**Monthly Grant Awards**  
**For the Period August 1, 2018 Thru August 30, 2018**

<b>Funder</b>	<b>Proposal</b>	<b>Total Awarded</b>	<b>Abstract</b>
Wisconsin DPI	CTE Incentive - CCR	32,308	The Wisconsin DPI provides up to \$1,000 per student who earns an industry-recognized credential or certificate on the ACT 59 list. The grant provides an incentive for districts to grow the number of students earning such credentials by providing funds to pay for training and/or courses for students to have the opportunity to earn them.
National Fish and Wildlife Foundation	Green Infrastructure - Sustain our Great Lakes	440,000	This project will support the redevelopment of school yard spaces at Burdick, Hawley, Starns and Longfellow schools to effectively manage the stormwater runoff from the asphalt playground and provide an opportunity for students to engage in green infrastructure and eco-literacy topics first hand through STEAM (science, technology, engineering, arts, and mathematics) curriculum connections.
Wisconsin DPI	WI DPI Fresh Fruit and Vegetables (Nutrition Services)	130,864	The Fresh Fruit and Vegetable Program (FFVP) grant provides children in participating elementary schools with a variety of free fresh fruits and vegetables. This is a competitive grant that must be applied for annually. The level of funds provided to any one school depends on the school's enrollment and the available funding provided by the USDA. We anticipate serving 26,000 students at 60 MPS elementary schools for a grant award total of \$1,326,000 (\$51 per student).
Wisconsin DPI	Alcohol & Other Drug Abuse - C&I	45,000	The grant will support the development or expansion of districtwide, K-12 comprehensive programs for violence and/or alcohol and other drug abuse interventions and prevention. The grant will support three programs within Milwaukee Public Schools: the Ropes and Challenges Course, the Children's Hospital of Wisconsin e-Learning curriculum, and the Department of Public Instructions Suicide Prevention curriculum.
Wisconsin DOJ	WI DOJ School Safety (Office of Sch. Admin.)	3,308,665	To continue the goal of MPS school safety that ensures both the physical and psychological safety of students, funds will support safety projects, such as a series of training and professional development sessions alongside full security camera system replacement.
Tosa Foundation	Milwaukee Partnership Schools	992,315	Through partnership between MPS, City Year Milwaukee, and Boys & Girls Clubs of Greater Milwaukee, the Milwaukee Partnership Schools will continue to align support for students in math, reading, attendance, and social-emotional learning during the school day and after school. Project schools include Alexander Mitchell Integrated Arts School, Rogers Street Academy, Dr. George Carver Academy of Mathematics and Science, and Clarke Street School.
Herb Kohl Foundation	M-Cubed Kohl Charities	634,832	In collaboration with M-cubed and Herb Kohl Philanthropies, funded projects include ACP Field Experiences, M-cubed Parent Institute and Math Transition courses. Implementation funds are held at the UWM Foundation for use by MPS, MATC and UWM.
Wisconsin DPI	WI DPI Gifted & Talented (C&I)	30,000	MPS will meet participating schools needs for sustained, high-quality, integrated, advanced academic programming in ELA during the school day. Funds will support programming for the Gifted & Talented course for about 40 students called "Where I Stand, Geocaching Our Community Story." The course will combine history, math, and English language arts.

<u>Funder</u>	<u>Proposal</u>	<u>Total Awarded</u>	<u>Abstract</u>
City of Milwaukee	Community Development Block Grant (BLMA)	70,000	This grant will help fund monthly mentor sessions at four MPS schools (each for 30-40 male students of color). Topics will include discussion on the Department of Black and Latino Achievement's 12 guiding principles. This grant will also help the department, along with the United Negro College Fund, to host the Empower Me Tour for 1,200 high school seniors throughout Milwaukee.
