inadvertent use of any security device by any party whatsoever, whether such disclosure or use is on account of Customer's negligent or deliberate acts or otherwise. If Customer or its Agents have reason to believe that any security procedures or Codes have or may become known by unauthorized persons (whether or not employed by Customer), Customer shall immediately notify Bank by telephone and confirm such verbal notification in writing to Bank within 24 hours. Bank will replace the security procedures and Codes in accordance with Bank's security procedures. Customer shall be solely responsible for funds transfer instructions and other communications initiated before Bank received Customer's notice and had a reasonable time to act on such notice. Bank reserves the right to change any or all of the security procedures or codes by giving verbal or written notice to the Customer. Customer's obligation to maintain the confidentiality of all security procedures shall survive the termination of any Service or this Agreement. This section is subject to Appendix 1 of the 2008 Enterprise Banking Services Contract (Privacy and Confidential Information).

d. Verbal and/or Written Instructions. For some Services, Bank may choose to honor Customer's request to give Bank verbal or written instructions regarding the Services. Customer agrees that Bank may in good faith rely on such verbal or written instructions that purport to come from an authorized Agent of the Customer without independent verification by Bank.

12. Unsecured Electronic Transmissions and Instructions
Bank shall transmit to Customer information related to Services via secure electronic transmissions. If Customer elects to send or receive instructions or reports from Bank via unsecured electronic means, including, without limitation, facsimile transmission, voice mail, unsecured e-mail, pager or other unsecured electronic or telephonic methods ("Electronic Transmission"), Customer acknowledges that such Electronic Transmissions are an inherently insecure communication method due to the possibility of error, delay and observation or receipt by unauthorized personnel. Bank may rely in good faith on Customer's instructions regarding how and to what number or e-mail address Electronic Transmissions should be sent and may rely on any Electronic Transmission that it reasonably believes to have been initiated by the Customer. Should Customer elect to send or receive unsecured Electronic Transmissions to or from Bank, Customer assumes all risks, and Bank shall not be liable for any loss, that results from the nonreceipt, disclosure, alteration or unauthorized access of any such unsecured Electronic Transmission.

13. Telephone Recording
Customer acknowledges, agrees and consents on behalf of itself, and its Agents, that Bank may monitor and record telephone conversations for the purpose of quality assurance, training, and wire transfer confirmation, at any time without further notice to the parties to such conversations. The decision to record any conversation shall be solely in Bank's discretion, and Bank shall have no liability for failing to do so.

14. Computer Equipment and Software
Many Services require the use of computer hardware and software or other equipment. Customer is solely responsible for maintaining its computer and equipment in good working order, with the necessary compatibility and format to interface with Bank's systems, including, without limitation, the ability to support the Bank's security procedures. Customer agrees to install upgrades and other system enhancements within a reasonable time of being requested to do so by Bank. License Agreements for necessary software shall either be embedded in the software or separately documented. Customer agrees to comply with all applicable software license agreements (following Customer's review of the same) whether or not such agreements have been executed by Customer. Customer has no rights or ownership in any software provided by or through Bank (other than software developed solely for the Customer) and shall not transfer, copy, alter, modify, reverse engineer, reproduce, or convey in any manner, in whole or in part, any

such software. Customer shall return all software and user manuals associated with any software upon request.

15. Transactions on Non-Business Days/Cutoff Times
Transactions, deposits, payment orders, entries or other requests by Customer received by Bank on a non-Business Day or after established cutoff deadlines may be treated by Bank as received on the next business day. Bank may change any cutoff time or other deadline only after it provides a minimum of 30 days written notice to the customer.

16. Customer-initiated Transactions and Instructions
Bank will honor Customer's transactions and instructions (including adjustments, amendments and cancellations) only when Customer has complied with this Agreement and related policies and procedures. Bank will be under no obligation to honor, either in whole or in part, any transaction or instruction that:

a. exceeds Customer's collected or available funds on deposit with Bank;

b. Bank has reason to believe may not be authorized by Customer;

c. involves funds subject to a hold, dispute or legal process preventing their withdrawal;

d. violates any provision of any applicable regulation of the Federal Reserve Bank or any other federal, state or local regulatory authority; or

e. Bank has reasonable cause not to honor, for the protection of either Bank or Customer.

17. Inconsistent Name and Account Number
If Customer or third party acting at the Customer's instruction initiates a fund transfer instruction or payment order ("Payment Order") to Bank that describes the person to receive the proceeds of such Payment Order (the "Beneficiary"), the Beneficiary's bank, or an intermediary bank by name and an account or other identifying number, Bank and subsequent parties to the Payment Order may rely on and act solely on the basis of such number, even though the name and number do not agree and even though Bank and subsequent parties know or have reason to know of the inconsistency. Customer's obligation to pay the amount of the Payment Order to Bank is not excused in such circumstances.

18. Intercompany Services/Authority to Transfer or Commingle Funds
Customer hereby represents and warrants to Bank that any and all transfers and commingling of funds required or permitted by any Service or requested by the Customer, and all other aspects of the performance hereby by Bank and Customer, have been duly authorized by all necessary parties, including, without limitation, the account holder of each account, and that Customer has obtained and shall maintain in its regular business records and make available to Bank upon reasonable demand, for a period of seven (7) years after termination of the Service, adequate documentary evidence of such authorization from the account holder of each account, executed by the duly authorized officer(s) of each such account holder in accordance with that account holder's bylaws and/or board resolutions. Customer further represents and warrants that each transfer or commingling of funds authorized hereunder is presumed not to be in violation of any agreement, bylaw or board resolution of Customer or any of its affiliates or subsidiaries, nor is it in violation of any applicable federal, state, local law, regulation, of any decree, judgment, order of any judicial or administrative authority. Each representation and warranty contained herein shall be continuing and shall be deemed to be repeated upon Bank's effecting each transfer and commingling of funds authorized hereunder.

19. Customer Records
This Agreement and the performance of Services by Bank shall not relieve Customer of any obligation imposed by law, clearinghouse rules (including the NACHA Rules, NCHA Rules, and ECCHO Rules), or by contract regarding the maintenance of records or from employing adequate audit, accounting and review practices as are customarily followed by similar businesses. Customer shall retain and provide to

Bank, upon request, all information necessary to remake or reconstruct any deposit, transmission, file or entry for thirty (30) days following receipt by Bank of the deposit, file, entry, transmission or other order affecting an account.

20. Account Communications and Review Period

Customer agrees to regularly and promptly review and verify all statements, reports, check payment records, wire transfer instructions, confirmations, adjustments, charges, and other transactions ("Account Communications"). Customer may elect to receive Account Communications electronically, including without limitation, delivery by posting to a password protected website. Customer acknowledges that Account Communications provided by Bank through electronic delivery is deemed to constitute good and effective delivery when posted by Bank, regardless of whether Customer actually or timely receives or accesses the Account Information. Unless a different review period is specified elsewhere in this Agreement, Customer shall, within a reasonable time, which in no event shall be greater than forty-five (45) calendar days following the day Bank first mails, electronically transmits or otherwise makes data available to Customer ("Review Period"), notify Bank of any error or discrepancy between Customer's records and any Bank notice or statement, or any transaction or transfer Customer believes was not authorized. If Customer fails to notify Bank of such unauthorized transaction within the Review Period, Customer agrees that the failure to report any such errors or unauthorized transactions shall relieve Bank of any liability for the unreported erroneous or unauthorized transaction.

In accordance with NACHA rules, Customer must report an unauthorized ACH debit entry to the Customer's account by the established deadline on the business day following the settlement date of the unauthorized entry. Otherwise, Customer's sole recourse is to the originator of the transaction.

21. Limitation of Bank's Liability for Services

In addition to greater limitations on Bank's liability that may be provided elsewhere in this Agreement, Bank's liability related to any Service shall be limited exclusively to actual proven damages arising directly from its own negligence or willful misconduct. Bank will not, under any circumstances, be liable for any special, incidental, indirect, consequential, punitive or similar losses or damages, whether or not the likelihood of such losses or damages was known by either party at the time Customer first obtains Services from Bank or at the time any instruction or order is given to a Bank pursuant to any Service, and whether such losses or damages arise from tort, contract or otherwise. Bank's maximum liability for any loss of interest shall be calculated using a rate equal to the average Federal Funds rate at the Federal Reserve Bank of New York for the period involved. Notwithstanding the foregoing, Bank shall not be liable for any losses or damages to the extent caused by the willful misconduct or negligent action or inaction of Customer, or any Agent or employee of Customer, Bank shall not be liable for any damage, cost, loss, liability or delay caused by accident, strike, fire, flood, war, riot, terrorist act, acts of nature, any cause which is attributable to a third party, or any other cause or event that was beyond Bank's reasonable control.

22. Dispute Resolution

a. Governing Law. Except as otherwise provided herein, this Agreement shall be governed by the laws of the State of Wisconsin, without regard to conflicts of law principles.

e. Adverse Claims. If Bank receives an adverse claim against any account, and Bank reasonably believes that it will not be protected if the claim is ignored, Customer agrees that Bank may place a hold on the affected account. Any such hold will remain in place only so long as reasonably necessary to resolve the claim or employ legal remedies to allow a court to decide such claim. Assuming compliance with this section, Bank shall have no liability for dishonored transactions due to the hold, and Customer agrees to reimburse Bank all costs, including attorney fees, incurred due to such adverse claim.

23. Necessary Third Party Service Providers

a. Third Party Networks. Some Services are provided by Bank through access to a third party network, such as SWIFT, any applicable automated clearinghouse operating network and FED Wire. Such Services are dependent upon the availability of the third party network on conditions acceptable to Bank. Bank reserves the right to discontinue the Service or provide the Service through an alternative third party network. Bank does not warrant and shall not be responsible for Services received by Customer from any third party network chosen by the Customer.

b. Third Party Vendors. Some Services and/or computer equipment and software are provided to Customer by a third party vendor selected by Customer who is unaffiliated with Bank. In those cases, the third party vendor is acting as Customer's Agent rather than an agent of Bank, and Customer agrees to be bound with such third party's acts and omissions. Bank does not warrant and shall not be responsible for Services provided by unaffiliated third party vendors. Customer authorizes Bank to disclose to any third party vendor information concerning Customer to the extent required to deliver the requested Service.

24. Notices

All written notices to Bank shall be delivered or mailed to the address designated by Bank. Notices sent to Customer shall be delivered or mailed to Customer's current lead account address or other known address if deemed more appropriate by Bank under the circumstances. Notices may be delivered to some Customers in electronic format, including posting to Bank's website, if requested or appropriate.

25. Severability

This section 16 shall survive termination of the Agreement.

17. Limited Use
Customer may use the Electronic Deposit Services, the User Manual, and the OED system or ECLD system for business use for as long as Bank in its sole discretion provides the Electronic Deposit Services to Customer. Customer shall return to Bank any Customer System software upon termination of the OED services.

E. ACH SERVICES
1. Introduction
If requested by Customer and agreed to by Bank, Customer (or its Agent or third party vendor) may initiate credit or debit Automated Clearing House (ACH) transactions ("Entries") for payments ("Credit Entries") and/or collections ("Debit Entries") on ACH Business Days to its accounts or the accounts of others ("Receivers") in accordance with Bank's security procedures and this Agreement. Bank will act as an Originating Depository Financial Institution with respect to such entries. Bank may process Entries directly, through one or more clearinghouses, or through the mechanism selected by Bank. Customer's rights and obligations with respect to such Entries are governed by applicable law and the rules of the National Automated Clearing House Association ("NACHA"), as amended from time to time. Customer acknowledges that it shall be bound by NACHA Rules and agrees not to initiate any Entry in violation of the NACHA rules or applicable federal, state or international law, regulation or clearinghouse rules, including, without limitation, Regulation E of the Board of Governors of the Federal Reserve System, regulations promulgated by the Office of Foreign Assets Control, rules of the Canadian Payments Association and the Mexican Interbanking Electronic Payment System (SPEI), and Operating Circular 4 of the Federal Reserve Bank (collectively referred to herein as the "Rules"). Customer acknowledges that a copy of the NACHA Rules is available through NACHA at current NACHA prices.

2. Entry Origination/Processing Dates/Deadlines
Customer may initiate Entries in the manner and format agreed to by Bank. ACH files transmitted to Bank shall be in an unbalanced file format. Customer agrees that all ACH Entries (regardless of SEC Code) that involve the exchange or transmission of banking information via unsecured electronic networks shall be encrypted or transmitted via a secure session, using a commercially reasonable security technology that, at a minimum, is equivalent to 128-bit RC4 encryption technology. Bank will establish a deadline for the receipt of Entries from Customer ("Deadline"). Bank may establish different Deadlines for Entries depending on the method of delivery employed by Customer and all such Deadlines are subject to change. Bank must receive Customer's Entries at or prior to the Deadline for the Entries to be processed on the ACH Business Day of receipt. Entries received after the Deadline will be processed on the next ACH Business Day. Entries with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made.

3. Content
In submitting any Entry, Customer shall be responsible for providing all information required by Bank. Customer bears sole and exclusive responsibility to verify that the information set forth in Entries submitted to Bank is authentic, accurate and conforms to the Rules. The Services hereunder are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to an Entry which is inaccurate, incomplete or otherwise incorrect.

4. Prenotification
To the extent required by NACHA Rules, Customer shall send a prenotification that it intends to initiate an Entry to a particular account in accordance with the procedures set forth in the Rules or by Bank. The prenotification can be returned or result in a Notification of Change ("NOC"). If the prenotification is returned, Customer shall research the problem and make any necessary corrections before transmitting another Entry. If the prenotification results in a NOC, Customer shall make the required change prior to initiating another Entry, or issue a Refused NOC. NOC Manager is an optional service that allows Bank to track Customer's NOC on Customer's behalf. If Customer selects this option, Bank shall only manage the changes to the routing, transit and account numbers.

5. Entry Limits and Payment
Customer shall at all times maintain a settlement account with Bank for the purpose of funding Customer's Entries ("Account").

The total dollar amount of Entries initiated by Customer through Bank under all ACH Services and pending on a given day shall not exceed the lesser of collected or available balances in the Account or an exposure limit should one be established by Bank ("Exposure Limit"). Establishment of an Exposure Limit should not be interpreted or construed by Customer as a commitment or agreement to provide any credit or loans to a Customer and is subject to modification or termination at any time by Bank. Customer agrees that it will not initiate Entries in excess of its Exposure Limit without the written consent of Bank. Customer shall pay Bank for all Entries and authorizes Bank to charge its Account or any other account with Bank in the amount of such Entries. Bank shall have the right to reject Entries initiated by Customer if Bank has reason to believe that there will be insufficient available funds on the relevant settlement date. Bank shall immediately notify Customer upon such rejection. Customer will receive funds for any Debit Entry on the ACH settlement date. Bank shall credit the Account in any amount payable to the Customer, subject to Bank's right to make adjustments in accordance with this Agreement. Bank may establish, monitor and periodically review Customer's Exposure Limit and Customer's compliance thereof, and may cease processing Entries based on such review, after notifying Customer in writing.

6. Data Breach Notification

Customer may have gathered personal or financial information of its customers for the purpose of initiating ACH transactions. Such information may include, without limitation, the customer's bank account number together with the bank routing number, or the customer's name together with the customer's social security number or tax identification number. Customer agrees to immediately report to Bank any loss, theft or unauthorized access of such information ("data breach") by or from Customer, its Agent, or third party service provider, if circumstances indicate that the misuse of such information has occurred or is reasonably possible. Customer acknowledges that Bank may have an obligation to report any data breaches to NACHA and other affected parties, and agrees to establish appropriate procedures to prevent, detect, investigate and report data breaches.

7. INTENTIONALLY OMITTED

8. File Confirmation System

Customer shall at all times comply with applicable file confirmation procedures established by Bank and any security procedures established by Bank or Customer. Such procedures are solely for the purpose of verifying the origination of Entries by Customer or Bank's receipt of the ACH file and/or batch (but not for errors in transmission or content).

a. Control Totals. If Customer elects to provide Bank with the total dollar value of ACH Entries and any other necessary information ("Control Totals"), Customer must telephone Bank's Interactive Voice Response Unit ("IVR") each time it originates ACH Entries. After Bank receives Customer's ACH file, Bank will compare the information in the file to the Control Totals. If the information matches the Control Totals, Bank will process the ACH file. Bank will not process a file if it does not receive conforming Control Totals on or before the established file delivery deadline on the Business Day it receives the file. Bank will notify Customer if the Control Totals do not match the information in the file, or if Bank receives a file without receiving Control Totals or vice versa.

b. Confirmation of Receipt. If Customer elects not to provide Bank with Control Totals but elects to receive a confirmation, Bank shall provide Customer with a confirmation that Bank received Customer's ACH file and/or batch. After Customer receives the confirmation, Customer will compare the confirmation information to Customer's ACH transmission information. If the information does not match, Customer shall notify Bank before Bank's established deadline, failing which, Bank shall process Customer's ACH file and/or batch. Customer acknowledges that the confirmation is for the sole purpose of verifying Bank's receipt of the file and does not signify any validation of data. Customer bears sole responsibility for any inaccurate or incomplete information provided to Bank if Customer fails to notify Bank prior to Bank's processing of Customer's file.

9. Rejected and Returned Entries, Unauthorized Entries

Bank may reject any Entry that is not initiated in accordance with this Agreement. In the event that an Entry is rejected, or returned by an ACH processor, for any reason whatsoever, it shall be Customer's responsibility to reinitiate the Entry. Bank will give Customer or its designated Agent notice of any rejected or returned Entry in the manner agreed to by the parties. Bank is authorized to debit/credit the Account for Entries that are returned to Bank. Unless the return is caused by Bank's failure to properly execute an Entry, Bank has no obligation to pay Customer interest on the amount of any returned Entry debited from the Account. A Receiver may, in some cases, have the right to have an unauthorized or erroneous Debit Entry credited to its account. Customer agrees that Bank may deduct the amount owing to the Receiver from Customer's Account upon Bank's receipt of proper notice from the Receiver's bank. Bank may charge back against Customer any Debit Entry that is returned or reversed by the Receiving Depository Financial Institution.

10. ACH Redeposit Service

If requested by Customer and agreed to by Bank, Bank will reinitiate (maximum of two times) each Debit Entry returned for insufficient or uncollected funds.

11. Amendment of Entries

Customer does not have the right to delete or amend any Entry after it has been received by Bank unless Customer has requested, and Bank has agreed to provide ACH Adjustment Services. If such services are provided, Customer may initiate an amendment to ACH Entries after receipt by Bank. Customer may initiate such amendments via internet or fax in accordance with the terms of this Agreement and all communications must be received by Bank prior to the established deadlines in order to be effective.

a. Internet Option. If Customer has selected the Internet Option, Customer may use the Internet to transmit information to Bank for the purpose of amending ACH files. Customer agrees to comply with any applicable software agreement, user guide and any established security procedures.

b. Fax Option. If Customer has selected the Fax Option, Customer may amend ACH files in accordance with this Agreement by sending instructions to Bank to delete Entries via facsimile. Bank will notify the Customer of the telephone numbers for facsimile and verbal instructions. Bank may from time to time change such telephone numbers or the form of instructions upon notification to the Customer. Customer acknowledges that the Internet Option may be substantially more secure than the Fax Option. Customer agrees to be bound by any instructions, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures.

12. Customer Representations/Indemnity

Customer represents and warrants to Bank that each Entry complies with the terms of this Agreement and NACHA Rules, does not breach any warranty of Customer or Bank contained in this Agreement and NACHA Rules, complies with applicable state and federal laws, including, without limitation, the Electronic Funds Transfer Act, Regulation E and regulations promulgated by the Office of Foreign Assets Control, is accurate, timely, and authorized and that any Debit Entry is for a sum that on its settlement date is due and owing from the Receiver to Customer or is a correction of a previously transmitted erroneous Credit Entry. With respect to each ACH Entry (regardless of SEC Code), Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law and NACHA Rules to any person, Receiving Depository Financial Institution, or any other transferee.

Receiver authorizations shall expressly authorize Bank to transmit corrective entries to Receiver's accounts to correct a prior Entry and shall authorize Customer to release to Bank all information concerning its Receivers that is required by Bank to recover such Entries. Customer shall immediately cease initiating Entries upon receiving actual or constructive notice of the termination or revocation of the Receiver's authorization. Customer will retain each authorization received by Customer for such period of time as may be required by the Rules or applicable law and shall provide Bank with copies of such authorizations upon request. 14. Internet-Initiated Entries
NACHA Rules allow Customer to initiate a Debit Entry to a consumer Receiver's account pursuant to an authorization obtained from the Receiver via the Internet ("WEB Entry"). e. Customer has and will conduct an annual audit to ensure that the financial information that Customer obtains from Receivers is protected by security practices that include adequate levels of: (1) physical security to protect against theft, tampering, or damage, (2) personnel and access controls to protect against unauthorized access and use, and (3) network security to ensure secure capture, storage and distribution of financial information. In the event that Customer initiates a TEL Entry to Bank, Customer agrees that such TEL Entry will comply with all provisions of this Agreement and applicable Rules, and makes the following additional representations and warranties regardless of which entity initiates the TEL Entry on its behalf:

a. Receiver Authorization. Customer shall obtain the Receiver's explicit authorization prior to initiating a Debit Entry to the Receiver's account. In the event that Customer obtains the Receiver's authorization verbally, Customer will either tape record the Receiver's oral authorization or provide, in advance of the settlement date of the Entry, written notice to the Receiver that confirms the oral authorization. Customer agrees that, at a minimum, the following specific information is disclosed to, and acknowledged by, the Receiver during the telephone call:

16. Accounts Receivable and Back Office Conversion Entries

NACHA Rules allow Customer to utilize ACH to collect consumer check payments received via U.S. mail or at a dropbox location ("ARC Entry"). NACHA Rules also enable Customer to convert during back office processing checks presented either at the point of purchase or a manned bill payment location ("BOC Entry"). In the event that Customer initiates an ARC or BOC Entry to Bank, Customer agrees that such ARC or BOC Entry will comply with all provisions of this Agreement and

applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the ARC or BOC Entry on its behalf:

Customer further agrees to assume all applicable responsibilities, warranties and liabilities of the ODFI, as specified in the NACHA Rules. Customer shall cooperate fully and respond within five (5) banking days to any inquiry from Bank relating to potential NACHA Rule inquiries or violations.

Bank will allow incoming ACH Entries that match Customer's authorizations to post to Customer's Account. Incoming ACH transactions that do not match Customer's authorizations will be treated as exception items, and Customer agrees to monitor, review and make payment decisions on the exception items prior to Bank's established deadline. If Customer's requested default setup is for Bank to return all exception items, then Bank is authorized to return all exception items unless Customer instructs bank to pay one or more exception items prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from: (i) payment in accordance with this section of any exception item that is unauthorized; (ii) the return of any exception item to the Originator in accordance with this section; or (iii) Customer's failure to meet Bank's established deadlines. Bank's failure to report a discrepancy will not discharge Customer's obligation with regard to any item, and shall not obligate Bank to return any item if it is otherwise authorized.

F. WIRE TRANSFER SERVICES

1. Introduction

a. Governing Law. Bank sends outgoing and receives incoming wire transfers through Fedwire (the funds transfer system owned and operated by the Federal Reserve Banks or other provider in accordance with section II.23.A.). All funds transfers are governed by this Agreement, Subpart B of Regulation J of the Federal Reserve Board, OFAC regulations, and all other applicable federal, state and local laws and regulations. Customer agrees not to initiate or receive a wire transfer payment order in violation of applicable federal, state or local law.

b. Authorized Users. Customer will designate to Bank in the form required by Bank those individuals authorized to instruct Bank regarding wire transfer services including without limitation, individuals authorized to initiate payment orders and select advice methods, confirmation methods, and any or all authorizations and instructions that may be requested by Bank. Bank may rely on any such authorization until it has been revoked in writing by Customer. Bank shall have a reasonable time to process any revocation received pursuant to this section.

2. Security Procedures

Customer and Bank shall agree to use security procedures as established by Bank. Customer acknowledges and agrees that it has been informed of and understands Bank's security procedures. Customer agrees that any agreed security procedures shall be deemed commercially reasonable. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of a payment order controlled by Customer. Customer agrees to be bound by any payment order sent in the name of Customer that is processed by Bank in compliance with the agreed security procedures whether or not authorized. If Bank in good faith believes that changes in security procedures are immediately necessary to reduce the risk of an unauthorized funds transfer, Bank may initiate such changes immediately and give notice to Customer as soon as practicable. Bank, Customer and its Authorized Users and other Agents shall maintain the highest possible level of confidentiality with regard to security codes, test code procedures, other security devices and other aspects of these procedures and will take all steps necessary to prevent access to them by unauthorized persons.

3. Inconsistent Names and Account Numbers

Bank and any other party executing or receiving a payment order, including the beneficiary's bank, may rely on the number in the payment order that identifies the beneficiary and on any numbers that identify the beneficiary's bank and any intermediate financial institutions identified in the payment order, even if such numbers do not correspond to the name of the beneficiary or the financial institution. Bank and any other receiving financial institution have no obligation to determine whether a name and number identify the same person or institution. Customer acknowledges that payment of a payment order initiated by Customer might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary. With respect to incoming wire transfers that do not include an account number recognizable to Bank, Bank may return the wire transfer to the sending financial institution without incurring any liability to Customer.

4. Routing/Time Deadlines

Bank may use means and routes that Bank thinks in its own discretion are suitable for each outgoing wire transfer. Bank will establish from time to time a specific time of day after which Bank will not accept an incoming payment order to be processed on the day of receipt. Payment orders received after Bank's established deadline or on any non-Business Day, including any Saturday, Sunday, holiday or any day that Bank's wire department is not open will be considered received on the next Business Day.

5. Recordation

Customer authorizes Bank in its discretion to record electronically or otherwise any telephone instructions and other conversations originated by Customer to Bank and by Bank to Customer.

6. Payment Orders

a. Communication. Customer may communicate a payment order to Bank by the means and manner agreed to between the parties.

b. Content of Payment Orders. Customer will supply to Bank any information Bank may reasonably request regarding any payment order initiated by Customer, including, without limitation, money amounts, affected accounts, dates of transfer, the beneficiary's name and account number, the routing number or BIC of the beneficiary's financial institution, such additional information as Bank may reasonably request and, if necessary, further evidence of any Agent's authority to transfer funds or to do any other act contemplated by this Service.

c. Execution of Payment Orders. Customer authorizes Bank to execute and charge Customer's account(s) with Bank for payment orders delivered to Bank in accordance with this Agreement. Bank has no obligation to execute a payment order if Customer's account to be charged has insufficient collected and available funds to cover the order.

d. Processing Payment Orders. The order in which Bank processes wire transfer payment orders is determined solely by Bank. Customer does not have the right to reverse, adjust or revoke any payment order after it has been received by Bank, provided, however, that Bank will make a reasonable effort to act on such a request by Customer. With respect to a payment order already transmitted to the beneficiary's financial institution, Bank shall, at Customer's request, request the financial institution to return funds previously transferred. Customer understands that the receiving institution is under no legal obligation to comply with this request.

e. Rejection of Payment Orders. Bank may reject a payment order from Customer if such payment order is not initiated in accordance with the applicable security procedure, if there is any inconsistency between a payment order and information previously supplied to Bank, if Bank is unable to obtain confirmation of such payment order satisfactory to Bank, if there are insufficient collected funds in Customer's specified account to fund the payment order, or if Bank has other reasonable grounds not to honor the payment order. Bank will notify Customer by telephone that it has rejected a payment order. Bank may also reject an incoming payment order if it has reasonable grounds to do so.

f. Standing Payment Orders. If requested by Customer and agreed to by Bank, Customer may initiate a standing payment order, which is one where the Customer pre-programs the beneficiary, the beneficiary's financial institution, and the accounts to be debited and credited and such information remains constant for subsequent payment orders. Customer shall provide Bank with the necessary information to execute the standing payment order, including, without limitation, the dollar amount to be transferred or the desired peg balance, the frequency of the order and the day of week or month when the payment order is to be executed. Customer may terminate a standing payment order at any time upon receipt by Bank of a written notice. Bank shall have a reasonable time to act on such notice.

g. Mainframe Batch Wire Transfers

   (i) **Service Specifications.** If requested by Customer and agreed to by Bank, Customer may initiate payment orders from its mainframe computer to Bank's mainframe computer, subject to the provisions of this Agreement. Customer will comply with interface specifications established by Bank, including, without limitation, file formats and means of data transmission (the "Specifications"). Bank may furnish Customer with modifications to the Specifications and Customer shall implement such modifications as soon as reasonably practicable.

   (ii) **Wire Transfer Software, Confidentiality.** Customer shall be solely responsible for creating the computer programs to implement the Specifications ("Wire Transfer Software"). Customer shall maintain the confidentiality of the Specifications and the Wire Transfer Software and permit access solely to those responsible for supporting the Wire Transfer Software or authorized to initiate Payment Orders.

Customer shall implement passwords and other security devices commensurate with the highest level of security afforded by Customer to other computer programs and confidential information of Customer.

7. Confirmation of Outgoing Wire Transfers

a. Confirmation Method. Customer and Bank shall agree to the method of confirming payment orders received from Customer. Customer shall designate Authorized Users to confirm payment orders. Bank recommends a minimum of three potential Authorized Users to confirm payment orders and that Authorized Users serve as an initiator or a confirmer, but not both. Notwithstanding Bank's recommendation, if Customer permits an Authorized User to act as both initiator and confirmer, Customer hereby authorizes Bank to process a wire initiated and confirmed by such Authorized User. Customer may add, change or delete the Authorized Users in accordance with section II.9. of this Agreement. In the event the designated Authorized Users with authority to confirm are not available to confirm a payment order, Customer agrees that Bank may, at its discretion, elect to process the payment order initiated by an Authorized User. Customer agrees to be bound by any such payment order processed by Bank.

b. Waiver of Confirmation. Bank advises Customer not to waive confirmation. If Customer, however, chooses to waive confirmation, Customer agrees to be liable for all outgoing payment orders, except those payment orders where (1) Customer is able to conclusively prove that the unauthorized transfer could not have been prevented by the use of confirmation procedures; (2) Bank is unable to produce any evidence that the unauthorized transfer could have been prevented by the use of confirmation procedures; and (3) Customer is not otherwise liable for the transfer under this Agreement, or applicable law. Customer acknowledges that not using confirmation procedures substantially increases the Customer's risk of liability for an unauthorized wire transfer.

c. Confirmation of Wire Transfers Initiated through electronic Bank applications. The confirmation of payment orders initiated by Customer through electronic Bank applications shall be verified and approved by Customer prior to their transmission to Bank. All payment orders shall be initiated and confirmed in accordance with the security procedures established for the relevant application.

8. Advices

a. Advice Method. Customer will select the type of advice it wishes to receive after Bank sends an outgoing wire transfer or receives an incoming wire transfer. If Customer selects telephonic advices, Customer will designate person(s) to be contacted and telephone numbers to be used for advice purposes. Bank shall not be required to make more than one attempt to reach Customer's designated location by telephone. If Bank is able to reach the Customer's designated location, but not Customer's designated Agent, Bank may leave a message containing the information to be conveyed.

b. Advices by Facsimile. If Customer selects advices by facsimile ("fax"), Customer shall exercise extreme care in maintaining its own security in the receipt of fax advices. Customer acknowledges that the information to be received by fax may include confidential information, including, without limitation, names, amounts, phone numbers, originating account information, and the text of incoming wires. Customer further acknowledges that it alone assumes full responsibility for maintenance of its internal security procedures to keep such information confidential. Bank shall not be liable for any and all claims, demands, expenses, liabilities and damages, including attorney fees at trial and on any appeal or petition for review, incurred by Bank arising directly or indirectly from the transmission by fax of an incoming wire transfer advice.

c. Waiver of Advice. Customer may waive its right under the Uniform Commercial Code to receive advices by so indicating on the applicable Implementation Documents.

9. International Wire Transfers

Wire Transfers across country borders are customarily done by Bank through a correspondent. Any fee, commission or charges assessed by the correspondent shall be passed on to the Customer or deducted from the wire transfer amount by the correspondent. Payment to a foreign country is subject to the laws of the foreign country involved. Bank assumes no liability for delays, non-delivery or other events resulting from causes beyond Bank's control. In refunding unexecuted payment orders, Bank shall be liable to Customer only to the extent it receives payment from the correspondent financial institution processing the transfer. Cancellation of a transfer involving other than domestic currency is subject to any rate exchange loss as determined by Bank. Customer agrees to sell any canceled payment order to Bank at the then current applicable foreign currency buy rate.

10. Reverse Wire Transfers

a. Authorized Debits. If requested by Customer and agreed to by Bank, Customer authorizes Bank to debit Customer's account(s) with Bank upon receipt of a Fedwire drawdown request, and to send funds to the Requesting Bank. Each transfer will be done on the Business Day Bank receives the incoming request from the Requesting Bank if the request is received within a reasonable time to determine whether Customer's Account has sufficient available funds and to obtain access to the Federal Reserve network prior to the close of business.

b. Reverse Wire Funding. Customer agrees not to transmit any reverse wire request in excess of available collected balances on deposit in the designated account(s). Bank may reject any reverse wire request in excess of the collected and available balance. Requesting Bank will be notified if the request is rejected by Bank.

c. Wire Transfer Numbers. Customer's obligation to pay Bank the amount of the funds transfer in the event that the Fedwire message does not identify the same account or financial institution is not excused in such circumstances. When names and numbers are inconsistent, the numbers shall control. With respect to incoming wire transfers that do not indicate an account number recognizable to Bank, Bank may return the wire transfer to the sending financial institution without incurring any liability. Customer does not have the right to reverse, adjust, or revoke any Fedwire message after it is received by Bank; however, Bank will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke such message before Bank has sent the outgoing wire transfer. With respect to an outgoing wire transfer already transmitted by Bank, Bank shall, at Customer's request, request the receiving financial institution to return funds previously transferred. Customer understands and agrees that the receiving financial institution may or may not comply with any such request.

d. Authorizations. Customer's authorization for reverse wire requests shall remain in effect until Customer gives written notice to Bank. Bank will have a reasonable time to act on any written notice received from Customer.

e. Limitation on Bank's Liability. In consideration of Bank's compliance with this authorization, Customer agrees that Bank's treatment of any charge, and Bank's rights with respect to it, shall be the same as if the entry were initiated personally by Customer. Bank shall have no liability if any charge is dishonored.

11. Additional Limits on Bank's Liability

Bank is responsible only for performing the Services described in this Section. Bank shall not be responsible for the acts or omission of Customer, any Federal Reserve Bank or other financial institution, any transmission or communication, or any other person and no such person shall be deemed to be Bank's Agent under this Agreement.

G. DATA TRANSLATION SERVICES

1. Introduction

Bank may provide electronic data integration, custom formatting, or data translation ("Data Translation Services") to electronically streamline the exchange of payments, remittance and other information between Customer and Bank and between Customer and its trading partners. If requested by Customer and agreed to by Bank, Bank will provide Data Translation Services in accordance with this Agreement and other procedures provided to the Customer. Customer agrees that Data Translation Services shall be governed by this Section and all other relevant sections of this Agreement.

2. Scope of Services

Data Translation Services may be used by Customer to initiate and receive payments sent through payment systems such as wire transfers, ACH and checks and to provide and receive business communications such as remittance reporting, invoices, confirmations, orders, or other information in Customer's preferred format. At all times during the maintenance of Data Translation Services, Customer will maintain an analyzed demand deposit account with Bank.

3. Accuracy and Timeliness of Information

Bank will use reasonable efforts to provide Data Translation Services in a prompt fashion. Bank assumes no responsibility for any delays, or for inaccurate or incomplete information with respect to transactions which have not been completely processed or posted to Bank's systems prior to being made available pursuant to Data Translation Services or with respect to payments and related information sent by Customer's trading partners or other financial institutions that are made available through Data Translation Services.

4. Entry Origination/Processing Dates/Deadlines

Customer may from time to time deliver to Bank requests to format information for payments and/or other data translation via the agreed upon means (collectively, "Data Translation Request(s)"). All Data Translation Requests shall conform to the content, format, deadlines and other specifications that may be established by Bank in this Agreement and related documentation, or communicated to Customer. Bank may establish different deadlines for Data Translation Requests depending on the method of delivery employed by Customer and all such deadlines are subject to change. Bank must receive Customer's Data Translation Requests at or prior to the deadline established for processing on the business day of receipt. Data Translation Requests received after the deadline will be processed on the next business day. Customer will be notified if a Data Translation Request is rejected in accordance with procedures established by Bank. Customer represents and warrants that all information in each Data Translation Request delivered to Bank by Customer shall be accurate, timely, authorized and will otherwise comply with all applicable laws, rules and regulations.

5. Content

Data Translation Requests are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to a Data Translation Request which is inaccurate, incomplete or otherwise incorrect. Customer shall retain data on file adequate to permit Customer to remake each request for at least ten (10) business days following the date a file is sent to Bank, and shall provide such data to Bank on request. Customer acknowledges that Bank has no obligation to maintain back-up copies of requests or other information delivered by Customer to Bank.

6. Payment Order Requests

Customer agrees that its requests to initiate payment orders utilizing Data Translation Services ("Payment Order Requests") shall be governed by this Section, the sections of this Agreement governing the applicable payment mechanism, and all other applicable laws, rules and regulations governing the relevant payment mechanism. Except as may be provided elsewhere in this Section or Agreement, Customer may not amend or revoke Payment Order Requests after they have been

received by Bank. Customer acknowledges that the rules of NACHA and other electronic funds transfer systems as well as paper check processing systems may make any credit provisional until the financial institution crediting the account of the beneficiary specified in a Payment Order Request receives final settlement and that if the financial institution does not receive final settlement, it is entitled to a refund and Customer shall be deemed not to have paid the beneficiary. Payment Order Requests with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. Customer is solely responsible for initiating Payment Order Requests sufficiently in advance to meet Customer's contractual obligations to its vendors and/or customers. Bank shall not be responsible for any late payment or finance charges that may result from Customer's failure to allow sufficient lead-time to make a Payment Order Request. Customer authorizes Bank to execute all Payment Order Requests, and settle to the Customer's account all Payment Order Requests, delivered to Bank in compliance with the terms of this Agreement, including the security procedures. Customer authorizes Bank to use whatever means Bank, in good faith, deems reasonable under the circumstances to execute each Payment Order Request, including selection of a funds transfer system, routing, and means of transmission. Customer also authorizes Bank, without prior notice or demand, to debit Customer's account for any other amount payable under this Agreement and to credit the account for any amount payable to Customer.

7. Check Payment Requests

Customer may from time to time request that Bank print checks and related remittance information ("Check Payment Request(s)") and distribute such checks and information. Customer shall designate the account(s) from which Bank is to make payment ("Payment Account") and shall maintain a sufficient balance in the Payment Account to fund its Check Payment Requests. To mitigate against fraud, Bank may require that Customer utilize positive pay services in conjunction with the Payment Account. Customer agrees that checks drawn in a manner consistent with a Check Payment Request shall be duly authorized to the same extent as a check drawn and signed by Customer and is properly payable by Bank. Customer authorizes Bank to deduct the Payment Account in the amount of the Check Payment Request. If there are insufficient funds in the Payment Account to make a Check Payment Request, Bank may in its sole discretion either refuse to make the payment or make it and overdraw the Payment Account. In either event, Customer shall incur fees as disclosed by Bank in the account agreement and related fee schedules and other disclosures. Customer has no right to reverse, adjust or revoke any Check Payment Request after it has been received by Bank. Bank will, however, make reasonable efforts to act on such a request by Customer.

8. Security Procedures

Customer shall comply with all security procedures, including any applicable file confirmation procedures, established by Bank for Data Translation Services. Customer agrees that all Data Translation Requests that involve the exchange or transmission of banking information shall only use secure transmission options supported by Bank. For some Services, such as ACH, Customer and Bank may establish alternative, comparable security procedures for accessing such Services when Data Translation Services are utilized. Customer is solely responsible for maintaining its own internal security procedures to prevent errors or unauthorized access to Customer's computer systems by unauthorized employees, vendors or customers. Bank has no responsibility for the security procedures employed by Customer's trading partners.

a. File Confirmation Procedures. File confirmation procedures utilizing Data Translation Services are solely for the purpose of verifying Bank's receipt of the Payment Order Requests but not for identifying errors in transmission or content. Where file confirmation procedures are required by Bank or selected by Customer, Customer shall provide Bank with the total items and dollar value of Payment Order Requests or any other necessary information ("Control Totals"). Customer may provide Bank with Control Totals by calling Bank's Interactive Voice Response ("IVR") or by sending a data file to Bank. After Bank receives Customer's Payment Order Requests, Bank will compare the Payment Order Requests to the Control Totals. If the Control Totals match the

Payment Order Requests, Bank will process the Payment Order Requests. Bank will not process Payment Order Requests if Bank does not receive conforming Control Totals on or before the established Payment Order Requests delivery deadline on the Business Day it receives the Payment Order Requests. Bank will notify Customer if the Control Totals do not match the Payment Order Requests, or if Bank receives Payment Order Requests without receiving Control Totals or vice versa.

Bank shall have no obligation to research any damaged, lost or destroyed items if Customer fails to notify Bank within the prescribed time.

6. Processing
Bank is authorized to open the bag and to process the contents in accordance with Bank's normal procedures and any applicable availability schedules. 7. Actual Receipt Required
Bank is not liable for any losses, damage or destruction of items that occur while in the custody of the Courier. If Customer chooses to pay federal taxes by any other means, payments may not be EFTPS compliant. Customer understands that Bank's EFTPS enrollment form 8655 does not replace the EFTPS form 9779, which is sent to mandated companies by the Internal Revenue Service. Customer may also make state tax payments using EasyTax. Customer agrees that the EasyTax Service shall be governed by this Section and all other relevant sections of this Agreement.

2. Submission of Information
Customer shall initiate an ACH Entry furnishing Bank with complete and accurate master file information which shall enable Bank to file tax deposits with the appropriate tax authorities in a timely manner. The Services provided by Bank hereunder shall be based solely upon the information furnished by Customer to Bank. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Customer bears sole and exclusive responsibility to verify that the information provided to Bank is complete and accurate. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to information which is inaccurate, incomplete or otherwise incorrect. The Service provided hereunder does not relieve Customer of any duty imposed on Customer by law to maintain records or from verifying and, if necessary, immediately correcting in writing all data received from Bank relating to the Service. Customer does not have the right to delete or amend any ACH Entry after it has been received by Bank unless Customer has previously requested, and Bank has agreed to provide, ACH Adjustment Services. If ACH Adjustment Services are provided, subject to certain limitations, Customer may initiate an amendment to its ACH files after receipt by Bank. Such amendment may be initiated via fax and all faxed communications must be received by Bank prior to the established deadlines in order to be effective. Customer agrees to be bound by any instructions, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures. Bank shall have no liability for any delay caused by strikes, telephone failure, equipment or electrical failure, or any other condition beyond the reasonable control of Bank.

4. Receipt of Funds
Funds received by Bank from Customer shall be held as a deposit liability of Bank to Customer until such time as such funds are due and paid to the appropriate tax authorities. Customer is not entitled to interest on such funds and Bank may invest such funds solely for Bank's benefit.

5. Account

Customer shall maintain with Bank a commercial demand deposit account in which Customer shall maintain immediately available funds in an amount sufficient to cover all tax deposits and fees charged by Bank for the Service hereunder. Failure by Customer to maintain such funds shall relieve Bank from providing such Service, notwithstanding any request by Customer to provide the Service.

6. Liability

Bank shall not be liable for any penalties assessed by reason of failure of Customer to make any tax payments. Interruption of the Service or performance hereunder for any reason shall not relieve Customer of its obligation to make any required tax deposits, and Bank shall not incur any liability to Customer for failure by Customer to make any such deposit. If Customer elects to make a tax deposit by any means other than through Bank, Bank shall not be liable for any penalties or interest arising from any error in due date or other calculations for deposits made within the period in which such other deposit was made. Bank may choose to provide its EasyTax Service through a third-party vendor. Bank and its third party vendor's liability to Customer is limited to correcting any error made by the Bank or third-party vendor. The sole and exclusive remedy, at law or in equity, against Bank or third party vendor is limited to money damages in an amount not to exceed the total amount paid to Bank for EasyTax fees during the twelve (12) months preceding the event giving rise to the liability. Neither Bank nor third party vendor will be liable for special, incidental, or consequential damages. Customer acknowledges that the EasyTax Service would not be available or would be available at substantially increased rates without the liability and remedy limitations set forth in this agreement.

7. Codes

Customer shall keep confidential the Access and PIN codes issued to Customer in connection with the Service, and only Customer shall use such codes. If Customer suspects that any such codes have become known or otherwise accessed by unauthorized persons, Customer shall notify Bank immediately and follow up such notice with written confirmation. The occurrence of unauthorized access will not affect any deposits made in good faith by Bank before Bank has received such notification and had a reasonable time to act to prevent any unauthorized deposits.

K. PAPER-BASED DISBURSEMENT SERVICES

1. Controlled Disbursement

a. Disbursement Account. If requested by Customer and agreed to by Bank, Customer will open and maintain a demand deposit account ("Disbursement Account") and a primary funding account ("Funding Account") at Bank. The disbursing bank may be a financial institution that is a subsidiary or affiliate of Bank or Bank itself. Bank reserves the right to require customer to use Bank's positive pay service in conjunction with the use of Disbursement Account(s). Customer hereby authorizes and directs Bank to act on its behalf and as its Agent, as Bank in its sole discretion deems necessary or advisable, in performing any of the Controlled Disbursement Services and related Services.

b. Funding Procedures. On each Business Day, Bank shall electronically provide Customer with a report of the total aggregate amount of all presented disbursement checks, and ACH transactions posted in the early morning ACH window, net of the prior day adjustment and other charges to the Disbursement Account (the "Total Clearings"). Customer agrees to maintain sufficient collected balances in the Funding Account by the established deadline to fund the Total Clearings. Bank is hereby authorized to debit the Funding Account in an amount equal to the actual or estimated Total Clearings and to transfer funds in said amount for credit to the Disbursement Account. Bank reserves the right to convert the Disbursement Account into a standard prepaid checking account at any time upon notice to Customer.

c. Adjustments. Bank will compare the report of electronic presentments to the checks presented against the Disbursement Account. If the total dollar amount of checks electronically reported is less than the total dollar amount of checks presented, Bank will credit the Disbursement Account for the difference. Bank will add this difference to Customer's Total Clearings the next Business Day.

d. Daily Dollar Limit. A daily dollar limit (the "Dollar Limit") may be established from time to time by Bank with respect to the Disbursement Account with reasonable notification to the State. Bank shall have no obligation to pay disbursement checks and ACH transactions (collectively, "Items") in excess of the Dollar Limit. Bank may, at any time, either verbally or in writing (but shall not be deemed obligated to) notify Customer of any change made by Bank in the Dollar Limit. Establishment of the Dollar Limit should not be interpreted or construed by Customer as any commitment or agreement by Bank to provide any credit or loans to Customer, nor as an agreement or commitment to debit the Funding Account when doing so would create a negative balance therein.

e. Special Circumstances. Customer acknowledges that Bank, under some circumstances beyond its control, may at times be unable to provide a report of the total amount of its Total Clearings early enough for Customer to make a complete and acceptable funding of the accounts. Customer nevertheless agrees to fund the Funding Account completely by using an estimate of the Total Clearings.

f. Action Affecting Accounts. Should Bank receive any process, summons, order, injunction, execution, levy, lien, garnishment, or adverse claim notice (either by a governmental authority or third party) (hereinafter referred to as "Process"), which Bank reasonably believes will adversely affect the Funding Account or the Disbursement Account, Bank may, at its option and without liability, refuse to honor orders to pay or withdraw sums from any Disbursement Account and may either hold the Funding Account balance herein until such Process is disposed of to the satisfaction of Bank or pay the balance over to the source of the Process in accordance with applicable law.

g. Return of Items Unpaid. Bank reserves the right, with reasonable notification to the State, to return unpaid any or all Items presented for payment against the Disbursement Account in the event that:

    (i)   there are insufficient collected and available balances on deposit in the Funding Account by the established deadline to fund the Total Clearings;

    (ii) debits cannot be posted because the Disbursement Account or Funding Account is frozen, blocked, closed or because of any other condition; or

    (iii) any communications failure or other condition prevents Bank from monitoring Customer's Dollar Limit and/or the Items presented for payment.

h. Stop Payment Orders. Customer may issue stop payment orders on Items drawn on the Disbursement Account in accordance with Bank's procedures.

2. Drafts/Warrants

a. Draft/Warrant Account. If requested by Customer and agreed to by Bank, Customer shall open and maintain a demand deposit account upon which drafts or warrants shall be drawn and will be charged (the "Draft Account"). Customer shall maintain on deposit sufficient collected and available balances to cover items drawn on the Draft Account.

b. Draft/Warrant Format. All drafts/warrants shall contain on the face of the item the words "draft" or "warrant," and "payable through U.S. Bank." Customer will also encode all drafts/warrants in accordance with Bank specifications. Customer agrees to immediately make any changes to the format of the drafts/warrants or encoding when requested to do so by Bank and will be solely responsible for its failure or refusal to comply with Bank's specifications.

c. Presentment and Return. Bank shall make drafts/warrants presented to Bank available to Customer via electronic presentment. Bank shall notify Customer by electronic means of the account number, draft number and dollar amount of all presented drafts/warrants and provide Customer with a front and back image of each draft/warrant received by Bank. Bank's delivery of the images shall constitute an electronic presentment under the Uniform Commercial Code, Federal Regulation CC and other applicable laws. Draft/Warrant services are additionally subject to the Reverse Positive Pay terms contained elsewhere in this Agreement. Customer shall notify Bank of each draft/warrant that should be returned in the form agreed to by Bank and Customer. If Customer does not specifically decline payment of a draft/warrant by the deadline established by Bank, such draft/warrant will be finally paid by Bank. Customer acknowledges that drafts/warrants payable through Bank are considered to be drawn on Bank for purposes of the expeditious return and notice-of-nonpayment requirements of subpart C of Regulation CC of the Federal Reserve Board. If Bank agrees to return a draft/warrant following Bank's deadline, Customer agrees to be responsible for Bank's failure to return the draft/warrant in an expeditious manner as prescribed in Regulation CC. Bank shall be deemed to have made timely presentment to Customer with respect to any drafts/warrants that Bank receives at a time when it is prevented from making presentment to Customer as a result of any force majeure including, but not limited to, earthquake, flood, hurricane, tornado, volcanic eruption, severe weather event or other act of nature, war, riot, civil disturbance, strike, lockout, and disruption in telecommunications service not the fault of Bank.

d. Examination of Drafts/Warrants. Bank shall have no responsibility to examine drafts/warrants prior to presentment to Customer for its payment decision. Bank will take ordinary care to see that the amount of each draft/warrant as drawn is accurately posted to Customer's account. Bank will not make any attempt to verify signatures, endorsements or restrictive clauses on drafts/warrants. Bank will not examine the dates on which drafts/warrants have been drawn for undated, stale or post-dated items. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance with this Section of any draft/warrant that is altered or unsigned or that bears the forged or unauthorized signature of Customer or (ii) return of any check to the depository bank in accordance with this Section.

e. Encashment of Drafts/Warrants. Unless otherwise instructed by Customer, Bank is authorized to pay its drafts or warrants issued by Customer that are presented for encashment by payees. Bank will not be liable for the encashment of any draft/warrant which contains, or is purported to contain, a forged signature of a maker or endorser, or any

other unauthorized modification, as long as Bank exercises ordinary care in cashing the draft/warrant.

f. Controlled Funding

(i) **Funding Account; Report of Incoming Debits.** If Customer has selected a Controlled Draft/Warrant Account, Customer agrees to open and maintain a primary funding account ("Funding Account"). All drafts/warrants drawn shall be provisionally charged to Customer's Controlled Draft/Warrant Account on the Business Day of receipt by Bank and such charges shall become final and irreversible, except as to drafts/warrants that are dishonored as provided herein. Bank shall on each Business Day make reasonable efforts to electronically provide Customer with a report of the total aggregate amount of all presented drafts/warrants ("Items"), net of the prior day adjustment, and other charges to the Controlled Draft/Warrant Account (the "Total Clearings"). If for any reason Bank is unable to provide Customer with the Total Clearings, the Total Clearings for such day shall be estimated by Customer. Any discrepancies shall be reconciled on the following Business Day.

(ii) **Funding Procedures.** Customer shall maintain on deposit in the Funding Account sufficient collected and available funds to cover drafts/warrants charged to the Controlled Draft/Warrant Account. Bank is hereby authorized to debit the Funding Account in an amount equal to the actual or estimated clearings charged against the Controlled Draft/Warrant Account. If Bank and Customer agree to other methods of funding the drafts/warrants, Customer shall be responsible for compensating Bank for any uncollected funds which may occur and Bank may require suitable approval and the establishment of daily dollar limits.

(iii) **Adjustments.** Bank will compare the report of electronic presentments to the drafts/warrants presented against the Controlled Draft/Warrant Account. If the total dollar amount of drafts/warrants electronically reported is less than the total dollar amount of drafts/warrants presented, Bank will credit the Controlled Draft/Warrant Account for the difference. Bank will add this difference to Customer's Total Clearings the next Business Day.

(iv) **Return of Items Unpaid.** Bank reserves the right, in Bank's sole discretion, to return a draft/warrant unpaid in the event that: (a) there are insufficient available and collected funds in the Funding Account by the established deadline to fund the Total Clearings; or (b) debits or charges cannot be posted because the Controlled Draft/Warrant Account or Funding Account is frozen, blocked, closed or otherwise unavailable.

(v) **Account Limitations.** Customer shall not initiate or authorize an ACH debit entry or other electronic debit or payment order from the Controlled Draft/Warrant Account.

L. POSITIVE PAY SERVICES

1. Introduction

Positive Pay Services are offered by Bank as the most effective way to minimize loss from fraudulent check issuance or payment. If Positive Pay Services are requested by Customer and agreed to by Bank, Customer and Bank agree that in the event of an inconsistency between this Agreement and applicable law, the provisions of this Agreement shall prevail to the extent permitted. Nothing in this Agreement is intended to limit Bank's right to return an item unpaid if there are insufficient available funds in the designated account.

2. Format Specifications

Customer shall comply at all times with Bank's format and data transmission standards for the Positive Pay Service. Customer agrees to issue checks, drafts, warrants or other items (collectively, "Items") in accordance with Bank's specifications and will change the Item format when requested to do so by Bank. Bank shall not be responsible for correcting or resolving processing problems caused by substandard quality magnetic encoding. Customer shall supply Bank with sample Items for testing.

3. Positive Pay

a. **Customer Responsibilities.** Customer shall designate to Bank all account(s) that are to be used with the Positive Pay Service ("Account"). Customer will provide Bank with a file of all outstanding Items prior to activation of this Service. On each day that an Item is written against the Account, Customer shall supply Bank with all required Item issue information prior to the deadline established by Bank. Such information shall include, without limitation, the account number, the issue date, the Item number and the face amount. Customer shall be responsible for the accuracy and completeness of all information provided to Bank.

b. **Bank's Responsibilities.** In reliance on the information provided by Customer, Bank shall create a master issue file for each designated Account ("Issue File"). If ARP File Confirmation service is selected by Customer, Bank shall process the Issue File and provide a confirmation to Customer that the Issue File was received and processed. Excluding valid stop payment orders and issue records voided by Customer request, all Items, including those that have been electronically converted, that match by serial number and amount to Bank's Issue File will be deemed properly payable and Bank is authorized to pay all such Items.

c. **Paid No Issues.** Each business day, Bank shall make report to Customer any Item serial numbers that do not match the Issue File ("Paid No Issue") and, if requested and available, provide the front and back images of those Items for that day's presentment; provided, however, no images shall be provided in the case of electronically converted Items. Customer agrees to review and make payment decisions on the Paid No Issue Items prior to Bank's established deadline. If Customer's requested default setup is for Bank to pay all Paid No Issue Items, then Bank is authorized to finally pay any Paid No Issue Item unless Customer has instructed Bank to return the Paid No Issue Item prior to the established deadline. If Customer's requested default setup is for Bank to return all Paid No Issue Items, then Bank is authorized to return any Paid No Issue Item unless Customer instructs bank to pay a Paid No Issue Item prior to the established deadline. Bank may rely on any instructions received from Customer that Bank reasonably believes to be genuine. Bank shall have no responsibility for any liability, loss or damage resulting from: (i) payment in accordance with this section of any Paid No Issue Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer; (ii) the return of any Paid No Issue Item to the depository bank in accordance with this section; or (iii) Customer's failure to meet Bank's established deadlines. Customer may be required to place a stop payment order on any returned Paid No Issue Item, which shall be subject to Bank's customary stop payment fee. Bank's failure to report a discrepancy will not discharge Customer's obligation with regard to any Item, and shall not obligate Bank to return any Item if it is otherwise properly payable.

d. **Teller Positive Pay.** All positive pay accounts will interface with the Bank's teller system unless otherwise agreed by Bank. Bank will compare Items presented for cash at a branch of the Bank with

Customer's Issue File. Customer agrees that Bank may refuse to cash any Paid No Issue Item and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer's Issue File until the opening of the following business day. Customer agrees to follow established procedures should it need to manually add an Item to the Issue File. Bank will make reasonable efforts to assist Customer, but Customer acknowledges that Bank may be unable to process such requests on a same day basis. In the event that Customer requests Bank not activate or temporarily deactivate teller positive pay, Customer agrees to assume all risk of loss for any Bank teller-cashed Item that would have been identified as a Paid No Issue Item prior to acceptance.

e. Payee Positive Pay. If Customer selects this option which is available only through SinglePoint®, Customer's Item stock shall first be tested to ensure it meets Bank's payee name readability rate. Customer shall designate to Bank all positive pay accounts that shall use Payee Positive Pay. In addition to the Item issue information provided by Customer for the positive pay service, Customer shall supply Bank with the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item with Customer's Issue File for Items presented in the back office and at the teller line. Customer acknowledges that Bank will not be able to validate payee information for electronically converted Items presented to Bank for payment. Bank may, in its sole discretion, impose variable parameters for which the payee information will not be reviewed for certain Items processed through the back office. If such parameters are imposed, Bank agrees to assume the risk of loss for an Item that would have been identified as a Paid No Issue solely on the basis of the payee information.

f. Teller Payee Positive Pay. If Customer selects this option, Customer shall designate to Bank all positive pay accounts that shall use Teller Payee Positive Pay. In addition to the Item issue information provided by Customer for the positive pay service, Customer shall supply Bank with the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item presented for cash at a branch of the Bank with Customer's Issue File. Customer agrees that Bank may refuse to cash any Item where the payee name is not an exact match and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer's Issue File until the opening of the following business day.

4. Reverse Positive Pay
a. The Paid File. Customer shall identify all accounts subject to Reverse Positive Pay ("Account"). When an Item is presented for payment against an identified Account, Bank shall notify Customer prior to the designated time, and in no case later than the business day following the day of presentment, of the Account number, Item number and amount of the presented Item (the "Paid File") and, if requested and available, shall provide Customer with the front and back images of the Items. By electing Reverse Positive Pay, Customer assumes all fraudulent and other risks associated with teller-cashed Items unless Customer provides standing instructions to Bank to disallow encashment at the teller line.

b. Payment Instructions. Customer shall compare the information provided by Bank with Customer's Item issuance records. Customer shall notify Bank prior to the deadline established by Bank of Customer's decision on any reported Items that should be dishonored. Bank may rely on any instructions received from Customer that it reasonably believes to be genuine. Bank is authorized to finally pay any Item listed on the Paid File unless the Customer instructs Bank to return the Item prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance

with this section of any Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer or (ii) return of any Item to the depository bank in accordance with this section. Bank reserves the right to require Customer to place a stop payment order on any Item to be returned. Any such orders will be subject to Bank's customary stop payment fee. Customer shall notify Bank by the designated deadline if the Paid File has not been received from Bank. Bank will make reasonable efforts to provide the Paid File to Customer and honor Customer's instructions. Bank's failure to provide a Paid File will not discharge Customer's obligation with regard to any Item that was otherwise properly payable at the time of presentment.

M. LOCKBOX SERVICES

1. Lockbox Service Requirements
Bank provides retail and wholesale Lockbox Services to assist customers in expediting receipt of their remittances. Customer will have its customers forward their payments to the location designated by Bank ("Lockbox"). Prior to initiation of any Lockbox Service, Customer must maintain a demand deposit account with Bank.

Customer authorizes Bank to pick up mail at the appropriate postal facility, to have custody of the keys or combinations and unrestricted and exclusive access to such box, and to collect the mail therein to be processed by Bank as agreed by the parties. Bank shall process remittances in accordance with its standard procedures or in accordance with prior instructions received from Customer and agreed to by Bank. Upon termination of Customer's Lockbox Service, mail received shall be forwarded for sixty (60) days following termination.

3. Proprietary Rights
Bank possesses all proprietary rights to written material, including, without limitation, all computer programs written for Bank's Lockbox processing system, portable media, listings, and other documentation originated and prepared by Bank. Customer shall not duplicate, sell, or use in any manner such programs or documentation without the prior written consent of Bank.

4. Collections/Availability
Unless otherwise agreed, while Customer receives Lockbox Services, all collected funds held in the account shall be deemed to be Customer's funds for all purposes, including adjustment, attachment, execution, garnishment and other forms of legal process. The crediting and collection of items will be handled under the same agreement as applied to other commercial deposits and shall be subject to Bank's then current funds availability schedule.

5. Transmission of Information
Bank shall transmit to Customer remittance information or other information received at the lockbox ("Lockbox Information") via secure electronic transmission. Customer acknowledges that the Lockbox Information may include consumer information that is confidential and may be subject to privacy laws and regulations, including unauthorized access or breach notification regulations. Customer further acknowledges that Bank has a duty to protect Lockbox Information and ensure that it is safely delivered to Customer and that Bank has deemed secure electronic transmissions to be the safest mechanism for delivery. If Customer elects to receive the Lockbox Information using other delivery means including paper reports, CDs, DVDs, or other portable electronic media, Customer acknowledges that such delivery means are susceptible to risk and agrees that Bank shall not be liable for any obligations, liability or losses that results from the non-receipt, disclosure, dissemination, alteration or unauthorized access of the Lockbox Information.

6. Retail Lockbox Processing
Bank is authorized to open each envelope and remove the contents, disregarding all notations and other marks on the envelopes. Bank shall not examine checks or other items with respect to payee names, check dates and check signatures. Bank is not required to retain remittance envelopes or forward them to the Customer. Bank will disregard any restrictive notation on any check, including but not limited to "paid in full", whether preprinted or handwritten, and shall treat any such check as though such language did not appear thereon. Bank will process, endorse and deposit remittances in accordance with its standard procedures. If Bank is unable to determine the amount of a check, such check will be forwarded to Customer as non-processable. Bank will deliver miscellaneous enclosures, non-processable transactions and remittance data in accordance with the Implementation Documents. Payment coupons and envelopes submitted to Bank for processing must meet the specifications designated by Bank from time to time. All changes in coupon and return envelope design are subject to prior testing and approval by Bank. Bank may adjust the price for processing Customer's payments if changes are made to Customer's coupons and/or envelopes (including coupon scan line configuration) without such prior approval.

7. Wholesale Lockbox Processing
Bank is authorized to remove and examine the contents of each envelope in accordance with Bank's wholesale lockbox servicing guidelines and shall observe the following guidelines provided in this section. Bank shall capture, format and send remittance data to Customer via information reporting or data transmission in accordance with the Implementation Documents. Customer shall not use any form of prepaid business reply mail envelopes for its lockbox remittances and shall review any proposed envelope changes with Bank prior to use.

a. Check Date. Bank will not examine any checks or other items with respect to check dates.

b. Check Amount. If Bank is unable to determine the amount of a check, such check will be forwarded unprocessed to Customer as an exception.

c. Payee. Checks made payable to the acceptable payees listed in the Implementation Documents or any reasonable derivation thereof are acceptable for deposit. Checks made payable to others will be returned by Bank as exceptions.

d. Missing Signature. In the absence of a signature, Bank will process the check.

e. Exceptions. If a check is treated as an exception, it will be forwarded by Bank to Customer with the remittance data, and not deposited or otherwise reflected in the account of Customer.

f. Correspondence. Any correspondence, invoices and miscellaneous enclosures which are included with a payment, as well as any envelope that does not contain a check, will be returned to Customer.

g. Notation. Customer agrees that Bank shall disregard any notation on a check containing "paid in full" or other restrictive notation, whether preprinted or handwritten, and treat any such check as though such notation did not appear thereon.

N. RETAIL LOCKBOX CHECK CONVERSION SERVICES

U.S. Bank's Retail Lockbox Check Conversion ("RLCC") services provides Customer with the services necessary to convert eligible check payments received within U.S. Bank's retail lockbox into ACH Entries or other check collection mechanisms. Customer agrees that RLCC services shall be governed by this Section and other relevant sections of this Agreement.

Depending on current technological availability and the processing options selected by Customer, checks received from Payor Customers at Customer's designated U.S. Bank lockbox will be processed via ACH, original paper check presentment, or captured into Check Images and/or MICR Data. checks or any other use of Transaction Data by Customer or Bank, and the conversion of Payor Customers' checks or check information to ACH Entries and/or Check Images (including subsequent Substitute Checks, Demand Drafts or PILs created from such Images). Customer is solely responsible for ascertaining the content, method, and frequency of any required authorizations and notifications.

4. Determination of Items Eligible for ACH Processing

Only original paper checks that qualify as a source document may be converted to an ACH Entry under NACHA Rules. Customer or its agent is responsible for providing and updating Bank with current information on those Payor Customers that have opted-out of ACH check conversion. Customer or its agent shall provide this opt-out information to Bank in a timely manner and in the appropriate MICR Data format that includes correct MICR line spacing and other technical details per Bank's requirements, so as to allow Bank to rely on this information prior to processing the checks. If Customer has selected a processing option that uses ACH Entries to collect payments from Payor Customers, Bank will apply certain automated internal edits and screens to determine whether the original paper check is a source document that qualifies for conversion to an ACH Entry. Customer acknowledges and agrees that Customer is the Originator of such ACH Entries under NACHA Rules regardless of whether Customer or Bank initiates the ACH Entry into the payment system. Bank shall have no liability to Customer or any other person in the event that a Payor Customer's check or check information is processed or converted by Bank to an ACH Entry, Check Image, Substitute Check, Demand Draft or PIL, and such check or check information was not eligible for any reason for processing as, or conversion to, such an item.

5. Processing of Checks

c. If Customer elects to have its returned paper items directed to another financial institution or entity apart from Bank, Bank shall not be liable for any late returned items.

8. Representment of Returns
a. If an ACH Entry is returned because the original paper check was ineligible as a source document for the ACH Entry, Bank shall use reasonable efforts to collect the check related to the ACH Entry by presenting the original paper check (if not destroyed) or creating, in Bank's sole discretion, a Substitute Check, a Demand Draft or a PIL from the image of the original paper check. 12. Representations and Warranties
With respect to each original paper check, Check Image or Electronic Deposit, Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law, clearinghouse rule, Federal Reserve Operating Circular, bi-lateral agreement or otherwise, to any person (including without limitation a collecting bank, a Federal Reserve Bank, a Receiving Depository Financial Institution, a paying bank, a returning bank, the drawee, the drawer, any endorser, or any other transferee) when Bank transfers, presents or originates the original paper check, Electronic Deposit or Check Image, or a Substitute Check, Demand Draft, PIL or ACH Entry created from that Check Image or MICR Data.

13. Customer Responsibility
With respect to each original paper check, Check Image or Electronic Deposit, Customer agrees Bank shall not be liable for any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly: (a) from Customer's breach of a representation or warranty as set forth in section 12 above, (b) as a result of any act or omission of Bank in the capturing, creation or transmission of the Check Image or Electronic Deposit, including without limitation the encoding of the MICR Data from the original paper check; (c) from any duplicate, fraudulent or unauthorized check, Check Image, MICR Data, Substitute Check, Demand Draft, PIL or ACH Entry; or (d) for any loss caused by Bank's creation of a Check Image, MICR Data, Substitute Check, Demand Draft, PIL or ACH Entry instead of presentment of the original paper check; or (e) from any other act or omission arising out of Bank's action or inaction taken pursuant to any

request by Customer or pursuant to this Agreement. This section 13 shall survive termination of the Agreement.

14. Rules Applicable to Collection of Checks
Customer acknowledges and agrees that an original paper check, Check Image, MICR Data, Substitute Check, Demand Draft or PIL may, in the sole discretion of Bank, be collected through one or more check clearinghouses, one or more Federal Reserve Banks, or an agreement with another financial institution or image share/exchange network. In such cases, the original paper check, Check Image, MICR Data, Substitute Check, Demand Draft or PIL is subject to the rules of that clearinghouse, Federal Reserve Bank, or image share/exchange network or financial institution agreement.

15. Accuracy and Timeliness of RLCC services
Performance of the RLCC services may be affected by external factors such as communication networks latency, mail delays and other factors beyond Bank's control. Information with respect to all transactions is provided solely for Customer's convenience, and Customer shall have no recourse to Bank as to use of such information.

O. RETURNED CHECK MANAGEMENT

If selected by Customer and agreed to by Bank, Customer may direct that checks deposited by Customer at multiple bank locations and which are returned by the drawee bank(s) ("Returned Items"), be processed by Bank regardless of the identity of the bank of first deposit. Customer agrees that this Service shall be governed by this Section and all other relevant sections of this Agreement.

1. Returned Items

All checks deposited by Customer shall have been endorsed by Customer using a form of endorsement and routing number(s) prescribed by Bank directing that all Returned Items be sent to Bank. Upon receipt of any Returned Items (which may include the original, replacement paper document, or electronic image, of such Returned Items), Bank will process them as consolidated returned items and charge Customer's designated account. Customer acknowledges that the success of items processed via Returned Check Management is dependent on the quality, consistency and location of the routing information and endorsement stamp placed by Customer. All uncollected Returned Items shall be forwarded by Bank to Customer as described in the Implementation Documents.

2. Redeposited Returned Items

Upon Customer's request, Bank will automatically redeposit checks returned unpaid due to insufficient funds. Customer has a right to be notified whenever a check Customer deposits is returned unpaid. To simplify collection of these items, Customer agrees to waive this right of notification for redeposited items. If these items are returned a second time, Customer will receive a standard notification together with the original, replacement paper document, or electronic image, of the Returned Items. Bank reserves the right to place a hold on any redeposited Returned Item.

3. Adjustments.

Customer shall not receive provisional credit if Customer's adjustment request is received by Bank fifteen (15) days past the initial return date that the Returned Item posted to the account. (In the case of a duplicate Returned Item, the 15 days runs from the date of posting of the first Returned Item). For these adjustment requests, Bank shall provide Customer with credit only upon Bank's receipt of credit from the Federal Reserve or from another financial institution.

4. Reporting; Fees and Charges

Bank shall provide Customer with Returned Item activity reports using the reporting method described in the Implementation Documents. If any late return claim is accepted, Bank shall credit Customer's designated account, as soon as, but not before, the funds relating to such late return claim are made available to Bank by the financial institution to which said late return claim was made. Bank shall not be liable for any loss or damage (including attorneys' fees and other costs incurred in connection therewith) relating to or arising out of any late Returned Item, including those claimed or incurred under Regulation CC of the Board of Governors of the Financial Reserve System ("Regulation CC") or otherwise as a result of: (a) any delay in returning an item to the depositary bank; (b) any noncompliance with the expeditious return and notice-of-nonpayment requirements of Regulation CC; and (c) any breach of warranty made by Customer or Bank.

6. Misrouted Items

From time to time, Returned Items may be routed by the drawee banks to the bank of first deposit. Customer shall provide all of its banks of first deposit with instructions, in a form acceptable to Bank, describing the procedures for re-directing misrouted items to Bank.

7. Electronic Return Services

National Automated Clearinghouse Association ("NACHA') Rules allows Customer to utilize ACH to electronically collect certain checks that have been returned unpaid for insufficient funds. In the event that Customer, Bank or its third party vendor initiates an ACH entry on Customer's behalf for check collection purposes ("RCK Entry") on Returned Items, Customer agrees that such RCK Entry will comply with all relevant provisions of this Agreement and NACHA Rules. Customer shall provide clear and conspicuous notice of its electronic check representment policy at the time the check is initially presented to Customer.

8. Collection Fee Services

Customer may request that Bank or its third party vendor collect Returned Item fees on Customer's behalf. Customer agrees to comply with all relevant provisions of this Agreement and all applicable laws, rules and regulations governing collection fees, including but not limited to, the Fair Debt Collection Practices Act and NACHA Rules. If Customer elects to collect Returned Item fees via ACH, Customer makes the following representations and warranties regardless of which party initiates the ACH entry on its behalf:

Customer grants Bank a security interest in and right of set-off with respect to the Account for purposes of effecting Repayment Transactions.

2. As of the close of business on each Business Day, Bank will determine the Deficiency Amount, if any. If Bank determines that there is a Deficiency Amount, Bank will charge the Credit in an amount equal to the lesser of (i) the amount by which such available balance is less than the Target Balance or (ii) the amount which is available to be borrowed under the Credit (the lesser of such amounts being referred to as the "Loan Amount"), plus the amount of any fees and charges under the Credit, and credit the Account in an amount equal to the Loan Amount (a "Loan Transaction"); provided, however, that Bank will not be required to initiate any Loan Transaction in an amount less than a minimum sum mutually established by Bank, and Bank will not be required to initiate any Loan Transaction if any default exists under any Credit Agreement or these Terms and Conditions or Bank is otherwise excused or prohibited under any Credit Agreement or applicable law from making an advance to Customer. a. If a Commercial Sweep Account Investment Option has been requested and agreed to by Bank, Customer authorizes Bank to transfer funds on a manual or automated basis to and from the demand deposit account ("DDA") and investment device selected by Customer. Funds will be transferred between the accounts so that: (a) to the extent funds are available in either account, Customer's DDA maintains an average collected balance equal to a pre-established balance ("Peg Balance"); and (b) any collected funds in the DDA that exceed the Peg Balance are invested by Bank as directed by Customer in accordance with this Agreement. Amounts invested in money market mutual funds, including investment income, will be liquidated and credited back to the DDA as needed so that the average collected balance of Customer's DDA equals the Peg Balance. Amounts invested in other investment options, including interest or other investment income, will be credited back to the DDA upon maturity. Bank may limit the amount of excess collected funds that it will invest on behalf of Customer on any particular Business Day. Bank may also impose a maximum redemption amount to bring the DDA to the Peg Balance on a particular Business Day. If Customer's Investment Option is not available on a given Business Day, then all excess funds will remain in the DDA until the next Business Day.

b. Bank is authorized to accept verbal instructions, including telephone instructions, from Customer representatives for the transfer of funds between Bank and Customer and between Customer's accounts. Bank shall not be accountable for errors in judgment but only for gross negligence or willful misconduct. Bank shall not be required to comply with any direction of Customer which in Bank's judgment, may subject it to liability or to defend or prosecute any suit or action unless indemnified in a manner and amount satisfactory to it.

e. Bank will act as agent to invest on the order and for the benefit of Customer. The Services described herein are provided by Bank to Customer solely as bona fide treasury management services. Bank does not undertake any fiduciary obligation to Customer with respect to these services. Bank's duties to act for Customer hereunder are solely mechanical and administrative in nature.

2. Investment Options

a. Repurchase Agreements

(i) **Terms.** If Customer chooses to invest excess funds in repurchase agreements, Customer and Bank agree to be bound by the Master Repurchase Agreement with Bank. If Customer's investments in repurchase agreements exceed its typical investment amount by $10 million or more on a given Business Day, Customer agrees to notify Bank by providing sufficient advance notice to allow Bank to adequately collateralize the

investments. Bank will exercise reasonable efforts to invest the entire amount but cannot guarantee full investment under these circumstances. If Customer fails to notify Bank in advance or if Bank is unable to invest any or all of the additional funds in repurchase agreements, Customer agrees that Bank may be required to withhold or withdraw any interest that may have been previously paid.

(ii) **Confirmations.** After each repurchase transaction, Bank will deliver to Customer (via mail, fax, email, or other electronic means, including without limitation, posting to a password protected website) a confirmation ("Confirmation") describing any information required by applicable law, and any other terms and information which Bank may include at its discretion. The information contained in the Confirmation shall be considered true and correct and conclusively binding unless Customer notifies Bank of any error therein within three (3) business days after the date the Confirmation is mailed, faxed, emailed, personally delivered to Customer or sent via other electronic means, including without limitation, posting to a password protected website. If Customer elects to receive Confirmations electronically, Customer acknowledges and agrees that Customer will no longer receive Confirmations by mail. If Customer desires to discontinue receiving Confirmations electronically, Customer shall provide written notice to Bank, whereupon Bank shall resume delivering mailed Confirmations.

b. Eurodollar Investments

(i) **Terms.** If Customer chooses to invest excess funds in Eurodollars, Bank is authorized to sweep excess funds from Customer's DDA into overnight Eurodollar time deposits at the Cayman Islands branch of Bank. The minimum amount that may be swept pursuant to this option is $100,000. Excess funds less than $100,000 in a given business day will not be invested unless otherwise agreed by Bank. Customer's Eurodollar investments may be registered in the name of Bank's nominee or nominees. Earnings in Eurodollar investments shall be credited to Customer's DDA on a daily basis.

(ii) **IMPORTANT DISCLOSURES REGARDING CAYMAN ISLAND DEPOSITS.** CAYMAN ISLAND DEPOSITS ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION. IN THE EVENT OF THE FAILURE AND LIQUIDATION OF BANK, THE PROCEEDS OF SUCH LIQUIDATION WILL BE APPLIED TO THE CAYMAN DEPOSIT, IF AT ALL, ONLY AFTER PAYMENT OF ALL INSURED AND UNINSURED DOMESTIC DEPOSITS OR BANK, AND THE CAYMAN DEPOSIT WILL SHARE IN ANY REMAINING PROCEEDS OF LIQUIDATION WITH OTHER NON-DOMESTIC DEPOSITS AND CERTAIN GENERAL CREDITORS OF BANK. CUSTOMER ASSUMES ALL RISK OF LOSS ARISING FROM ANY ACTION TAKEN WITH RESPECT TO THE CAYMAN DEPOSIT BY THE GOVERNMENT OF THE CAYMAN ISLANDS OR ANY SOVEREIGN OR MILITARY POWER (DE FACTO OR DE JURE).

c. Mutual Funds

(i) **Terms.** If Customer chooses the Mutual Fund sweep option, excess funds will be invested in the First American fund offered for this service. Bank affiliates serve as investment advisor, custodian, transfer agent, and accounting services agent and receive compensation for such services as disclosed in the prospectus for the selected fund.

(ii) **Customer Acknowledgments.** BY ACCEPTING THIS SERVICE, CUSTOMER HEREBY ACKNOWLEDGES THAT IT HAS RECEIVED A COPY OF THE PROSPECTUS OF ANY DESIG-NATED FUND. CUSTOMER FURTHER ACKNOWLEDGES THAT BANK IS NOT PROVIDING ANY INVESTMENT ADVICE HEREIN TO CUSTOMER AND MAKES NO REPRESENTATION OR WARRANTY AS TO THE SUITABILITY OR SAFETY OF THE INVESTMENTS IN ANY FUND OFFERED UNDER THIS SERVICE.

d. Commercial Paper. If Customer chooses the Commercial Paper sweep option, excess funds shall be invested in an unsecured short-term promissory note issued by Bank. At the end of each Business Day, excess funds are automatically transferred from Customers' DDA into a sweep account that invests in overnight commercial paper. The minimum amount that may be swept pursuant to this option is $25,000. Excess funds less than $25,000 on a given business day will not be invested in the Commercial Paper sweep.

In the event of any conflict between the terms of such Confirmation and this MRA, this MRA shall prevail.

c. In the case of Transactions terminable upon demand, such demand shall be made by Buyer or Seller, no later than such time as is customary in accordance with market practice, by telephone or otherwise on or prior to the business day on which such termination will be effective. On the date specified in such demand, or on the date fixed for termination in the case of Transactions having a fixed term, termination of the Transaction will be effected by transfer to Seller or its agent of the Purchased Securities and any Income in respect thereof received by Buyer (and not previously credited or transferred to, or applied to the obligations of, Seller pursuant to Paragraph 5 hereof) against the transfer of the Repurchase Price to an account of Buyer.

4. Margin Maintenance
a. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Buyer is less than the aggregate Buyer's Margin Amount for all such Transactions (a "Margin Deficit"), then Buyer may by notice to Seller require Seller in such Transactions, at Seller's option, to transfer to Buyer cash or additional Securities reasonably acceptable to Buyer ("Additional Purchased Securities"), so that the cash and aggregate Market Value of the Purchased Securities, including any such Additional Purchased Securities, will thereupon equal or exceed such aggregate Buyer's Margin Amount (decreased by the amount of any Margin Deficit as of such date arising from any Transactions in which such Buyer is acting as Seller).

b. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Seller exceeds the aggregate Seller's Margin Amount for all such Transactions at such time (a "Margin Excess"), then Seller may by notice to Buyer require Buyer in such Transactions, at Buyer's option, to transfer cash or Purchased Securities to Seller, so that the aggregate Market Value of the Purchased Securities, after deduction of any such cash or any Purchased Securities so transferred, will thereupon not exceed such aggregate Seller's Margin Amount (increased by the amount of any Margin Excess as of such date arising from any Transactions in which such Seller is acting as Buyer).

c. If any notice is given by Buyer or Seller under subparagraph (a) or (b) of this Paragraph at or before the Margin Notice Deadline on any business day, the party receiving such notice shall transfer cash or Additional Purchased Securities as provided in such subparagraph no later than the close of business in the relevant market on such day. If any such notice is given after the Margin Notice Deadline, the party receiving such notice shall transfer such cash or Securities no later than the close of business in the relevant market on the next business day following such notice.

d. Any cash transferred pursuant to this Paragraph shall be attributed to such Transactions as shall be agreed upon by Buyer and Seller.

e. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer or Seller (or both) under subparagraphs (a) and (b) of this Paragraph may be exercised only where a Margin Deficit or Margin Excess, as the case may be, exceeds a specified dollar amount or a specified percentage of the Repurchase Prices for such Transactions (which amount or percentage shall be agreed to by Buyer and Seller prior to entering into any such Transactions).

f. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer and Seller under subparagraphs (a) and (b) of this Paragraph to require the elimination of a Margin Deficit or a Margin Excess, as the case may be, may be exercised whenever such a Margin Deficit or Margin Excess exists with respect to any single Transaction hereunder (calculated without regard to any other Transaction outstanding under this MRA).

5. Income Payments

Seller shall be entitled to receive an amount equal to all Income paid or distributed on or in respect of the Securities that is not otherwise received by Seller, to the full extent it would be so entitled if the Securities had not been sold to Buyer. Buyer shall, as the parties may agree with respect to any Transaction (or, in the absence of any such agreement, as Buyer shall reasonably determine in its discretion), on the date such Income is paid or distributed either (i) transfer to or credit to the account of Seller such Income with respect to any Purchased Securities subject to such Transaction or (ii) with respect to Income paid in cash, apply the Income payment or payments to reduce the amount, if any, to be transferred to Buyer by Seller upon termination of such Transaction. Buyer shall not be obligated to take any action pursuant to the preceding sentence (A) to the extent that such action would result in the creation of a Margin Deficit, unless prior thereto or simultaneously therewith Seller transfers to Buyer cash or Additional Purchased Securities sufficient to eliminate such Margin Deficit, or (B) if an Event of Default with respect to Seller has occurred and is then continuing at the time such Income is paid or distributed.

6. Security Interest

Although the parties intend that all Transactions hereunder be sales and purchases and not loans, in the event any such Transactions are deemed to be loans, Seller shall be deemed to have pledged to Buyer as security for the performance by Seller of its obligations under each such Transaction, and shall be deemed to have granted to Buyer a security interest in, all of the Purchased Securities with respect to all Transactions hereunder and all Income thereon and other proceeds thereof.

7. Payment and Transfer

Unless otherwise mutually agreed, all transfers of funds hereunder shall be in immediately available funds. All Securities transferred by one party hereto to the other party (i) shall be in suitable form for transfer or shall be accompanied by duly executed instruments of transfer or assignment in blank and such other documentation as the party receiving possession may reasonably request, (ii) shall be transferred on the book entry system of a Federal Reserve Bank, or (iii) shall be transferred by any other method mutually acceptable to Seller and Buyer.

8. Segregation of Purchased Securities

To the extent required by applicable law, all Purchased Securities in the possession of Seller shall be segregated from other securities in its possession and shall be identified as subject to this MRA. Segregation may be accomplished by appropriate identification on the books and records of the holder, including a financial or securities intermediary or a clearing corporation. All of Seller's interest in the Purchased Securities shall pass to Buyer on the Purchase Date and, unless otherwise agreed by Buyer and Seller, nothing in this MRA shall preclude Buyer from engaging in repurchase transactions with the Purchased Securities or otherwise selling, transferring, pledging or hypothecating the Purchased Securities, but no such transaction shall relieve Buyer of its obligations to transfer Purchased Securities to Seller pursuant to Paragraph 3, 4 or 11 hereof, or of Buyer's obligation to credit or pay Income to, or apply Income to the obligations of, Seller pursuant to Paragraph 5 hereof.

Required Disclosure for Transactions in Which the Seller Retains Custody of the Purchased Securities
Seller is not permitted to substitute other securities for those subject to this MRA and therefore must keep Buyer's securities segregated at all times, unless in this MRA Buyer grants Seller the right to substitute other securities. If Buyer grants the right to substitute, this means that Buyer's securities will likely be commingled with Seller's own securities during the trading day. Buyer is advised that, during any trading day that Buyer's securities are commingled with Seller's securities, they [will]* [may]** be subject to liens granted by Seller to [its clearing bank]* [third parties]** and may be used by Seller for deliveries on other securities transactions. Whenever the securities are commingled, Seller's ability to re-segregate substitute securities for Buyer will be subject to Seller's ability to satisfy [the clearing]* [any]** lien or to obtain substitute securities.
* Language to be used under 17 C.F.R. ß403.4(e) if Seller is a government securities broker or dealer other than a financial institution.
** Language to be used under 17 C.F.R. ß403.5(d) if Seller is a financial institution.

9. Substitution

a. Seller may, subject to agreement with and acceptance by Buyer, substitute other Securities for any Purchased Securities. Such substitution shall be made by transfer to Buyer of such other Securities and transfer to Seller of such Purchased Securities. After substitution, the substituted Securities shall be deemed to be Purchased Securities.

b. In Transactions in which Seller retains custody of Purchased Securities, the parties expressly agree that Buyer shall be deemed, for purposes of subparagraph (a) of this Paragraph, to have agreed to and accepted in this MRA substitution by Seller of other Securities for Purchased Securities; provided, however, that such other Securities shall have a Market Value at least equal to the Market Value of the Purchased Securities for which they are substituted.

c. In the case of any Transaction for which the Repurchase Date is other than the business day immediately following the Purchase Date and with respect to which Seller does not have any existing right to substitute substantially the same Securities for the Purchased Securities, Seller shall have the right, subject to the proviso to this sentence, upon notice to Buyer, which notice shall be given at or prior to 10 am (New York time) on such business day, to substitute substantially the same Securities for any Purchased Securities; provided, however, that Buyer may elect, by the close of business on the business day notice is received, or by the close of the next business day if notice is given after 10 am (New York time) on such day, not to accept such substitution. In the event such substitution is accepted by Buyer, such substitution shall be made by Seller's transfer to Buyer of such other Securities and Buyer's transfer to Seller of such Purchased Securities, and after such substitution, the substituted Securities shall be deemed to be Purchased Securities. In the event Buyer elects not to accept such substitution, Buyer shall offer Seller the right to terminate the Transaction.

d. In the event Seller exercises its right to substitute or terminate under sub-paragraph (c), Seller shall be obligated to pay to Buyer, by the close of the business day of such substitution or termination, as the case may be, an amount equal to (A) Buyer's actual cost (including all fees, expenses and commissions) of (i) entering into replacement transactions; (ii) entering into or terminating hedge transactions; and/or (iii) terminating transactions or substituting securities in like transactions with third parties in connection with or as a result of such substitution or termination, and (B) to the extent Buyer determines not to enter into replacement transactions, the loss incurred by Buyer directly arising or resulting from such substitution or termination. The foregoing amounts shall be solely determined and calculated by Buyer in good faith.

10. Representations

Each of Buyer and Seller represents and warrants to the other that (i) it is duly authorized to execute and deliver this MRA, to enter into Transactions contemplated hereunder and to perform its obligations hereunder and has taken all necessary action to authorize such execution, delivery and performance, (ii) it will engage in such Transactions as principal (or, if agreed in writing in advance of any

Transaction by the other party hereto, as agent for a disclosed principal), (iii) the person signing this MRA on its behalf is duly authorized to do so on its behalf (or on behalf of any such disclosed principal), (iv) it has obtained all authorizations of any governmental body required in connection with this MRA and the Transactions hereunder and such authorizations are in full force and effect and (v) the execution, delivery and performance of this MRA and the Transactions hereunder will not violate any law, ordinance, charter, bylaw or rule applicable to it or any agreement by which it is bound or by which any of its assets are affected. On the Purchase Date for any Transaction Buyer and Seller shall each be deemed to repeat all the foregoing representations made by it.

11. Events of Default

In the event that (i) Seller fails to transfer or Buyer fails to purchase Purchased Securities upon the applicable Purchase Date, (ii) Seller fails to repurchase or Buyer fails to transfer Purchased Securities upon the applicable Repurchase Date, (iii) Seller or Buyer fails to comply with Paragraph 4 hereof, (iv) Buyer fails, after one business day's notice, to comply with Paragraph 5 hereof, (v) an Act of Insolvency occurs with respect to Seller or Buyer, (vi) any representation made by Seller or Buyer shall have been incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated, or (vii) Seller or Buyer shall admit to the other its inability to, or its intention not to, perform any of its obligations hereunder (each an "Event of Default"):

a. The non-defaulting party may, at its option (which option shall be deemed to have been exercised immediately upon the occurrence of an Act of Insolvency), declare an Event of Default to have occurred hereunder and, upon the exercise or deemed exercise of such option, the Repurchase Date for each Transaction hereunder shall, if it has not already occurred, be deemed immediately to occur (except that, in the event that the Purchase Date for any Transaction has not yet occurred as of the date of such exercise or deemed exercise, such Transaction shall be deemed immediately canceled). The non-defaulting party shall (except upon the occurrence of an Act of Insolvency) give notice to the defaulting party of the exercise of such option as promptly as practicable.

b. In all Transactions in which the defaulting party is acting as Seller, if the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, (i) the defaulting party's obligations in such Transactions to repurchase all Purchased Securities, at the Repurchase Price therefor on the Repurchase Date determined in accordance with subparagraph (a) of this Paragraph, shall thereupon become immediately due and payable, (ii) all Income paid after such exercise or deemed exercise shall be retained by the non-defaulting party and applied to the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder, and (iii) the defaulting party shall immediately deliver to the non-defaulting party any Purchased Securities subject to such Transactions then in the defaulting party's possession or control.

c. In all Transactions in which the defaulting party is acting as Buyer, upon tender by the non-defaulting party of payment of the aggregate Repurchase Prices for all such Transactions, all right, title and interest in and entitlement to all Purchased Securities subject to such Transactions shall be deemed transferred to the non-defaulting party, and the defaulting party shall deliver all such Purchased Securities to the non-defaulting party.

d. If the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, the non-defaulting party, without prior notice to the defaulting party, may: (i) as to Transactions in which the defaulting party is acting as Seller, (A) immediately sell, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, any or all Purchased Securities subject to such Transactions and apply the proceeds thereof to the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder or (B) in its sole discretion elect, in lieu of selling all or a portion of such Purchased Securities, to give the defaulting party credit for such Purchased Securities in an amount equal to the price therefor on such date, obtained from a generally recognized

source or the most recent closing bid quotation from such a source, against the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder; and (ii) as to Transactions in which the defaulting party is acting as Buyer, (A) immediately purchase, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, securities ("Replacement Securities") of the same class and amount as any Purchased Securities that are not delivered by the defaulting party to the non-defaulting party as required hereunder or (B) in its sole discretion elect, in lieu of purchasing Replacement Securities, to be deemed to have purchased Replacement Securities at the price therefor on such date, obtained from a generally recognized source or the most recent closing offer quotation from such a source. The parties acknowledge and agree that (1) the Securities subject to any Transaction hereunder are instruments traded in a recognized market, (2) in the absence of a generally recognized source for prices or bid or offer quotations for any Security, the non-defaulting party may establish the source therefor in its sole discretion and (3) all prices, bids and offers shall be determined together with accrued Income (except to the extent contrary to market practice with respect to the relevant Securities).

e. As to Transactions in which the defaulting party is acting as Buyer, the defaulting party shall be liable to the non-defaulting party for any excess of the price paid (or deemed paid) by the non-defaulting party for Replacement Securities over the Repurchase Price for the Purchased Securities replaced thereby and for any amounts payable by the defaulting party under Paragraph 5 hereof or otherwise hereunder.

f. For purposes of this Paragraph 11, the Repurchase Price for each Transaction hereunder in respect of which the defaulting party is acting as Buyer shall not increase above the amount of such Repurchase Price for such Transaction determined as of the date of the exercise or deemed exercise by the non-defaulting party of the option referred to in subparagraph (a) of this Paragraph.

g. The defaulting party shall be liable to the non-defaulting party for (i) the amount of all reasonable legal or other expenses incurred by the non-defaulting party in connection with or as a result of an Event of Default, (ii) damages in an amount equal to the cost (including all fees, expenses and commissions) of entering into replacement transactions and entering into or terminating hedge transactions in connection with or as a result of an Event of Default, and (iii) any other loss, damage, cost or expense directly arising or resulting from the occurrence of an Event of Default in respect of a Transaction.

h. To the extent permitted by applicable law, the defaulting party shall be liable to the non-defaulting party for interest on any amounts owing by the defaulting party hereunder, from the date the defaulting party becomes liable for such amounts hereunder until such amounts are (i) paid in full by the defaulting party or (ii) satisfied in full by the exercise of the non-defaulting party's rights hereunder. Interest on any sum payable by the defaulting party to the non-defaulting party under this Paragraph 11(h) shall be at a rate equal to the greater of the Pricing Rate for the relevant Transaction or the Prime Rate.

i. The non-defaulting party shall have, in addition to its rights hereunder, any rights otherwise available to it under any other agreement or applicable law.

12. Single Agreement

Buyer and Seller acknowledge that, and have entered hereinto and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that, all Transactions hereunder constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, each of Buyer and Seller agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, (ii) that each of them shall be entitled to set off claims and apply property held by them in respect of any Transaction against obligations owing to them in respect of any other Transactions hereunder and (iii) that payments, deliveries and other transfers made by either of them in respect of any Transaction shall be deemed to have been made in

consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted.

13. Notices and Other Communications
Any and all notices, statements, demands or other communications hereunder may be given by a party to the other by mail, facsimile, telegraph, messenger or otherwise to the address specified by Bank, or so sent to such party at any other place specified in a notice of change of address hereafter received by the other. All notices, demands and requests hereunder may be made orally, to be confirmed promptly in writing, or by other communication as specified in the preceding sentence.

14. Entire Agreement; Severability
This MRA shall supersede any existing agreements between the parties containing general terms and conditions for repurchase transactions. Each provision and agreement herein shall be treated as separate and independent from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

15. Nonassignability; Termination
a. The rights and obligations of the parties under this MRA and under any Transaction shall not be assigned by either party without the prior written consent of the other party, and any such assignment without the prior written consent of the other party shall be null and void. Subject to the foregoing, this MRA and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns. This MRA may be terminated by either party upon giving written notice to the other, except that this MRA shall, notwithstanding such notice, remain applicable to any Transactions then outstanding.

b. Subparagraph (a) of this Paragraph 15 shall not preclude a party from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under Paragraph 11 hereof.

16. Governing Law
This MRA shall be governed by the laws of the State of New York without giving effect to the conflict of law principles thereof.

17. No Waivers, Etc.
No express or implied waiver of any Event of Default by either party shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by any party shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this MRA and no consent by any party to a departure herefrom shall be effective unless and until such shall be in writing and duly executed by both of the parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to Paragraph 4(a) or 4(b) hereof will not constitute a waiver of any right to do so at a later date.

18. Use of Employee Plan Assets
a. If assets of an employee benefit plan subject to any provision of the Employee Retirement Income Security Act of 1974 ("ERISA") are intended to be used by either party hereto (the "Plan Party") in a Transaction, the Plan Party shall so notify the other party prior to the Transaction. The Plan Party shall represent in writing to the other party that the Transaction does not constitute a prohibited transaction under ERISA or is otherwise exempt therefrom, and the other party may proceed in reliance thereon but shall not be required so to proceed.

b. Subject to the last sentence of subparagraph (a) of this Paragraph, any such Transaction shall proceed only if Seller furnishes or has furnished to Buyer its most recent available audited statement of its financial condition and its most recent subsequent unaudited statement of its financial condition.

c. By entering into a Transaction pursuant to this Paragraph, Seller shall be deemed (i) to represent to Buyer that since the date of Seller's latest such financial statements, there has been no material adverse change in Seller's financial condition which Seller has not disclosed to Buyer, and (ii) to agree to provide Buyer with future audited and unaudited statements of its financial condition as they are issued, so long as it is a Seller in any outstanding Transaction involving a Plan Party.

19. Intent
a. The parties recognize that each Transaction is a "repurchase agreement" as that term is defined in Section 101 of Title 11 of the United States Code, as amended (except insofar as the type of Securities subject to such Transaction or the term of such Transaction would render such definition inapplicable), and a "securities contract" as that term is defined in Section 741 of Title 11 of the United States Code, as amended (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

b. It is understood that either party's right to liquidate Securities delivered to it in connection with Transactions hereunder or to exercise any other remedies pursuant to Paragraph 11 hereof is a contractual right to liquidate such Transaction as described in Sections 555 and 559 of Title 11 of the United States Code, as amended.

c. The parties agree and acknowledge that if a party hereto is an "insured depository institution," as such term is defined in the Federal Deposit Insurance Act, as amended ("FDIA"), then each Transaction hereunder is a "qualified financial contract," as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

d. It is understood that this MRA constitutes a "netting contract" as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and each payment entitlement and payment obligation under any Transaction hereunder shall constitute a "covered contractual payment entitlement" or "covered contractual payment obligation", respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a "financial institution" as that term is defined in FDICIA).

20. Disclosure Relating to Certain Federal Protections
The parties acknowledge that they have been advised that:

a. In the case of Transactions in which one of the parties is a broker or dealer registered with the Securities and Exchange Commission ("SEC") under Section 15 of the Securities Exchange Act of 1934 ("1934 Act"), the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 ("SIPA") do not protect the other party with respect to any Transaction hereunder;

b. In the case of Transactions in which one of the parties is a government securities broker or a government securities dealer registered with the SEC under Section 15C of the 1934 Act, SIPA will not provide protection to the other party with respect to any Transaction hereunder; and

c. In the case of Transactions in which one of the parties is a financial institution, funds held by the financial institution pursuant to a Transaction hereunder are not a deposit and therefore are not insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, as applicable.

    ii) **Provisional Credit.** All Transaction Receipts and deposits are subject to audit and final checking by Member and Elavon, and may be adjusted for inaccuracies or errors. You acknowledge that all credits for funds provided to you are provisional and subject to Chargebacks and adjustments in accordance with the Payment Network Regulations, whether or not a Transaction is charged back by the Issuer. Member, in its sole discretion or at Elavon's direction, may grant you provisional credit for Transaction amounts in the process of collection, subject to receipt of final payment by Member and Elavon and subject to all Chargebacks, returns, adjustments, fees, fines, penalties, and any other payments due under the

Agreement. You shall maintain sufficient funds on deposit in your DDA to pay all items as they come due in the ordinary course of business.

c) **Asserted Errors.** It is the responsibility of Merchant to reconcile the statements regarding Transaction activity received from Elavon, any Payment Network, and any third party vendors with the statements Merchant receives for Merchant's DDA. Your written notice must include: (i) Merchant name and account number; (ii) the dollar amount of the asserted error; (iii) a description of the asserted error; and (iv) an explanation of why you believe an error exists and the cause of it, if known. If you fail to provide such notice to Elavon within said thirty (30) days, Elavon and Member shall not be liable to you for any errors you assert at a later date. You may not make any claim against Member or Elavon for any loss or expense relating to any asserted error for sixty (60) days immediately following Elavon's receipt of your written notice. During that sixty (60) day period, Elavon will be entitled to investigate the asserted error, and you shall not incur any cost or expense in connection with the asserted error without notifying Elavon.

d) **Depository Institution.** Merchant authorizes its depository institution to grant Elavon and/or Member access to any and all information or records regarding the DDA. You hereby release Elavon and Member for any action they take against the DDA or Reserve Account pursuant to the Agreement.

e) **ACH Authorization.** You authorize Member, Elavon, and their respective vendors and agents to initiate debit/credit entries to the DDA and the Reserve Account, all in accordance with the Agreement. This authorization will remain in effect after termination of the Agreement and until all of your obligations to Elavon and Member have been paid in full. In the event you change the DDA, this authorization will apply to the new account and you shall provide Elavon and Member such information regarding the new DDA as they deem necessary. It may take Elavon up to ten (10) business days after Elavon's receipt of a written notice from you to reflect in its system any change to your DDA.

6) **RESERVE ACCOUNT, RECOUPMENT, AND SET-OFF.**
  a) **Reserve Account.**
    i) **Establishment.** Elavon may establish a Reserve Account in the Reserve Amount upon the occurrence of a Reserve Event for the purpose of providing a source of funds to pay Member and Elavon for any and all amounts owed by you. Member and Elavon shall have sole control of the Reserve Account.
    ii) **Reserve Amount.** The Reserve Amount is equal to the aggregate dollar value of: [(average % credits to processing volume during the same period + average % Chargebacks to processing volume during the same period) multiplied by four] multiplied by [average monthly processing volume] plus [one month's average fees] plus [# days delayed delivery multiplied by the average day's processing volume]. For purposes of this calculation, the number of days delayed delivery means the number of days between the date on which the Cardholder's Payment Device is charged and the date the Cardholder receives and is satisfied with the product. Further, for purposes of this calculation, Elavon will determine, in its sole discretion, the applicable period considering factors such as Merchant's sales growth and seasonality.
    iii) **Reserve Event.** The following will constitute Reserve Events: (a) fraudulent activity in any monthly period that equal or exceeds one percent (1%) of Merchant's average monthly volume over the preceding twelve (12) month period, (b) Chargebacks in any monthly period that equal or exceed 1% of the total dollar value of incoming items to Elavon, (c) Elavon's reasonable belief that Merchant has accepted deposits but has not delivered the goods or services, (d) the commencement of a Bankruptcy Proceeding by or against you, (e)

termination of the Agreement for any reason, (f) nonpayment of amounts owed to Elavon or Member, and (g) the occurrence of an adverse change in your financial condition.

    iv) **Funding.** Member and Elavon may fund the Reserve Account up to the Reserve Amount by any one or more of the following means.

        (1) Member and Elavon may require you to deposit into the Reserve Account funds in an amount determined by Elavon;

        (2) Member and Elavon may deposit into the Reserve Account funds they would otherwise be obligated to pay you.

    v) **Use of Funds in Reserve Account.** Member or Elavon may, without notice to you, apply funds in the Reserve Account against any outstanding amounts you owe or future amounts you will owe under the Agreement or any other agreement between you and Member or Elavon. Also, Member or Elavon may debit the Reserve Account to exercise their rights under the Agreement including, without limitation, their rights of set-off and recoupment to collect any amounts due to Member or Elavon. Further, you agree that Elavon or Member may be required to send funds in a Reserve Account to a third party in response to a tax levy or other court order.

    vi) **Termination of Reserve Account.** Funds held in the Reserve Account shall remain in the Reserve Account until each of the following has occurred: (1) the Agreement has been terminated; and (2) Merchant has paid in full all amounts owing or that could ever be owed under the Agreement, including all Chargebacks, returns, adjustment, fees, fines, penalties, and any other payments due under the Agreement. In no event shall you be entitled to a return of any funds remaining in the Reserve Account before 270 days following the effective date of termination of the Agreement.

  b) **Recoupment and Set-off.** Member and Elavon have the right of recoupment and set-off. This means that they may offset any outstanding or uncollected amounts owed to them from: (i) any amounts they would otherwise be obligated to deposit into the DDA; and (ii) any other amounts they may owe you under the Agreement or any other agreement. You acknowledge that in the event of a Bankruptcy Proceeding, in order for you to provide adequate protection under Bankruptcy Code Section 362 to Elavon and Member, you must create or maintain the Reserve Account as required by Elavon and/or Member and either of them shall have the right to offset against the Reserve Account for any and all obligations you may owe to Elavon and Member, without regard to whether the obligations relate to Transaction Receipts initiated or created before or after the filing of the bankruptcy petition.

  c) **Remedies Cumulative.** The rights conferred upon Member and Elavon in this section are not intended to be exclusive of each other or of any other rights and remedies of Member and Elavon under the Agreement, at law or in equity. Rather, each and every right of Member and Elavon under the Agreement, at law or in equity is cumulative and concurrent and in addition to every other right.

7) **FEES; OTHER AMOUNTS OWED; TAXES.**

  a) **Fees.** You will pay Member and Elavon fees for services, supplies, and equipment in accordance with Schedule A, Schedule of Fees. Such fees will be calculated once each month for the previous month's activity. Elavon will send you an invoice reflecting the fees due, which you must pay within thirty (30) days of the invoice date. In addition to all other available remedies, and except in regard to good faith disputes under s. 16.528(e) of the Wisconsin Statutes, Elavon and Member may offset any outstanding or uncollected amounts that are more than ninety (90) days past due from (i) any amounts they would otherwise be obligated to deposit into the DDA and (ii) any other amounts Elavon or Member may owe you under this Agreement or any other agreement. In addition, you will pay Elavon at its standard rates for research including, but not limited to, research required to respond to any third party or government subpoena, levy, or garnishment on your account. The fees set forth in the Agreement will not be amended by Elavon for the Initial

Term of the Agreement except to pass through to you increases in interchange, assessments, or fees imposed by a third party.

    i) **Participating Merchants.** Merchants who participate in this Agreement by executing a Participation Agreement may choose to be debited instead of invoiced for their fees. In such case, Elavon will calculate and debit the fees from the DDA once each month for the previous month's activity, or such fees will be deducted from the funds due that Merchant under the Agreement.

  b) **Other Amounts Owed.** You will immediately pay Elavon or Member any amount incurred by Elavon or Member attributable to the Agreement, including, without limitation, Chargebacks, returns, adjustments, fines, penalties (including all fines and penalties assessed by the Payment Networks as a result of your Transaction processing), and any other payments due under the Agreement, except that any fees will be paid within thirty (30) days after receipt of invoice . Elavon or Member may debit these amounts (including any fees outstanding for more than 120 days) from your DDA by ACH, and in the event such ACH does not fully reimburse Elavon or Member for the amount owed, you will immediately pay Elavon or Member such amount except in regard to good faith disputes under s. 16.528(e), Wisconsin Statutes. Elavon will charge interest, as allowed by Law, on all uncollected items that are more than thirty (30) days past due.

  c) **Taxes.** You are also obligated to pay all taxes and other charges imposed by any governmental authority on the goods and services provided under the Agreement. If you are a tax-exempt entity, you will provide Elavon and Member with an appropriate certificate of tax exemption.

The notice must be received by Elavon at least ten (10) business days prior to the change. You will provide any additional information requested by Elavon within a reasonable time. You will hold harmless Member and Elavon for all losses and expenses incurred by Member or Elavon arising out of any such change, whether or not reported to Elavon, or your failure to provide requested information. Elavon may immediately terminate the Agreement upon notification by you of a change to the information in the Merchant Application. You authorize Elavon and Member to contact credit reporting agencies and your creditors to make inquiries and obtain reports regarding your credit standing upon Elavon's or Member's receipt of the Merchant Application.

  b) **Hold Harmless.** As between Merchant, Elavon and Member, Merchant will be responsible for, and will at its own expense, defend itself against any and all suits, claims, losses, demands or damages, arising out of or in connection with any dispute with any Cardholder or third party relating to any Transaction or any breach by Merchant of any of its obligations under this Agreement for which Member and Elavon are not directly or indirectly at fault. Merchant hereby releases Elavon and Member from any and all liabilities, claims, losses, costs, expenses and demands of any kind or nature, arising out of or in connection with such Transactions and Merchant breaches.

  c) **Limitation of Liability.,** In addition to greater limitations on Elavon's or Member's liability that may be provided elsewhere, any liability of Elavon and Member under the Agreement, whether to you or any other party, whatever the basis of the liability, will not exceed, in the aggregate, an amount equal to the lesser of (a) the fees paid by you during the last three (3) months, exclusive of fees and variable costs incurred by Elavon and Member to process Transactions, such as Interchange costs, assessments, and fees imposed by a third party or, (b) fifty thousand dollars

($50,000). In no event will Elavon, Member, or their agents, officers, directors, or employees be liable for indirect, exemplary, punitive, special, or consequential damages.

   d) **Performance.** Neither Elavon nor Member shall be liable for any failure or delay in its performance of the Agreement if such failure or delay arises for reasons beyond the control of Elavon or Member and without the fault or negligence of Elavon or Member.

9) **REPRESENTATIONS AND WARRANTIES.** You represent and warrant to Elavon and Member as of the time the Agreement is effective, and reaffirm to Elavon and Member each time a Transaction is effected during the initial term or any renewal term of the Agreement, the following:

You may request written confirmation of Elavon's consent to the changes to your business information.    b) **Authority to Execute.** Merchant and the persons signing the Agreement have the power to execute and perform the Agreement. Merchant represents and warrants that the person executing the Agreement is duly authorized to bind Merchant and each affiliated entity identified in Schedule B to all provisions of the Agreement as if each affiliated entity had executed the Agreement, and that such person is authorized to execute any document and to take any action on behalf of Merchant which may be required by Elavon, now or in the future. Further, you represent and warrant that signing and/or performing in accordance with the Agreement will not violate any Law, or conflict with any other agreement to which you are subject.

You have never been placed on the MasterCard MATCH^{TM} system (formerly known as the Combined Terminated Merchant File), or, if you have, you have disclosed that fact to Elavon in writing.

   d) **Transactions.** All Transactions are bona fide. No Transaction involves the use of a Payment Device for any purpose other than the purchase of goods or services from you or a return or adjustment related to such purchase. You must maintain enough funds in the DDA following termination to cover all Chargebacks, returns, adjustments, fees, fines, penalties, and other amounts due under the Agreement for a reasonable time, but in any event, not less than 180 days from termination. If you, nevertheless, assign the Agreement without Elavon's consent, the Agreement will be binding on the assignee as well as you.

d) **Notices**. Any written notice to the Merchant under the Agreement will be deemed received upon the earlier of: (i) actual receipt; or (ii) five (5) business days after being deposited in the United States mail, or with a nationally recognized overnight carrier, and addressed to the last address shown on the records of Elavon. Any written notice to Elavon, shall be sent by U.S. mail or a nationally recognized overnight carrier to: 7300 Chapman Highway, Knoxville, TN 37920, and shall be deemed received only upon actual receipt.

e) **Bankruptcy**. You will immediately notify Elavon of any Bankruptcy Proceeding, receivership, insolvency, or similar action or proceeding initiated by or against Merchant. You will include Elavon on the list and matrix of creditors as filed with the Bankruptcy Court, whether or not a claim may exist at the time of filing. Failure to do so will be cause for immediate termination of the Agreement and shall allow the pursuit of any other action available to Elavon under applicable Payment Network Regulations or Laws. You acknowledge that the Agreement constitutes an executory contract to make a loan, or extend other debt financing or financial accommodations to, or for the benefit of you, and, as such, cannot be assumed or assigned in the event of your bankruptcy.

f) **Attorneys' Fees**. Deleted.

g) **Customer Contact**. You authorize Member and Elavon to contact your customers or their Issuer if Member or Elavon determines that such contact is necessary to obtain information about any Transaction between you and a customer.

h) **Telephone Recording**. For quality assurance and training purposes, you authorize Elavon to monitor and record telephone conversations at any time without further notice to the parties to such conversations. The decision to record any conversation shall be solely in Elavon's discretion and pursuant to applicable Law.

i) **Information Sharing**. You understand and agree that Elavon may disclose any information gathered by Elavon to (i) Elavon's "affiliates" (i.e., companies related to us by common control or ownership) that offer financial products or services, including those identified in the Agreement when such products and services are requested by you and to Elavon's administrative or service units that perform such functions; (ii) to non-affiliated companies to assist Elavon in providing the products and services Merchant has requested; (iii) to credit rating agencies; and (iv) as required by the Payment Network Regulations or the Laws (e.g., for tax reporting purposes or in response to a subpoena).

j) **Communication with Merchant**. You agree that Elavon and Member may provide you with information about the Program including, without limitation, information about new products and/or services by telephone or U.S. mail.

k) **Amendments**. Member and Elavon may propose amendments or additions to Section C of the Agreement or the Merchant Operating Guide. Member or Elavon will inform you of a proposed change in a periodic statement or other notice. You will be deemed to have agreed to the change if you continue to present Transactions to Member and Elavon after thirty (30) days following the issuance of the notice. Elavon is entitled to pass through to you any fee increases imposed upon Elavon by Visa, MasterCard, any other Payment Network, and any other third party including telecommunications vendors. All changes to Section B of the Agreement will be in writing and signed by the parties.

l) **Severability and Waiver**. If any provision of the Agreement is found to be illegal or otherwise unenforceable, the invalidity or unenforceability of that provision will not affect any of the remaining provisions and the Agreement will be construed as if the illegal or unenforceable provision is not contained in the Agreement. Neither the failure, the delay by Merchant, Elavon or

Member to exercise, nor the partial exercise of any right under the Agreement will operate as a waiver or estoppel of such right, nor shall such amend the Agreement.

m) **Independent Contractors.** Elavon, Member, and you will be deemed independent contractors and no one will be considered an agent, joint venturer, or partner of the other, unless and to the extent otherwise specifically provided herein. This Agreement has been entered into solely for the benefit of the parties hereto and is not intended to create an interest in any third party.

n) **Privacy Laws.** In addition to Section (B)(17)(b) above, Merchant, Elavon and Member must take all commercially reasonable steps to protect the confidentiality of Cardholder and Transaction information and shall establish and maintain physical, technical and administrative safeguards to prevent unauthorized access by third parties to such Cardholder and Transaction information, using a standard of care at least equal to the standard required of Elavon to protect such information pursuant to applicable Laws, including without limitation the federal Health Insurance Portability and Accountability Act (HIPAA), the federal Gramm-Leach-Bliley Act or other applicable privacy laws. Further, a Merchant that is a "covered entity" or "business associate", as defined under HIPAA, must not use any product to store, transmit, or otherwise maintain "protected health information" as defined by HIPAA. Elavon is not a "business associate" as defined by HIPAA and it is not Elavon's practice to store or accept any information that would cause it to be a "business associate" under HIPAA.

o) **Survival.** All obligations hereunder shall survive termination of the Agreement, including, without limitation, Sections (B)(4), (B)(5), (B)(6), (B)(7), (B)(8), (B)(11), (B)(14), (B)(15)(d), (B)(16), (B)(17) and (B)(18)(f) of the TOS.

p) **Counterparts; Facsimile Signatures; Delivery.** The Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which, taken together, shall constitute one and the same agreement. Delivery of the various documents and instruments comprising the Agreement may be accomplished by a facsimile transmission, and such a signed facsimile or copy shall constitute a signed original.

Section C – Acceptance of Visa and MasterCard

19) **ACCEPTANCE OF VISA AND MASTERCARD.** Merchant agrees to the following provisions in addition to the Definitions in Section (A) and the General Provisions of Section (B) above:

20) **VISA AND MASTERCARD DEFINITIONS.** For purposes of this Section, "Credit Card" shall be deemed to be limited to a: (i) credit/business product of Visa; (ii) consumer debit/prepaid product of Visa; (iii) credit/business product of MasterCard; or (iv) consumer debit/prepaid product of MasterCard as applicable. The credit/business products of Visa are those products for which transactions by the Cardholder are paid by the Cardholder at least fifteen (15) days after the transaction including: (i) consumer credit products (including co-branded and smart Visa versions) such as Classic, Gold, Platinum, Signature, and Infinite cards; and (ii) business products such as business credit, business debit, business line of credit, and smart Visa business, purchasing cards, corporate cards, fleet cards, and commercial prepaid cards. The consumer debit/prepaid products of Visa are those products that for which Transactions by the Cardholder are paid by accessing the Cardholder's asset account immediately including: (i) consumer Visa check cards such as Classic, Gold, Platinum and Visa Check Card II; and (ii) consumer prepaid/EBT cards such as Visa Buxx, Visa Payroll, Visa gift cards (including incentives, promotional, and rebate), child support cards, unemployment cards, insurance claim cards, customer service cards, state disbursement cards (not including unemployment or child support), flexible spending account cards, general purpose reloadable and one-time use prepaid cards, and student aid college cards. The consumer debit/prepaid products of MasterCard include Cardholder signature debit cards, prepaid cards, stored value cards, EBT cards and payroll cards. The credit/business products of MasterCard include all other MasterCard products.

21) **HONORING CREDIT CARDS.**

a) **Honoring Cards.** Merchant may choose to accept (i) only the credit/business products of Visa and/or MasterCard; (ii) only the consumer debit/prepaid products of Visa and/or MasterCard; or (iii) both the credit/business products and consumer debit/prepaid products of Visa and/or MasterCard. You must indicate your decision to accept a limited category of products on the Merchant Application and if you wish to discontinue acceptance of either category of products, you must provide Elavon with thirty (30) days advance written notice. If you choose to accept only one of the categories of products but later submit a Transaction outside of the selected category, Elavon and Member are not required to reject the Transaction and you will be charged our standard fees and expenses for that category of products. Further, if you choose a limited acceptance option, you must still honor all international cards presented for payment. Merchants who have decided to implement a limited acceptance policy are required to display appropriate signage to communicate that policy to Cardholders.

b) **No Minimum or Maximum.** Merchant shall not establish minimum or maximum Credit Card Transaction amounts.

c) **Cardholder Identification.** In Card Present Transactions, you will identify the Cardholder and check the expiration date and signature on each Credit Card. You will not honor any Credit Card if: (i) the Credit Card has expired; (ii) the signature on the Transaction Receipt does not correspond with the signature on the Credit Card, is blank, or uses language to the effect of "see id"; or (iii) the account number embossed on the Credit Card does not match the account number on the Credit Card's magnetic stripe.

d) **Credit Card Recovery.** You will use reasonable, peaceful means to recover any Credit Card: (i) on Visa Cards, if the printed four digits below the embossed account number do not match the first four digits of the embossed account number; (ii) if you are advised by Member (or its designee), the Issuer, or the designated voice authorization center to retain it; (iii) if you have reasonable grounds to believe the Credit Card is lost, stolen, counterfeit, fraudulent, or otherwise invalid, or its use is not authorized by the Cardholder; or (iv) for MasterCard Cards, if the printed four digits below the embossed account number do not match the first four digits of the embossed account number, or the Credit Card does not have the "Twin Globes" hologram on the lower right corner of the Credit Card face.

e) **Surcharges.** You will not add any amount to the posted price of goods or services you offer as a condition of paying with a Credit Card, except as permitted by the Credit Card Rules. This paragraph does not prohibit you from offering a discount to induce a person to pay by cash, check, or similar means rather than by Credit Card.

f) **Convenience Fees.** You may not assess Convenience Fees unless you have disclosed such fees to Elavon previously in writing and you have been approved by Elavon to assess such fees. If you complete a Transaction and assess a Convenience Fee without having disclosed such fee previously in writing and obtained Elavon's consent, you will be in breach of the Agreement and Elavon may immediately terminate the Agreement in addition to any other remedies available under the Agreement, Laws, and Payment Network Regulations. Transactions that include a Convenience Fee must comply with each of the following requirements:
   i. A Convenience Fee cannot be assessed in a face-to-face merchant environment.
   ii. The Convenience Fee is permitted only for one-time payments and may not be imposed on recurring payments or transactions. Examples of recurring charges include, but are not limited to, insurance premiums, subscriptions, Internet service provider monthly fees, membership fees, tuition or utility charges.
   iii. You must provide a true "convenience" in the form of an alternative payment channel outside of your customary payment channels, and the Convenience Fee must be disclosed by you to the Cardholder as a charge for the alternative payment channel convenience that is provided.

iv. The Convenience Fee must be disclosed prior to the completion of the Transaction, and the Cardholder must be given the option to cancel the Transaction if the Cardholder does not want to pay the fee.

v. The Convenience Fee must be included in the total amount of the Transaction; it cannot be "split" out from the Transaction amount. The only exception is for card acceptance programs involving only MasterCard Credit Cards where Visa Credit Cards are not accepted.

vi. If a Convenience Fee is assessed it must be for all payments (Visa, MasterCard, Discover, AMEX, ACH, and check) within a particular payment channel (mail, telephone, and internet).

vii. Additional Visa Convenience Fee Requirements are as follows: (i) it must be a flat fee; (ii) it cannot be tiered or percentage based regardless of the value of the payment due; (iii) it must not be authorized and settled separately from the primary transaction; (iv) the fee must be assessed by the *same Merchant actually providing the goods and services*; and (v) the fee may not be assessed by a different merchant.

viii. Additional MasterCard Convenience Fee Requirements are as follows: (i) the fee may be tiered, percentage based, or flat; and (ii) the fee may be authorized and settled separately from the primary transaction.

ix. Merchants who accept both Visa and MasterCard Credit Cards are restricted to assessing Convenience Fees equally across card types and as such the Merchant is restricted to a flat Convenience Fee and must combine all charges into one authorization and clearing Transaction.

x. To the extent Merchant's state or other governing body has passed legislation that requires Convenience Fee assessment by government agencies as a component of card acceptance, such laws may conflict with the Payment Network Regulations. Merchant bears all responsibility for, and agrees to hold Elavon and Member harmless from, all liability associated therewith, including all fees, fines and penalties levied by the Payment Networks.

xi. Convenience Fees may be prohibited by Laws in some States. Merchant may not charge Convenience Fees where prohibited by Laws.

xii. In no event is a Convenience Fee to be referred to as a surcharge or advertised as an offset to processing fees.

xiii. If you have received approval from Visa to participate in the Tax Payment Pilot Program, then you may assess a variable service fee so long as: (i) only eligible tax payments are accepted (personal income, personal property, real property, unemployment, business income and sales and use taxes); (ii) Cardholders are notified of the fee and given the opportunity to opt-out of the Transaction; (iii) the variable fee must be processed as a separate Transaction and not combined with the tax payment; (iv) the variable fee may be assessed on all payment channels and the fee cannot be higher than any other card-based payment offered through the same channel; and (v) you submit appropriate reports of CISP compliance to Visa and receive Visa approval and certification annually.

g) **Return Policy.** You must properly disclose to the Cardholder, at the time of the sales Transaction and in accordance with the Credit Card Rules, any limitation you have on accepting returned merchandise.

h) **No Claim Against Cardholder.** You will not have any claim against, or right to receive payment from, a Cardholder or any other customer in any Transaction unless Member or Elavon refuses to accept the Transaction Receipt or revokes its prior acceptance of the Transaction Receipt (after receipt of a Chargeback or otherwise). You will not accept any payments from a Cardholder relating to previous charges for merchandise or services included in a Transaction Receipt, and if you receive such payments, you will promptly remit them to Elavon.

i) **Disputes With Cardholders**. All disputes between you and any Cardholder relating to any Transaction will be settled between you and the Cardholder. Neither Elavon nor Member bears any responsibility for such Transactions or disputes, other than with respect to processing Chargebacks under the Credit Card Rules.

22) **AUTHORIZATION.**

a) **Required on all Transactions**. You must obtain an Authorization Code before completing any sales Transaction. An Authorization Code verifies the Credit Card number is valid, the Credit Card has not been reported lost or stolen at the time of the sales Transaction, and confirms the amount of credit or funds requested for the sales Transaction is available. You will follow any instructions received during Authorization. Upon receipt of an Authorization Code, you may consummate only the sales Transaction authorized and must note the Authorization Code on the Transaction Receipt. In any Card present Transaction, whether or not an Authorization Code is provided, you must obtain a swiped or imprinted sales draft signed by the Cardholder. For all Card Not Present sales Transactions, you must obtain the Credit Card expiration date, Cardholder address and telephone number, and CVV2/CVC2 number and forward them as part of the Authorization.

b) **Effect**. An Authorization Code does not: (i) guarantee the Merchant final payment for a sales Transaction; (ii) guarantee that the sales Transaction will not be disputed later by the Cardholder as any sales Transaction is subject to Chargeback; or (iii) protect you in the event of a Chargeback regarding unauthorized sales Transactions or disputes involving the quality of goods or services. Authorization Codes will not waive any provision of the TOS or otherwise validate a fraudulent sales Transaction or a sales Transaction involving the use of an expired Credit Card.

c) **Unreadable Magnetic Stripes**. For Card Present Transactions, if you authorize and present Transactions electronically and your terminal is unable to read the magnetic stripe on the Credit Card, you must obtain the following in addition to key-entering the Transaction into the POS Device for processing: (i) a physical imprint of the Credit Card using a manual imprinter and (ii) the Cardholder's signature on the imprinted Transaction Receipt.

23) **PRESENTMENT OF TRANSACTION RECEIPTS.**

a) **Transaction Receipts.**

i) **Card Present and Card Not Present Transactions (other than Electronic Commerce Transactions)**. You will use a Transaction Receipt to document each Card Present and Card Not Present Transaction. Each such Transaction Receipt must include:

(1) Card account number (truncated account number required on the Cardholder's copy) including the specific payment brand (i.e. Visa or MasterCard).

(2) Merchant name and location.

(3) Location Code (i.e., merchant identification number issued by Elavon).

(4) Transaction amount, including applicable taxes.

(5) Transaction date.

(6) Space for Cardholder signature for Card Present Transactions.

(7) Indication of who shall receive each copy of the Transaction Receipt (e.g., Merchant Copy, Bank Copy, Cardholder Copy).

(8) Authorization Code.

(9) Terms and conditions of the sale, if restricted.

If the Merchant is accepting consumer debit products of Visa or MasterCard, no data referencing the Cardholder's PIN number shall be printed on the receipt.

ii) **Electronic Commerce Transactions**. You will use a Transaction Receipt to document each Electronic Commerce Transaction. Each such Transaction Receipt must include:

(1) Card account number (truncated account number required on the Cardholder's copy) including the specific payment brand (i.e. Visa or MasterCard).

(2) Merchant name.

(3) Merchant online address.

(4) Purchaser name.
(5) Authorization Code.
(6) Transaction amount.
(7) Transaction date.
(8) Customer service contact, including telephone number.
(9) Terms and conditions of the sale, if restricted.

b) **Signatures.** In Card Present Transactions, Transaction Receipts must be signed by the Cardholder. The requirement for the Cardholder's signature on the Transaction Receipt will only be waived if the Credit Card Transaction is a valid Card Not Present Transaction which fully complies with the requirements set forth in the TOS.

c) **Reproduction of Information.** For Card Present Transactions, if the following information embossed on the Credit Card is not legibly imprinted on the Transaction Receipt, you will legibly reproduce on the Transaction Receipt the: (i) Cardholder's name; (ii) account number; (iii) expiration date; and (iv) Merchant's name and place of business. Additionally, for MasterCard Transactions, on the Transaction Receipt you will legibly reproduce the name of the bank that issued the Credit Card as it appears on the face of the Credit Card.

d) **Truncation.**
   i) The Credit Card account number must be truncated on all Cardholder-activated Transaction Receipts. Truncated digits should be replaced with a fill character such as "x," "*," or "#," and not with blank spaces or numeric characters.
   ii) Effective July 1, 2003, all new POS Devices must suppress all but the last four digits of the Credit Card account number and the entire expiration date on the Cardholder's copy of the Transaction Receipt generated from electronic (including Cardholder-activated) POS Devices. Effective July 1, 2006, all existing POS Devices must comply with the rule set forth in this subsection.
   iii) These truncation rules do not apply to Transactions in which the only way to record a Credit Card account number is in handwriting or by making an imprint or copy of the Credit Card.

e) **Delivery and Retention of Transaction Receipts.** For Card Present Transactions, you will deliver a complete and legible copy of the Transaction Receipt or Credit Transaction Receipt to the Cardholder at the time of the Transaction. For Card Not Present Transactions, you will deliver a complete and legible copy of the Transaction Receipt or Credit Transaction Receipt to the Cardholder promptly following completion of the Transaction in either electronic (e.g., e-mail or fax) or paper (e.g., handwritten or terminal-generated) format. You will retain the "Merchant Copy" of the Transaction Receipt or Credit Transaction Receipt for at least eighteen (18) months following the date of completion of the Credit Card Transaction (or such longer period as the Credit Card Rules or the Laws may require).

f) **Electronic Transmission.** If you utilize electronic Authorization and/or data capture services, you will enter the data related to Transactions into a POS Device and settle the Transactions and transmit the data to Elavon or its designated agent in the form specified by Elavon no later than the close of business on the date the Transactions are completed. If Member or Elavon requests a copy of a Transaction Receipt, Credit Transaction Receipt, or other Transaction evidence, you must provide it within the time frame specified in the request.

24) **RETRIEVAL REQUESTS AND CHARGEBACKS; CREDITS; REPROCESSING; FRAUD; AND FACTORING.**
   a) **Retrieval Requests.** You must respond to a Retrieval Request with a legible copy of the Transaction Receipt within the time frame specified. If you fail to provide a legible copy of the Transaction Receipt, you will receive a Chargeback that cannot be cured.
   b) **Chargebacks.** You are fully liable to Elavon and Member for all Transactions returned to Elavon or Member for whatever reason including, but not limited to, Chargebacks. You agree to accept for Chargeback and will be liable to Member and Elavon in the amount of any sale for which the Cardholder or Issuer disputes the validity of the sale for any reason. You will pay Elavon and

Member on demand the value of all Chargebacks. You authorize Elavon and Member to offset from incoming Transactions and to debit the DDA and the Reserve Account for the amount of all Chargebacks. You will fully cooperate with Elavon and Member in complying with the Credit Card Rules regarding Chargebacks. The following is not to be considered a complete listing of the reasons for which you may incur a Chargeback. It is intended only to provide the most commonly encountered situations where a Chargeback may occur.

i) Failure to respond to a Retrieval Request or failure to provide a legible, complete, or proper copy of a Transaction Receipt in response to a Retrieval Request,

ii) Unauthorized use of a Credit Card as alleged by the Cardholder,

iii) Dispute by the Cardholder over the quality of goods or services,

iv) Failure by Merchant to provide goods or services,

v) The Transaction Receipt does not bear the Cardholder's signature,

vi) The Transaction Receipt represents a sales Transaction for which Authorization was initially declined and was subsequently obtained by means of multiple Authorization attempts or other means not permitted hereunder,

vii) The Transaction Receipt fails to comply with the terms and conditions of the Agreement or fails to comply with the Credit Card Rules,

viii) The sales Transaction was completed under circumstances constituting a breach of the Agreement.

c) **Excessive Activity**. Your presentation to Elavon of Excessive Activity will be a breach of the Agreement and cause for termination of the Agreement as set forth in Section B(15)(b)(ii)(3). "Excessive Activity" means, during any monthly period, and for any one of Merchant's terminal identification numbers or merchant identification numbers, Chargebacks and/or Retrieval Requests in excess of one percent (1%) of the gross dollar amount of your sales Transactions or returns in excess of two and one-half percent (2.5%) of the gross dollar amount of sales Transactions. You authorize, upon the occurrence of Excessive Activity, Member and Elavon to take additional actions as either of them may deem necessary including, without limitation, suspension of processing privileges or creation or maintenance of a Reserve Account in accordance with the TOS.

d) **Credits**.

i) **Credit Transaction Receipt**. You will issue a Credit Transaction Receipt, instead of issuing cash or a check, as a refund for any previous sales Transaction. Member will debit the DDA for the total face amount of each Credit Transaction Receipt submitted to Elavon. You will not submit a Credit Transaction Receipt relating to any Transaction Receipt not originally submitted to Elavon, nor will you submit a Credit Transaction Receipt that exceeds the amount of the original Transaction Receipt. You will, within the time period specified by applicable Laws or the Credit Card Rules, whichever time period is shorter, provide Elavon with a Credit Transaction Receipt for every return of goods or forgiveness of debt for services that was the subject of a previous sales Transaction in accordance with the Credit Card Rules.

ii) **Revocation of Credit**. Member or Elavon may, in their sole discretion, refuse to accept any Credit Transaction Receipt for processing.

iii) **Reprocessing**. You will not resubmit or reprocess any Transaction that has been charged back.

e) **Fraud and Factoring**. You will not present for processing or credit, directly or indirectly, any transaction not originated as a result of a transaction directly between you and a Cardholder or any Transaction you know or should know to be fraudulent or not authorized by the Cardholder. Perpetrators of fraudulent Transactions will be referred to law enforcement officials. You will not deposit any Transaction Receipt representing the refinancing of an existing obligation of a Cardholder. You agree that Elavon may, within its sole discretion, suspend the disbursement of funds from Transaction Receipt for any reasonable period of time required to investigate

suspicious or unusual deposit activity. Elavon and Member will have no liability for any losses you may attribute to any suspension of funds disbursement.

25) **OTHER TYPES OF TRANSACTIONS.**

    a) **Mail Order/Telephone Order (MO/TO).** You may not solicit or accept MO/TO sales Transactions unless you have disclosed such method of sale to Elavon previously in writing. If you complete a MO/TO sales Transaction without having disclosed such method of sale previously in writing, you will be in breach of the Agreement and Elavon may immediately terminate the Agreement in addition to any other remedies available under the Agreement, Laws, and Credit Card Rules, and you may have to pay a surcharge on each such Transaction. You understand that Transactions processed via MO/TO are high risk and subject to a higher incidence of Chargebacks. You are liable for all Chargebacks and losses related to MO/TO sales Transactions. You may be required to use an address verification service ("AVS") on MO/TO sales Transactions. AVS is not a guarantee of payment and the use of AVS will not waive any provision of this Agreement or validate a fraudulent Transaction. You will obtain the expiration date of the Credit Card for a MO/TO sales Transaction and submit the expiration date when requesting Authorization of the sales Transaction. For MO/TO sales Transactions, you will type or print legibly on the signature line of the Transaction Receipt the following applicable words or letters: telephone order or "TO," or mail order or "MO," as appropriate. Elavon recommends that you obtain a signed Transaction Receipt or other proof of delivery signed by Cardholder for MO/TO sales Transactions.

    b) **Recurring Transactions.**

        i) **Requirements.** For recurring Transactions (e.g., payment of insurance premiums or subscriptions), you must obtain a written request from the Cardholder for such goods and services to be charged to the Cardholder's account, the frequency of the recurring charge, and the duration of time during which such charges may be made. You will not complete any recurring Transaction after receiving: (i) a cancellation notice from the Cardholder; (ii) a notice from Elavon or Member that authority to accept recurring Transactions has been revoked; or (iii) a response that the Payment Device is not to be honored. You must provide a subsequent order form to the Cardholder when a Recurring Transaction is renewed by the Cardholder. Merchant is responsible for ensuring its compliance with Laws with respect to recurring Transactions.

        ii) **Limitations on the Resubmission of Recurring Transactions.** In some limited instances, you may resubmit a preauthorized recurring Transaction up to four (4) times within sixteen (16) calendar days of the original Authorization request, provided that the decline response is one of the following: (i) authorization denied; (ii) insufficient funds; (iii) exceeds approval amount limit; or (iv) exceeds withdrawal frequency.

        iii) **Recurring Transaction Receipts.** You must print legibly on the Transaction Receipt the words "Recurring Transaction." You must obtain the Cardholder's signature, including an electronic signature or other similar authentication that is effective under Laws, on the Transaction Receipt. For an Electronic Commerce Transaction, you must also include the frequency and duration of the Recurring Transaction, as agreed to by the Cardholder, on the Transaction Receipt.

        iv) **Electronic Commerce Recurring Transactions.** In addition to the above, for an Electronic Commerce Transaction, you must also provide a simple and easily accessible online cancellation procedure that complies with Laws, if the Cardholder's request for goods or services was initially accepted online.

        v) **Recurring Transactions With Varying Amounts.** For Recurring Transactions of varying amounts, all of the following apply: (i) the order form must allow the Cardholder to specify a minimum and maximum Transaction amount to be charged, unless the Cardholder will be notified of the amount and date of each charge, as specified in the remainder of this section; (ii) you must inform the Cardholder of their right to receive, at least ten (10) calendar days

prior to each scheduled Transaction Date, written notification of the amount and date of the next charge; and (iii) the Cardholder may choose to receive the notification in any of the following ways: (a) for every charge; (b) when the Transaction amount does not fall within the range of amounts specified on the order form; or (c) when the Transaction amount will differ from the most recent charge by more than an agreed upon amount. Merchant is responsible for ensuring that all communications with, and disclosures to, Cardholders comply with Laws.

c) **Multiple Transaction Receipts**. You will include a description and total amount of goods and services purchased in a single sales Transaction on a single Transaction Receipt unless: (i) partial payment is entered on the Transaction Receipt and the balance of the Transaction amount is paid in cash or by check at the time of the sales Transaction; or (ii) a Transaction Receipt represents an advance deposit in a sales Transaction completed in accordance with the Agreement and the Credit Card Rules.

d) **Deposits.**
   i) **Prior Consent.** You will not accept for payment by Credit Card any amount representing a deposit or partial payment for goods or services to be delivered in the future unless you have disclosed such method of sale to Elavon previously in writing. If you accept a Credit Card for payment or partial payment of goods or services to be delivered in the future without having disclosed such method of sale to Elavon previously in writing, you will be in breach of the Agreement and Elavon may immediately terminate the Agreement in addition to any other remedies available under the Agreement, Laws, and Credit Card Rules.
   ii) **Acceptance.** If you have disclosed such method of sale to Elavon previously in writing, then you will complete such sales Transactions in accordance with the Agreement, Laws, and Credit Card Rules. Merchant must execute one Transaction Receipt when processing the deposit Transaction and a second Transaction Receipt upon processing the balance of the Transaction. You will note the words "deposit" or "balance" on the applicable Transaction Receipt, as appropriate. You will not deposit the Transaction Receipt labeled "balance" until the goods have been delivered to Cardholder or until you have fully performed the services.

e) **Future Delivery**. You will not present any Transaction Receipt or Credit Transaction Receipt to Member or Elavon for processing (whether by electronic means or otherwise) that relates to the sale of goods or services for future delivery unless you have disclosed such method of sale to Elavon previously in writing and you have been approved by Elavon to submit such Transactions. If you have disclosed such method of sale to Elavon previously in writing, you represent and warrant to Member and Elavon that you will not rely on any proceeds or credit resulting from such sales Transactions to purchase or furnish goods or services. You will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from Transaction Receipts or other Credit Transaction Receipts in connection with future delivery sales Transactions or until you have fully performed the services.

f) **Electronic Commerce.**
   i) **Electronic Commerce.** You may not solicit or accept Electronic Commerce sales Transactions unless you have disclosed such method of sale to Elavon previously in writing, and you may process such Transactions only if the Transactions have been encrypted by a third party vendor acceptable to Elavon and Member. If you submit Electronic Commerce sales Transactions without having disclosed such method of sale to Elavon previously in writing, you will be in breach of the Agreement and Elavon may immediately terminate the Agreement in addition to any other remedies available under the Agreement, Laws, and the Payment Network Regulations. You understand that sales Transactions processed via the Internet are high risk and subject to a higher incidence of Chargebacks. You are liable for all Chargebacks and losses related to Electronic Commerce Transactions, whether or not: (i) such Transactions have been encrypted; and (ii) you have obtained Elavon's consent to

engage in such Transactions. Encryption is not a guarantee of payment and does not waive any provision of the TOS or otherwise validate a fraudulent Transaction. Elavon recommends that you obtain a signed Transaction Receipt or other proof of delivery signed by the Cardholder for all Electronic Commerce sales Transactions. All communication costs and compliance with Laws related to Electronic Commerce Transactions will be your responsibility. You understand that Elavon will not manage the telecommunications link for Electronic Commerce Transactions and that it is your responsibility to manage that link. Merchant authorizes Elavon and Member, at Merchant's costs and expense, to perform an annual audit and examination of Merchant's website and a due diligence review as required by the Payment Network Regulations for Electronic Commerce Merchants.

   ii) **Requirements.** For goods to be shipped on Electronic Commerce sales Transactions, you may obtain authorization up to seven (7) days prior to the shipment date. You need not obtain a second authorization if the Transaction Receipt amount is within fifteen percent (15%) of the authorized amount, provided the additional amount represents shipping costs. Further, your Web site must contain all of the following information: (a) complete description of the goods or services offered; (b) returned merchandise and refund policy; (c) customer service contacts, including electronic mail address and/or telephone number; (d) complete address (street address, city, state, zip code, and country) of the permanent establishment of the business; (e) complete address of the permanent establishment of the business on either the checkout screen (which displays the total purchase amount) or within the sequence of Web pages presented to the Cardholder during the checkout process; (f) Transaction currency (such as U.S. or Canadian dollars); (g) export or legal restrictions, if known; (h) delivery policy; (i) customer data privacy policy; and (j) your method of Transaction security. If you store Cardholder account numbers, expiration dates, or other personal Cardholder data in a database, you must follow the applicable Payment Network rules on securing such data. You may not retain or store CVV2/CVC2 data after authorization for record keeping or additional authorization processing.
